INSURGENT WOODMEN MEET

Hold Quiet Session in Lincoln to Prepare for Fight.

WILL INSTITUTE LAW SUIT

Governor Aldrich Has New Hall at Kearney Named After Him and Goes Out to Attend Dedication.

(From a Staff Correspondent.)
LINCOLN, June 28.—(Special Telegram.)—Modern Woodmen circles were somewhat agitated this morning by a report that a band of insurgent Woodmen had gathered in the city yesterday and had quietly slipped away without their presence being known.
Head Consul Talbot, when questioned about the matter this morning, said he knew nothing about it, but showed by his interest in asking a few questions that he was considerably up in the air. The meeting, it is understood, was called for today with the understanding among those who were to attend that it was to come off yesterday. This was done for the purpose of stalling any leads which might appear in the program.
Twenty representatives of the insurgent cause were present at the meeting and it is understood that proceedings will be instituted within ten days to oust the present officers.

Sues for Loss of Stomach.
Anton Thompson of Washington county has appealed to the supreme court in a case wherein he sued E. C. Pierce and George A. Langstaff for \$1,000, claiming that without his knowledge or consent the said men operated upon the body of his brother Paul soon after his death and that in consequence he (Anton) suffered both in mind and body and that they did then and there carry away the stomach of Paul and have not returned the same.

Autoists Visit Lincoln.
The Denver automobilists arrived in the city today at noon and were taken in hand by local enthusiasts and entertained while here. They were met at Milford by an escort from Lincoln and taken to the government square where the cars were lined up around the curb and were the attraction for a large number of people. From here they went to Omaha under the escort of several automobilists.

Vital Statistics.
Dr. W. H. Wilson, state health inspector, has completed a compilation of deaths and births in the state for the six months ending June 1. There were 5,677 deaths. During the year ending December 1, 1911, there were 11,699 deaths. During the six months there were 13,983 births, divided 6,588 males and 6,515 females. There were 69 colored children in the number. The births are classified: American, 10,824; German, 1,063; Scandinavian, 413; British, 207; Bohemian, 22; unclassified, 68. Pneumonia was the cause of more deaths than any other disease.

Linkhart Declines.
T. T. Linkhart of Coleridge has sent to the secretary of state his declination as a candidate for state senator from the Eighth senatorial district. The republicans of that district had no candidate and the name of Linkhart was written in by several of the voters. He received fifty-four votes in all.

Dedicate Aldrich Hall.
Governor Aldrich and the State Normal board have gone to Kearney, where they will participate in the dedication of "Aldrich hall," a new addition to the State Normal school. In thus getting in on the hall of fame Governor Aldrich has put one over on all of his predecessors and is the first governor to have any part of the state institutions dedicated to him in this manner. What bothers the governor now is the fear that people who gaze upon the edifice and not the name will at once draw the conclusion that the Rhode Island senator is the man honored.

No Requisition for Meyers.
Sheriff Myers of Lancaster county called at the governor's office this morning with a telegram he had received from Sheriff W. T. Wayne of Mount Vernon, Ill., asking him to get a requisition issued by Governor Dinsan upon the governor of Nebraska for the return of Frank Myers, wanted for forgery in the sum of \$75. Myers was captured at Bridgeport and the Illinois sheriff did not want to stop off in Lincoln for the requisition, desiring Sheriff Myers to have it at the train. As no requisition had been received at the governor's office from the governor of Illinois and as it would require the personal appearance of the sheriff from that state before the governor, Sheriff Myers will have to stop off in Lincoln tonight.

TWO MEN PLEAD GUILTY RATHER THAN WAIT TRIAL

KEARNEY, Neb., June 28.—(Special Telegram.)—Being willing to plead guilty rather than await trial at the regular jury term of the district court in the fall, with the county jail as a place of abode in the meantime, Harry Smith and George Costo, two of the trio of burglars charged with entering the J. S. Lovitt store at Ravenna a month ago, confessed to the charge in court today, while the third, James Corey, would not plead guilty and will stand trial at the jury term.
Smith was sentenced to the penitentiary for one year and ten months and Costo, who is but 17 years old, was sent to the state industrial school.

EDGAR, Neb., June 28.—(Special.)—The farmers are harvesting wheat. A good deal of the wheat is pretty short and is nearly all heads. NEW WING OF SCHOOL AT KEARNEY DEDICATED

KEARNEY, Neb., June 28.—(Special Telegram.)—While not within ten days of being completed, the new wing of the State Normal school building at Kearney was dedicated this afternoon with practically all of the members of the State Board of Education present, all of the presidents of the state normals on hand to attend the board, nattering and about 1,000 students and citizens crowded into the chapel, one that is too small to hold the summer school body at regular chapel periods.
Governor Chester H. Aldrich made the principal address while other speeches were made by J. W. Craddock, State Architect, Burk F. Miller, State Building Inspector, W. A. Crowsley, Contractor, N. F. McDonald, State Treasurer, Superintendent James E. Delzell.

By the way, how is *your* appetite and where is *your* energy these sticky, muggy, man-killing days? A little off feed, eh? No ambition? Brain foggy? If you will stick to your grind throughout the year you can't expect to keep your edge. You're ground down. Better go to Colorado and hone up.
