**\$10.00 for Suits Worth up to \$25**  
**\$13.95 for Suits Worth up to \$35**

No, sir, we don't want you to take our word for it. We want you to ask that man next to you in the office or shop where you work, the man you meet in your place of business or associate with day in and day out, just what this sale is. It's a safe bet that he has seen the stock and purchased—or if he hasn't he has a friend that has been here and left thoroughly satisfied with the biggest suit bargain he

ever had in his whole life. Better still, shop around town and see what you can buy for your money at other clothing stores and then come here and make your own comparisons. We will be satisfied with the answer. Reinforcements from the cancelled orders of the Bennett company that we purchased give the sale a new life and added vigor for Saturday's selling.
