

BUSINESS CHANCES

FOR SALE—Splendid small power job printing office in Omaha. This place is doing a business of more than \$5,000 per year, having connection with local firms which keeps plant running to more than full capacity. The owner is physically unable to look after the work and desires to sell to enable him to devote time to his other work. This plant is practically all new and is equipped with an automatic press, another small press, motor, etc., and is in excellent shape. The business connection alone is worth what I am asking for the plant. I want \$1,500 for plant, good will, and fixtures, but a bona fide proposition, and a good printer can save \$1,000 out of this \$2,500 business. J. E. Morehouse, 3001 N. 24th St.
