

COUNTY TAX LEVY TO BE LESS

Commissioners Expect to Make it 16 Instead of 17 Mills.

WATER WORKS TAX IS LOST

Estimate is Made on Expenditures in January and the Amount of the Levy Will Be Made This Fall.

County tax levy, which will be made by the Board of County Commissioners the latter part of August or early in September—whenever the State Board of Equalization completes its work—probably will be 16 mills on an assessed valuation of approximately \$46,000,000, the actual valuation of property in the county being in the neighborhood of \$27,000,000, according to the Douglas county equalization board. Last year's county levy was 17 mills.

Members of the Board of County Commissioners say they have not given the matter of the coming levy sufficient consideration to warrant their discussing it, but several of them said that the following figures probably will not be far wrong. They said the 1912 levy is almost sure to be lower than that of 1911.

MARQUARD MEETS WATERLOO

New York Pitcher, After Winning Nineteen Straight, Loses Grip.

IS FIRST DEFEAT OF SEASON

Phonon Holds Out During Six Innings and Tesreau Takes His Place, but Too Late to Win.

CHICAGO, July 8.—Pitcher "Rube" Marquard at last met his Waterloo today after winning nineteen straight victories. He was taken out after the sixth inning. Chicago winning 7 to 2 in the opening game of the series.

This is Marquard's first defeat of the season. His inability to fool the local men at critical times and errors by his teammates proved his undoing. He was opposed by James Lavender, a recruit, who, backed by the heavy, opportune hitting of the Chicago players, had little difficulty in keeping his team in the lead. Lavender allowed five hits, which were bunched in two innings. Marquard gave way to Devore in the seventh to allow the outfielder to bat and Tesreau was sent in to pitch. Score:

RICHARDS WINS HIGH JUMP

Man from Utah Makes New Olympic Record at Stockholm.

YANKEE TEAM IS DISQUALIFIED

Belote Changes the Stick Out of Bounds and Americans Lost the Four Hundred-Meter Relay Race.

STOCKHOLM, July 8.—To the great chagrin of American spectators at the Olympic games today, the "Yankee" quartette in the 400 meter relay race, was disqualified because F. V. Belote of the Chicago Athletic association, in passing Clement H. Wilson of Cornell at the second relay of the semi-final, "changed the stick" out of bounds. The disappointment was the greater because Cooke of Cleveland led W. R. Applegarth, the last runner of the British team, by ten feet at the finish and because the time, 4:34 seconds, best of meeting for the event—showed that the United States stood a great chance to win the race in the final. As it is, Great Britain will take the Americans' place.

Westerners cheered lustily when Richards of Brigham Young university took first place and Horine of Leland Stanford took third place in the running high jump. Richards' mark was 133 centimeters, a new Olympic record.

There is considerable feeling by the German team over the fiasco of last night in the 100 meters swim, free style. Bretting took the heat last night in the semi-finals so the Germans considered it was their victory and were not pleased when it was announced today that the semi-finals would be run over with the Americans participating. They think the manager of the American team was careless in failing to have his men ready and that his protest was not justified.

The United States, Germany and Austria, whose men are engaged in the contest are to decide on the date. The American jury men decline to say whether the vote on running the event again was unanimous.

In the final running high jump Almen W. Richards of America, with his jump of 133 centimeters (a little over 4 feet 4 inches), beat the Olympic record of 6 feet 3 inches made by Porter, American, at London in 1906. Liesche, Germany, and George L. Horine, Leland Stanford university, by jumping 121 centimeters, also beat the record.

How They Finished. Summaries: 10,000 meters walk, first heat: George Goulding, Ontario, Canada, first; E. J. Webb, England, second; A. Pasmussen, Denmark, third; F. Altman, Italy, fourth; W. J. Palmer, England, fifth. Time: 47:14.

Standing broad jump: C. Tsolotaros, Greece, first, 3 meters 37 centimeters; Platt Adams, New York Athletic club, second, 3 meters 36 centimeters; Benjamin W. Adams, New York Athletic club, third, 3 meters 28 centimeters.

Running high jump: At 133 centimeters Liesche, Germany, and George L. Horine, Leland Stanford university, cleared the bar at the second attempt, and Almen W. Richards, Brigham Young university, cleared the bar at the third. Eason R. Eason, Mott-haven Athletic club, and James Thorp, Carlisle Indian school, failed. At 121 centimeters Liesche cleared the bar at the second attempt and Horine and Richards at the third.

Running high jump, final: Almen W. Richards, Brigham Young university, with a jump of 133 centimeters. Liesche, Germany, was second and George

Walla Walla Mayor Gives Ump a Chance For His White Alley

WALLA WALLA, Wash., July 8.—Banishment from the game, exile to the clubhouse or occasional fines do not appeal to Mayor A. J. Gillis of Walla Walla as the most effective methods of stopping umpire batting. He has applied a more forceful deterrent.

Mayor Gillis attended the game between Pendleton and Walla Walla of the Western Tri-State league yesterday. The jeers and protests of the players over the work of the umpire did not please him and he instructed the chief of police to arrest today any player who protested a decision on a charge of disturbing the peace.

A keen-eyed officer was stationed before the grandstand at today's game and if there were any protests they were no louder than a whisper.

Chambers Makes a New Record for the Field Club Course

Amateur records for the Field club course were smashed Sunday afternoon when W. N. Chambers negotiated the eighteen holes in 72, beating the former mark of 73, set by Sam Reynolds, state champion.

Chambers' card was 11 up on bogey and 5 lower than par, 77. He made the outside nine holes in 37, and came in stronger than ever with a 35. He was playing with Jack Hughes, "King" Denman and James Blakeney.

The Field club man cut par on the second, fourth, ninth, eleventh, fourteenth and fifteenth holes. His drives were well placed and he holed his putts like a second Tom Morris after a trophy cup.

Jack Hughes also tried hard to make a record, and had it not been for some hard luck putts he would have finished close up to Chambers. As it was he made a 75.

Weather conditions were ideal for the sport Sunday afternoon and about forty golfers were busy on the links.

By the time Chambers was half way around the inside Sunday visitors heard of the great game he was playing and when he reached the eighteenth hole a good sized gallery was on hand.

Following is the new record made by Chambers:

Eisenhart, twirled magnificently for the A. O. U. W., striking out nine and allowing only one hit. Fenry and Wright pulled off the stellar features for the Omaha lads in the outfield and Woodruff and Lightwell the heavy gears with the wagon tongue.

The A. O. U. W. boys have completed arrangements to play the locals a series of games on September 1 and 2. The second is Labor day. Score by innings:

1613 Dayton St., Chicago, Ill.—"My face was very red and irritated and was covered with pimples. The pimples festered and came to a head. They itched and burned and when I scratched them became sore. I tried soap and they would not stop the itching and burning of the skin. This lasted for a month or more. At last I tried Cuticura Ointment and soap. They took out the burning and itching of the skin soothing it very much and giving the relief that the others failed to give me. I used the Cuticura Soap and Ointment about three weeks and was completely cured." (Signed) Miss Clara Mueller, Mar. 14, 1912.

Bluffs Cubs Shut Out by Blatz Team

In one of the best games played at the Merchants park the Blatz team of Omaha broke the winning streak of the Council Bluffs Cubs by defeating them in a shut-out game by the score of 9 to 0. Karbowksi, who was on the mound for the Brewers, pitched gilt-edge ball, not a hit being made off his delivery and only one man getting as far as second base. The Brewers were in the best of form and played good ball behind their great star artist.

Belville also twirled a good game for the Cubs, but ragged support by his teammates put him in many bad holes. He allowed the Blatz men ten hits and struck out eight, while Karbowksi made ten of the Cubs go by the long route. The Blatz team started scoring in the first inning by sending three men across the plate. Three more were made in the second and three in the third and after that the Brewers were blanked. The only chance the Cubs had was in the third inning, when the first man up walked, but the next batter knocked into a double play and that was the Cubs' last hope. McCoy played a star game in the field for the Cubs, while Gillespie and Charquist divided the batting honors for the Blatz.

Next Sunday the Blatz are without a game and would like to battle with some fast team. For games call Roy Stacy at South 1238. Score of yesterday's game: Blatz 9, Cubs 0. 3 3 0 0 0 0 0 0-9. Cubs 0, Blatz 9. 0 0 0 0 0 0 0 0-0.

Earned runs: Blatz, 3. Two-base hits: Minikus, Gillespie (2). Bases on balls: Off Karbowksi, 1. Struck out: By Karbowksi, 10; by Belville, 8. Left on bases: Blatz, 7; Cubs, 3. Double play: Minikus to Charquist. Time: 1:15. Umpires: Gillespie and Evans. Scorer: Blossie.

To Have Perfect Skin Throughout the Summer

(From The Guide to Beauty.) These days the face, neck, arms and hands need special care and attention. Flying dust and dirt, the heating sun, are severe on any skin. Their despoiling effects are best overcome by the application of pure merozilized wax. This keeps skin and pores in a cleanly condition, the complexion beautifully white and spotless. Tan, freckles, blotches and roughened cuticle are actually absorbed by it. One ounce of merozilized wax, obtainable at any drug store, is sufficient to completely renovate a soiled complexion. It is used like cold cream, allowed to remain on over night, and washed off in the morning.

As the skin tends to expand in warm weather, cheeks and chin to sag and wrinkles to form, a good astringent lotion should be used. Dissolve one ounce powdered saxolite in one-half pint witch hazel. Bathe the face in this morning or before going out for theater or social affairs. It is a remarkable skin tightener and wrinkle eraser.
