BLAIR, Neb., July 21.-(Special Telegram.) - Saturday's republican convention in Washington county endorsed the regular candidates of the republican party, both state and national. It also marked the defeat of Editor Van Deusen of the Blair Pilot, who has been one of the foremost progressive republicans in the recent

movement. His own ward turned him down, by more than two to one, for a seat in the county deliberative body after he served as alternate to the national convention in Chicago.

Progressive delegates were much in the minority at the meeting and the defeat of Mr. Van Deusen, the foremost champion of their cause in Washington, will be a severe blow to the bull moose elment in this section.

The convention was called to order at the court house this afternoon by John White, chairman of the central committee. There was a good attendance, all

of the precincts in the county being represented except one. W. D. Haller was elected chairman of the convention and Editor F. L. Fassett of the Herman Record, secretary.
