ALDRICH TO WATER USERS

Governor Plans Tour of West Nebraska in Their Interest.

HOPES TO ROUSE INTEREST

Plans to Awaken Settlers to Necessity of Exercising Their Rights to Save Water from Wyoming Users.

(From a Staff Correspondent.)
LINCOLN, July 6.—(Special.)—Governor Aldrich, accompanied by his private secretary, Mr. Fuller, and State Engineer Price of the irrigation department, will leave Lincoln Sunday night for North Platte on a campaign of education throughout the northwest portion of the state in the interests of irrigation.

Governor Aldrich is anxious that the settlers in the northwest portion of the state should not lose their right to the water which belongs to them through neglect to exercise their rights. When Secretary of the Interior Fisher was in Lincoln some time ago Governor Aldrich took up the matter of irrigation in Nebraska with him and says that Mr. Fisher assured him that the Nebraska settlers on the lands under the big ditch would be accorded every right which was their own to the use of the water, but that they must look to it that they did not by their own negligence let their right lapse through nonuse of the water.

Wyoming interests are after the water, but as long as the Nebraska people exercise their rights the Wyoming people cannot use the water, only after Nebraska farmers have used what they need. The thing which bothers the governor now is that not knowling just what is necessary to be done in order to keep their right to the water, that the Nebraska users of the water will lose out through not knowing what to do. It is for the purpose of putting up a campaign of education that a special train will be sent out through the irrigation country next week to acquaint the people there of the need of exercising diligence in keeping within the requirements necessary to hold the irrigation privilege for Nebraska farmers.

Following are resolutions passed by the North Platte chamber of commerce, which give an idea of the importance of the present movement and which resulted in the special train being sent out by the Union Pacific railroad:

Whereas, it is the announced policy of the United States government to retain in the upper river states all water not now used and applied on the lands in the North Platte river valley, and to that end and purpose have caused a survey to be made showing the lands to which water has been applied; and

Whereas, the state of Nebraska, through its state board of irrigation has announced that applications for water made in the state and which water has not been applied to lands will likewise be cancelled by the state, and

Whereas, in the North Platte river valley ditches have been constructed from which little or no water has been applied to land and the applications for water belonging to said ditches will be cancelled and the priorities lost if same are not put in shape and water used; and

Whereas, there is much other land in the valley susceptible of irrigation from the North Platte river for which no application has been made, and unless an appropriation of water for such land is speedily made, river will be lost and the wealth lost to the valley and the state at large, and to the cities and towns in said valley; therefore be it

Resolved, by the North Platte Chamber of Commerce, that we call upon his excellency, Hon. Chester H. Aldrich, governor of the state of Nebraska, who has always been alive to the interest of the state, to do whatever is in his power to arouse the people of the North Platte valley to the danger that threatens them and that he be respectfully invited to make a number of addresses to the people of the North Platte valley on this important subject, and that the Hon. D. D. Price, state engineer, and other officers be also invited to accompany the governor and to give the people the facts in relation to the danger that threatens the people of the valley; and

Whereas, the Union Pacific railroad is likewise greatly interested in the prosperity of the valley and the development of irrigation therein, therefore be it further Resolved, that the said Union Pacific Railroad company be requested to furnish a special train to convey the governor and other state officials who may accompany him up its road in the North Platte river valley; and that said railroad company be requested to give whatever assistance it can to arouse the people of said valley to the danger that threatens the water supply of the valley.

MR. GRAF BUYS STALEY STOCK IN TECUMSEH BANK

TECUMSEH, Neb., July 6.—(Special.)—C. E. Staley, president of the Citizens National bank of Tecumseh, has sold his interest in the bank and his handsome new residence in Tecumseh to J. O. Graf, cashier of the Bank of Graf. Mr. Staley has accepted the position of secretary of the Bankers Mortgage Loan company of Omaha and will go to that city September 1 to assume his new duties. Mr. Staley came to Tecumseh from Pierre some four years ago. The bank here has prospered under his management. Mr. Staley has been active in the affairs of the city. He is the president of the Tecumseh Chautauque association and of the Tecumseh Commercial club. Mr. Graf has been associated with the Bank of Graf since its organization. He is also a prominent farmer and stockman.

SUTHERLAND, Neb., July 6.—(Special.)—Showers at intervals during the last several days have had the effect of materially benefiting the corn, oats and wheat crops. The dry land small grain will likely mature about a half crop. Corn is, of course, backward, but there is some hope of it doing something, provided the right amount of moisture is had from now on. The hay crop will be light.

Nebraska Democrats Will Meet July 30

LINCOLN, Neb., July 6.—(Special.)—The following call for the Nebraska democratic convention has been issued:

The democratic electors of the state of Nebraska are hereby called to meet in delegate convention in the city of Grand Island, Tuesday, July 30, '12, at 2 o'clock p. m. for the purpose of drafting a democratic state platform, the election of a democratic state committee, and the transaction of any other business which may properly come before the convention.

The representation in said convention will be based upon the vote cast for presidential electors in 1908, and each county will be entitled to one delegate for each 150 votes, or major fraction thereof, cast at said presidential election, and one delegate-at-large from each county, giving the several counties representation as follows:

FRANK HARRISON BRINGS RISE FROM THIRD PARTY MEN

(From a Staff Correspondent.)

LINCOLN, July 6.—(Special.)—Again Frank A. Harrison is to the front with a proposition to save the country. Mr. Harrison returned from the east yesterday where he had been conferring with political leaders and proposes that all republicans should join in an "on to Washington" movement which will bring harmony, peace and victory. He proposes that all republicans should make a concerted demand that both President Taft and Candidate Roosevelt step aside. Mr. Harrison suggests no candidate to take the place of either President Taft or Mr. Roosevelt, but can be counted upon to be willing to solve the question of who the man should be left to him to do so.

This announcement made in Mr. Harrison's paper yesterday caused a meeting to be held last night in which E. G. Magg, F. P. Corrick, Paul F. Clark, George A. Adams, C. Harpman and Don L. Love were the most conspicuous characters. The meeting seemed to be divided on Mr. Harrison's proposition, some of those present declaring that it could not be pulled off, while others were persistent that the third party movement was the only solution of the republican problem.

One interesting feature of Mr. Harrison's manifesto is that he asks "all self seeking or disturbing factions to step aside."

BURIAL OF THOMAS REGAN TAKES PLACE AT ALLIANCE

ALLIANCE, Neb., July 6.—(Special.)—The body of Thomas Regan, who died in a hospital at Lincoln, arrived here this morning. The funeral will be held Saturday morning, services at Holy Rosary church and interment at Alliance cemetery.

The coroner's jury in the case of Glen Garrison returned a verdict of death by apoplexy, evidence showing that the young man had been injured some years ago, leaving a piece of his skull pressing on the brain and some time later while in the marine service was taken to the hospital where an X-ray was taken and the fracture shown. The funeral was held today at the home of W. H. Swan and the body sent to Lincoln.

Patrick Welsh, living on a ranch near Bingham while riding a fast horse today, was thrown and had his right leg broken just above the ankle. He was brought to St. Joseph's hospital, Alliance.

STREET RAILWAY COMPANY APPEALS DAMAGE CASE

(From a Staff Correspondent.)

LINCOLN, Neb., July 6.—(Special.)—The Omaha and Council Bluffs Street Railway company has appealed to the supreme court from the district court of Douglas county wherein Lain McKennan of Omaha sued the street railway company for \$25,000 damages for alleged permanent injuries received near Twenty-fourth and Cumings streets, receiving a verdict of \$3,000.

McKennan claims that while driving along the track at the place mentioned above, a street car struck his wagon, throwing him out, breaking four ribs and otherwise injuring him in such a way that an operation was necessary in order to save his life. As it was he has sustained injuries which are of a permanent nature. The street car company sets forth that McKennan knew that the car was approaching and neglected to get far enough away from the track to let the car pass and that it was his own negligence which caused the accident.

Orkin Bros. Co. buys the ENTIRE Segerstrom Piano Stock at 50c on \$1.00

The largest, most important single transfer of pianos ever made in Omaha or Nebraska, was made when The Orkin Bros. Co. (formerly Bennett's) purchased the entire stock, business and fixtures of The Segerstrom Piano Co. Every piano in the stock of one hundred must be SOLD at any figure it will bring in THIRTY days.

A Stirring Sacrifice of 100 Pianos Commences Immediately at 19th and Farnam Sts.

Orkin Bros. Co. takes Segerstrom Business.

The Segerstrom Piano Co. leaves the Omaha retail field so as to be in a position to give more of its attention to its rapidly growing manufacturing plant. Anxiety to close out the Omaha retail interests of the Segerstroms in the shortest possible space of time, led to the selling of the entire stock to Orkin at FIFTY cents on the dollar. Orkin, in turn, will offer the pianos to Omahans at prices that will sell them the QUICKEST.

ORKIN BROS. CO.
Buys the Entire
Segerstrom Piano Stock

Makes that Give Feeling of Safety

There isn't a finer all around list of feature makes in the country than that of the Segerstrom Co. The "Knabe" heads the list, ably supported, however, by such premier makes as the "Haines Bros.", "Armstrong", "Foster & Co.", and others, to say nothing of the superb instruments turned out by the Segerstroms themselves. Any instrument you buy here now, no matter how low the price, is worthy of being guaranteed and Orkin will guarantee it.

Orkin Bros. Co. (Successor to the Bennett Co.) will start a New Piano Era with this selling

This Segerstrom piano purchase is merely an instance of how The Orkin Bros. Co. will change the trend of the piano business in Omaha; even a purchase of ONE HUNDRED pianos at a clip was NOT too large, because the purchase was a master stroke of merchandising. Now then, selling figures will be LOW enough to MOVE these one hundred pianos by Aug. 1st. Orkin's claim is this: No Omaha or any other western house has EVER offered you a chance to buy pianos as LOW as you may buy them during this forcing out of Segerstrom instruments. Inspect! See if the claim is RIGHT.

Suggest Terms of Your Own--most likely they will be accepted now.

KNABE

A slight reduction will be made on some discontinued styles of "Knabe" Pianos

The Segerstrom Co., in its Omaha retail store, has featured the excellent "Knabe" Pianos and Player Pianos and the present stock of twenty uprights and grands is an exquisite array indeed. Exquisitely designed; superbly toned instruments; all that critical ones could desire. Among the twenty are some discontinued styles which will be offered at a slight reduction. It's your opportunity if you seek a piano as good as the "Knabe."

Free Use of one thousand music rolls if you buy a player piano now.

A number of excellent, full sized 88-note Player Pianos were included in the 100 instruments sacrificed by the Segerstroms, and to move them swiftly Orkin propose to allow you the FREE USE of 1,000 rolls of player music during the year following your purchase. Just imagine what this means. Imagine what pleasure may be brought into your home when having free access to all of the new musical hits; ready to insert in your player and play. Look into THIS feature!

Please Note--This sale will take place at the Segerstrom Piano Co's. location--Corner 19th and Farnam Sts., Omaha, Nebraska.

GUARD GOING TO MANEUVERS

Adjutant General Sends Telegram Accepting Conditions.

FIRST REGIMENT PARTICIPATES

Vacancies in Company Ranks Will Be Filled by Companies from Seward Regiment--Many Apply for Pardons.

(From a Staff Correspondent.)
LINCOLN, July 6.—(Special Telegram.)—Adjutant General Phelps has sent a telegram to the War department, as follows: "The first regiment of infantry, Nebraska, will participate in the maneuvers at Pole mountain, Wyoming, July 28 to August 6, inclusive, subject to these conditions: "That the vacancies of two companies in this regiment be filled by assignment of like number of companies from the Second regiment. "That where companies are below minimum strength, enlisted men from the Second regiment be detailed thereto, and that the aggregate allotment to the state be \$20,000, as set forth in your letter of June 10."

The Nebraska guard has participated in maneuvers three times. The first time the Second regiment, in 1903, went to Fort Riley, and each company was recruited from the First regiment up to the full number. In 1906 and 1909 both regiments participated in the maneuvers at Fort Riley. It is understood that Colorado and Wyoming will not take part in the maneuvers this year.

DEATH RECORD.

Mrs. Rhea Pieper.
WEST POINT, Neb., July 6.—(Special.)—Mrs. Rhea Pieper, one of the best known pioneer women of Cumings county, died at the family home in Garfield township at the age of 72. She was the widow of Fritz Pieper, a pioneer settler, who died in 1909, and was a native of Mecklenburg-Schultz, Germany. She was the mother of six children, all of whom survive her, among them is Mrs. Fred Thietje, wife of the former county treasurer of Cumings county. Death ensued from the effects of a paralytic stroke which she suffered two years ago. Funeral services were held from St. Paul's German Lutheran church Friday, Rev. A. R. E. Oelschlaeger, pastor, officiating. Mrs. Pieper was highly respected in the community as a true wife and mother and a typical Nebraska pioneer woman. She had resided in Cumings county forty-five years.

Tom Kelley.
WEST POINT, Neb., July 6.—(Special.)—Tom Kelley of Blair, a half brother of W. A. McDonald, the veteran station agent at West Point, died on Friday last. Mr. Kelley had the distinction of pulling the first train into West Point in the fall of 1871. He was an exceptionally fine character, beloved by all who knew him. Of late years he had been retired from active service and had been in charge of the water works of the Northwestern railway at Blair.
