ROBINSON PROVES ENIGMA

Rourke Wins in Walk by Score of Four to One. Errorless Support is Given

Davidson, with Single, Scores One and Succession of Raps in Eighth Responsible for Three More Runs.

DES MOINES, July 3.—(Special Telegram)—Robinson was an enigma to Des Moines this afternoon and Omaha won hands down, 4 to 1. Thirty-one men faced the Rourke twirler in nine innings. The first man up was the only one to score, and he was walked and brought in by Reid's single.

Only twice was Des Moines dangerous. In the fifth Leonard tripled, with one out, but failed to count. In the ninth Hahn doubled and went to third on Coligan's single, with one out, but the spell could not be broken. Robinson was given errorless support.

Huston pitched a good game, but was given listless support. Errors were because numerous than the record show, because of indifferent fielding.

In the second Kane was hit by the pitcher and sacrificed to second by Scanlon. A passed ball put him on third and Davidson's single brought in the run.

There was nothing doing then until the eighth. Coyle led off with a single and Thomson struck out. Johnson doubled, scoring Coyle. Kane grounded out, advancing Johnson to third. Leonard's error scored the latter and made Scanlon safe. Niehoff's double brought in the third run of the inning.
