

SEE-SAW GAME TO SEWARD

Hot Contest, Though Score Runs Up High.

FREMONT LOSES BY ONE RUN

Superior Draws Cipher in Contest with Grand Island, Third City Piling Up Four Runs.

SEWARD, Neb., July 24.—(Special Telegram.)—The Seward-Fremont game furnished excitement throughout its progress. The scoreboard showed a see-saw from inning to inning. Henry's hitting featured, he securing five hits out of five times up. Poor umpiring of Brown on strikes and balls and the errors of the home team were characteristics. Score:

Table with 2 columns: Team, Score. Rows for Seward and Fremont.

Blank for Superior

SUPERIOR, Neb., July 24.—(Special Telegram.)—Superior lost again today in a well played game by the score of 4 to 6. Bunched hits at opportune times were responsible for the visitors winning. Score:

Table with 2 columns: Team, Score. Rows for Grand Island and Superior.

Here he Up in Balloon

KEARNEY, Neb., July 24.—(Special Telegram.)—Kearney everlastingly hammered Here he in today's game. Getting twenty-two runs off him in the eight innings he pitched before being relieved by Tacke, who ended the game.

For the first three innings the game was close, both pitchers showing early symptoms of ballooning, but Trimble settled and pitched a steady game. Score:

Table with 2 columns: Team, Score. Rows for Hastings and Kearney.

Columbus Climbing

COLUMBUS, Neb., July 24.—(Special Telegram.)—Columbus jumped into second place today by defeating York in one of the best games of the season. It was a pitchers' battle for ten innings in which Fulwider had the best of it, allowing York only ten hits in the ten innings and one of them scratchy.

Hargis tied the score in the seventh with a home run and Bacon won it in the tenth with a clean single. Bacoms' playing at first was the feature as his work there was nothing short of marvelous.

Wilkins, for York, pitched good ball, but his support was not the best. By the addition of Fulwider and Bacon the Pawnees have been strengthened wonderfully. Score:

Table with 2 columns: Team, Score. Rows for York and Columbus.

SLOW TRACK PREVENTS FAST TIME AT FREMONT

FREMONT, Neb., July 24.—(Special Telegram.)—The second day of the races brought out the better crowd. The track near the home stretch was heavy and fully two seconds slow.

In the 2:18 pace Franklin Pierce was closely pushed by Buzz and Ancona in the first heat, and in the second heat the three leaders came under the wire almost together.

Tommy Horn took the 2:34 trot without being pushed. In the second heat he led Gladolia by ten lengths in the last half and had it not been for the heavy track in front of the grandstand would have cut it at least two seconds. In this race Louise broke badly in the second quarter but by a wonderful burst of speed escaped the distance flag.

Five heats were necessary to decide the 2:34 trot, which was the best race.

Teddy K took the first two heats of a hard-fought fight with Hentolus and Piper, with the Allerton horse close up. Hentolus took the third and fourth heats, but the pace was too fast and Teddy K won the race. Summary:

Table with 2 columns: Race Name, Winner. Rows for various races.

Burglars Caught With the Goods

Le Roy Mitchell and James Thompson, colored, were arrested by Detectives Dunn and Fleming at noon yesterday for robbing the home of U. Gianakas, 1418 Leavenworth street, July 12. The two men stole \$120 and a gold watch from this place. When arrested Mitchell had the pawn ticket for the watch.

The two thieves spent the money for new clothes. They are thought to have been responsible for the many strong arm holdups in the last few months.

MERRIAM REFUSES TO ACT ON NOTIFICATION COMMITTEE

Nathan Merriam of Omaha, one of the delegates at large at the republican convention at Chicago, has been notified by the secretary of the convention that he was designated as the man to represent Nebraska on the committee appointed to notify President Taft of his renomination. Mr. Merriam has declined to serve on the committee. In a letter to the Secretary of the republican national convention, Mr. Merriam said, in part:

"I was elected a delegate-at-large by the people of Nebraska to the national convention on account of the strong position I took against Canadian reciprocity, Mr. Taft's favorite policy. I was elected a Roosevelt delegate. I was one of the large number of delegates who refused to vote for president at the Chicago national convention on account of existing conditions. I participated in the Orchestra hall convention at that time which nominated Theodore Roosevelt for president. I was strong for Mr. Roosevelt then, and have not since changed my mind for one moment. My actions at Chicago met the hearty approval of the people of Nebraska. I have fully appreciated the high honor of being elected as a member of your honorable committee; and in declining to serve I fully realize that I am foregoing what otherwise might have been a great pleasure to me.

"I hasten to reply by wire in order that you may have plenty of time to select someone else to represent Nebraska on your notification delegation who would be delighted to take my place, and at your suggestion I should be pleased to give this information—the only manner in which I can serve you at this time."
