### OBJECT TO THE RESCUE HOME

Southeast Improvement Club and Citizens Register Protest.

### REASONS FOR ACTION STATED

Arrangements Completed for a Big Celebration in Riverview Park July 4—Other Things Are Considered.

At a meeting of the Southwest Improvement club, attended by fifty club members and a large number of citizens of the southeastern portion of the city, held Monday night, action was taken looking to the preventing of the Tinley Rescue home at Fourth and Bancroft streets. The matter will be taken up with the state board of health, the Omaha city commission and other civic authorities and if relief is not secured, resort will be had to the courts, the citizens in the vicinity being determined that the home shall not again be permitted to continue its operations.

Resolutions Are Adopted. As a preliminary to the final action that is to be taken, resolutions as follows were adopted.

Whereas, We understand that an attempt is being made to reopen the Tinley Rescue home at Fourth and Bancroft streets, Omaha, as a maternity hospital, and also as a "Rescue Home" under the same management as heretofore; and

Whereas, We are unalterably opposed to the reopening of this so-called "Home" either as a "Rescue Home" or as a maternity hospital, at said location, for various reasons, some of which are as follows:

(a) We have no confidence in the promise made by the parties who offer to reopen this home that they will operate it in any different manner than it was formerly operated by them.

(b) This "Home" is situated upon high ground, upon the southeast corner of Fourth and Bancroft streets; there is no fence, hedge or other enclosure around the premises, in order to shield the inmates from the view of residents in that locality and pedestrians along Bancroft street or Fourth street.

(c) Many children must necessarily pass by this "Home" when going to and from the school, located at the southeast corner of Fourth and Bancroft streets, and the Douglas County Detention home at Third and Bancroft, the Gibson school at Riverview park.

(d) Since this "Home" has been closed, new residences have been in contemplation of erection, and if it is kept closed, these buildings of other enclosures will be built in that vicinity, but we are sure that if this "Home" is re-established at its present location, it will depreciate the value of all residence property in that vicinity and hinder the building of residences in that district. Now, therefore,

Be it resolved, that it is the sense of this club that we urge the state board of health and the city authorities to refuse to grant a license to maintain a maternity hospital or "Rescue Home" at Fourth and Bancroft streets, and that we do all in our power, as a club and as individuals, to prevent the reopening of said home at its present location.

Further resolved, that a copy of these resolutions be transmitted to the state board of health, and John J. Ryder, superintendent of the department of police, sanitation and public safety of the City of Omaha.

Other Things Considered.

A committee was appointed to wait upon City Commissioner McGovern and find out from him why the grading of Ninth street, south from Bancroft, has been discontinued. It was reported to the club that the contractor who was doing the grading, partially completed his work, and then pulled off his teams, leaving the street in an impassible condition.

Another committee will wait upon Commissioner McGovern and request him to use his influence in securing the opening of the old river road, from Bancroft to Gibson. This road was closed some six years ago. If opened, and improved, it is said that it would be converted into a beautiful drive along the river bank.

The club took final action in relation to the picnic to be held in Riverview park July 4. It is to be a basket affair with plenty of music and amusement features. Word was received to the effect that the German Singing society will be present and take part in the exercises.

### Wilson Well Liked When He Was Here

In speaking of the nomination of Woodrow Wilson by the democrats for president Mayor Dahlman said: "I was not for the man personally, but now that he is nominated I am for him. I have no doubt but what he will be able to beat out Taft for the presidency at the polls in the fall. Wilson is a clean-cut person, and I don't know of a person who says anything against him either as a man or as a politician."

"He made a great impression while in Omaha on his last visit this spring. He is a great friend of the young men, and their vote will go a long way toward electing him. When he spoke here at an unusually large gathering. A banquet was given in his honor and a large number of Omaha young men were greatly taken with him and there is no doubt in my mind but that he will be supported by all democrats. This is almost certain after the honor which was bestowed upon him at the convention by his selection by the party."

### AFFAIRS AT SOUTH OMAHA

Enos R. Leigh Elected President of Board of Education.

W. E. SCHNEIDER IS SECRETARY

School Board Gives Its Support to Superintendent Graham in School Plans and Appointment of Teachers.

Strictly in accord with the agreement made a year ago the school board at a regular meeting last night reorganized with Enos R. Leigh as president for the ensuing year. William Schneider, democrat and retiring president, became vice-president in place of Leigh and Secretary James P. Sullivan was elected by a majority. The substitution of President Leigh for Former President Schneider is in line with the plan worked out one year ago when Schneider, a democrat, agreed to work with Leigh and Horacek, two republicans, against Hunter and Yechout, democrats, and members of the former majority. The move of the two republicans took the presidency from Yechout and threw it into the hands of Schneider with the understanding that Leigh was to succeed to the place this year.

In handing over the chairmanship last night Schneider made a neat speech in which he summed up the work of the board during the past year. He took especial pride in the fact that things had been managed economically during the year and that in the purchase of coal there had been none of the former irregularities. President Leigh in taking over the new office thanked the board and declared that he intended to be fair to all. He asked for the co-operation of the board in bringing the school system to a higher development. The committees to serve for the following year were then read. They are:

Claims—Committee—Horacek, chairman; Schneider and Yechout. Teachers' Committee—Schneider, chairman; Leigh and Horacek. Buildings and Grounds—Leigh, chairman; Hunter and Schneider. Repairs and Supplies—Horacek, chairman; Leigh and Hunter. Judiciary—Hunter, chairman; Horacek and Yechout.

Graham is Upheld. When the board had been reorganized, Superintendent of Schools, N. M. Graham, read a number of recommendations, one of which contemplated the establishment of a kindergarten room at Highland school. This motion was passed by the board without dissent. While it had not been intended to consider the election of teachers until a later meeting the board lost no time when the subject came up but proceeded to ballot upon teachers on the assigned, elected and permanent lists. Later at the suggestion of Member Hunter, Superintendent Graham prepared the list of principals and superintendents and submitted them. All names were balloted upon and elected without exception.

It was further decided that the old building now occupied by O'Donovan and Pease as a garage on Twenty-fourth and J street would be renovated and equipped as a gymnasium for the students of the High school. Member Horacek made the commendation. An invitation from the Fourth of July Booster club asked that the board, secretary and attorney take part in the parade.

New Teachers Named. The following is the list of teachers elected last night:

No Council Meeting. Although the introduction of the appropriation ordinance was expected last night, the council, for one reason or another, failed to make a quorum and the meeting was postponed until this evening at 7 o'clock. There were several causes for the postponement. One generally mentioned refers to the short force in the engineer's office. It is said that the crippling of the force will entail internal trouble that will reach other departments.

### BOURKE SUCCEEDS BURGESS

Former Member Elected Secretary of Board of Education.

### SALARY RAISE FOR FINLAYSON

Action on Proposition to Permit Superintendent to Discharge Janitors When He Sees Fit is Postponed.

Secretary J. F. Burgess of the Board of Education, by a vote of eight to four, was left off the official roster last night, and W. T. Bourke, a former member, who resigned upon the assurance of his friends on the board that he would get the job, was elected by secret ballot. A preliminary skirmish before the election indicated the majority with which the former member would be elected. James Richardson, chairman of the finance committee, introduced a resolution limiting the secretary's term to one year. It was defeated by a vote of nine to three. Foster, Walker and Richardson voted for it. Bourke will take office August 1. M. F. Sears inquired if the board could raise the new secretary's salary, but the attorney declared the law prohibited it. The conservative element, led by Dr. E. Holovtchiner, succeeded in raising the salary of D. Finlayson, superintendent of buildings, from \$2,500 to \$3,000 per year immediately after his election. Finlayson was sure of re-election and had a request in for an increase of salary before the election was held. Immediately following the election Holovtchiner read a statement from Finlayson in which he set forth the reasons for the requested increase. He said that during his twelve years of service he had saved the city \$10,000 on repairs. James Richardson asked that the resolution providing the increase be postponed for two weeks, because he understood there were many school buildings in the city in need of repairs that had been repeatedly refused, and if such was true Finlayson was not deserving of an increase. Holovtchiner forced the resolution and Richardson's followers, with the exception of Dr. J. J. Foster, deserted him.

Maynard is Custodian. The meeting was interrupted once by a contractor, who wastefully attacked Dr. Holovtchiner in his capacity as chairman of the buildings and grounds committee. President Courtney told the man, Gus Hamel, that he would "put him out if he didn't shut up." Hamel walked out, after declaring he would make trouble for the board because he wasn't awarded a contract. Attorney Herring told him the board had proceeded properly. J. W. Maynard was re-elected custodian. His term of office was limited to one year by vote.

An attempt was made to limit the secretary and the superintendent of buildings to one year, but supporters of Holovtchiner, Courtney and Attorney Carl Herring, won for the three year term. Three members refused to vote on the ballot for Finlayson. Maynard's salary is \$1,500 per year.

Complaint Against Janitor. Mr. Richardson expressed his intention to investigate the condition of buildings and if found in need of many necessary repairs a fight to rescind the resolution increasing Finlayson's salary may be started. Richardson caused the plumbing inspector to inspect the Columbian school and repairs that had been refused by the committee were ordered in.

Complaints against Otto Dickman, janitor at Walnut Hill school, were received from Mrs. C. Larsen and Mrs. H. E. Fair, who declared he annoyed young girls and children. Complaint had been made to the buildings and grounds committee, to which the protests against Dickman continuing in service were referred.

Attorney Herring reported that it would be a very hard task to find out how many pardons had been granted under the present city administration, thereby losing the fines to the board. However, he said he would find out if the board extended his time and gave him necessary clerical help. John J. Mahoney, retiring clerk of the police court, sent in a communication showing \$12,780 in fines since January.

Amendments to the rules were submitted, but consideration was postponed two weeks. The amendments give Superintendent Finlayson power to dismiss janitors at his pleasure and hire substitutes, those dismissed to have recourse to the members of the board in due time. Richardson led a fight on this ruling, saying it gave the superintendent too much power.
