### GAS COMPROMISE IS HELD UP

Attorneys Delay Settlement by Asking Hearing from Commission.

### THE BEE THE OFFICIAL PAPER

Missouri Pacific Must Keep Watchmen—Money Needed to Make Repairs on Emergency Hospital.

Approval of the compromise agreement between the city and the Omaha Gas company was held up yesterday by the commission because the law firm of Blackburn, Weaver & Giller, who brought suit to prevent payment of \$5 per year for lights by the city, asked for a hearing.

This firm will meet with the committee of three from the council some time this week and the report of the compromise will be submitted at a meeting of the

commission Friday and then approved, unless unforeseen elements enter in. Bills for the official advertising of the city for the next year were received from The Bee and the World-Herald. The contract was let to The Bee, which was the lowest bidder.

Councilman McGovern, head of the department of public improvements, made the following appointments and they were approved: F. R. Gerhart, field engineer, \$80 per month; C. R. Young, clerk, \$70 per month; Victor Black, assistant in drafting department, \$60 per month.

Building Inspector Melmer reported that \$124.88 was needed for repairs at the emergency hospital. The report was referred to Colonel Ryder's department. The protest was received from business men against the passage of an occupation tax ordinance. Such an ordinance has not been yet drafted.

A list of the buildings with large smokestacks was submitted to the council, which is planning an ordinance to abate the smoke evil. The list was referred to the city hall which will be repaired

during the summer, the repairs to cost \$125. John J. Fiza was appointed a sanitary inspector by Councilman Ryder, his salary to be \$75 per month.

An ordinance making it a misdemeanor to deface monuments was passed. An ordinance directing the Missouri Pacific to keep watchmen at three crossings was passed.

Commissioner Dan B. Butler asked leave of absence for two weeks to go as a delegate from the local lodge of Elks to the Portland convention. The leave was granted. Mayor Dahlman will have charge of his department during Butler's absence.

An ordinance providing that 25 cents be paid the poundmaster for removing dead dogs and cats and making him responsible for the removal was approved.
