Schmidt Pharmacy

Located at Corner of 24th Street

is one of the Cuming street landmarks.

Mr. Schmidt is educated as a pharmacist, from the ground up; a graduate of the Dept. of Pharmacy, University of Illinois, and has been engaged in the drug business continuously for 33 years.

He established the business at his present location 24 years ago, and by the persistent application of the principle of giving the public quality, service and price, has built up one of the best retail drug businesses in the city.

He is officially connected with the American Drug Syndicate and the National Association of Retail Druggists and served for five years as a member of the State Board of Examiners in Pharmacy.

The prescription business, representing scientific pharmacy, has always been his hobby, and one of his invariable rules is to have a competent registered pharmacist in charge of the prescription case at all times.
