MANY ARE ANXIOUS TO TEACH

Applicants for Teachers' Certificates Appear and Take Examination.

HUNDRED AND TWENTY ON HAND

Indications that Schools of Pottawattamie Will Be Supplied with Instructors Next Year.

If all of the applicants for teachers' certificates who took the examinations at the special course at the high school, which closed yesterday afternoon, have submitted work that will pass the investigation of the State Board of Examiners, the roll of Pottawattamie county teachers will be increased by about 100. The examinations have been under way for the last three days. A class of 120 submitted to the tests at the regular examination in June, and about 55 per cent of them were successful. This made necessary the second examination to prevent a number of the district and village schools in the county going without teachers during the year.

Among the applicants were several from Omaha and Nebraska who contemplate teaching in this county during the year. There was also a number of persons who had prepared themselves for teaching by taking courses in training schools and colleges. Following is the roster of applicants:

Luxus Will Play Merchants Sunday

The Luxus will be seen for the first time in Council Bluffs this season when they tackle the Council Bluffs Merchants base ball team at Athletic park, Broadway and Thirty-fourth street, Sunday, the game starting at 3 o'clock. The Luxus were formerly the Omaha Americans and always put up a good article of ball. Pat Denny, a come back, will probably do the twisting for the Luxus, while "Hells" Bogats will hurl the ball for the locals. The Merchants are now going good having won a majority of the games they have played so far. A preliminary game will be played between the Stols and the Cubs for fifty dollars. The Stols nine was a 200 game last Sunday from the Ramblers. The first game will start at 1:30 p. m. Following is the lineup of both teams.

Chicago Graduate to Talk Socialism

Otto Beniger, a graduate of the University of Chicago, and state organizer of the socialist party in Wisconsin, will speak on the streets here tonight. His theme will be "Why Socialism is Inevitable." He is said to be a thoughtful and brilliant young German whose whole soul is in the work of advancing the higher ideals of socialism. He will speak at Sixth street and Broadway at 8 o'clock.

POLICE FAIL TO IDENTIFY BROWN, KILLED BY WIFE

The report that William M. Brown, the Union Pacific fireman, who was shot and killed by a wife at Laramie, Wyo., was furnished by Council Bluffs man, could not be verified from any authoritative source yesterday. The press report of the tragedy said that the Browns were

Council Bluffs

to Laramie from Council Bluffs about three years ago. The name does not appear in any of the city directories issued in the last three years. There are innumerable Browns and several William M.'s, but they are still here and enjoying good health. One William M. Brown is a colored man and is a porter on the Union Pacific.

Johanas Lightens Labors of James

A. W. Johanas has lightened the labors of Rural Mail Carrier James. The first station on his route, extending out over the line to Creasent is located at the head of Harrison street. There are eight rural mail boxes there. Each box has long been attached to a separate post and it has taken a long time to distribute the mail. Yesterday when Carrier James reached the point he found the posts had disappeared, and in their place stood a post of easy access from the road. The post was a strong iron wagon axle and on the top of it a wagon wheel had been attached and all of the eight boxes were fastened securely to the wheel. The carrier can now drive up and reach the boxes by revolving the wheel, saving him a great deal of trouble and much time. The device was put up by A. W. Johanas, who lives near and it was wholly at his own expense.

FORMER BLUFFS PASTOR INJURED IN ACCIDENT

The press reports yesterday afternoon announcing the dangerous automobile accident in which Rev. Harvey Hostetler and Mrs. Hostetler were involved, created much apprehensive interest here, where both are well known. For a number of years prior to 1906 Rev. Mr. Hostetler was pastor of the Second Presbyterian church. At the close of his pastorate he temporarily left the ministry and engaged in other professional work. No additional information was received yesterday. The press telegram announced that Mr. and Mrs. Hostetler were traveling in an automobile from Laporte to Park, Ind., and when near Silver Lake their machine skidded and turned completely over, throwing Mrs. Hostetler against a barbed wire fence and pinning Mr. Hostetler under the steering wheel. Mrs. Hostetler received a number of painful cuts, but Mr. Hostetler was more seriously injured. It was feared he was hurt internally. A number of telegrams were sent by friends here yesterday.

Complaints made to the police against the Bell family residing at 320 Avenue A, were investigated last night by Probation Officer Herber and Mrs. Johnson, chairman of the board. The charges are conditions to be such as not to require public assistance. The report that the husband and father had deserted the family were absolutely denied by Mrs. Bell, who said that herself and six children were being fairly well provided for.

Banker's Wife Runs Away with Servants

SAN FRANCISCO, July 27.—Nicholas J. McNamara left his home in San Mateo, a fashionable suburb early tonight, on receipt through private channels of the news that his wife had been found in New York and that Mrs. Perkins, her gardener and chauffeur, had been arrested. He has not been in communication today with the police and all efforts to find him have failed. Friends believe that he came to San Francisco to spend the night and that he will leave tomorrow morning for the east on the first fast train. Gladys McNamara, the eldest daughter, who returned from school abroad after her mother had left, is with her father. His first desire is to win back his wife, who, he is persuaded, in different companionship can be induced to forget their estrangement, brought about, he says, by an influence he does not understand. The charges against the servants were filed chiefly in the hope of tracing their mistress and may be dropped.

NEW YORK, July 28.—Mrs. Clara M. Perkins, housekeeper; Frederick E. Patterson, chauffeur; and Patrick Walsh, valet, former employees in the household of Nicholas J. McNamara of San Francisco, were arrested here last today, charged with grand larceny and being fugitives from justice. Mrs. Margaret McNamara, wife of the banker, with her two children was present when the arrests were made.

Mrs. Corey had recently been living with her daughter, Mrs. Robinson, here. She is survived by one daughter, Mrs. George A. Robinson of this city, and three sons, Grant Corey of this city, John Corey of Ravenna, Neb., and Joseph Corey of Council Bluffs, Neb. Funeral services were held yesterday morning at 10:30 o'clock, the Rev. J. T. Jones officiating. The body will be taken this afternoon to Ashland, Neb., for burial. She was a consistent member of the First Congregational church.

GLENWOOD—County Superintendent Masters, assisted by Prof. Morgan of the Glenwood school, is holding July examinations for county teachers' certificates at his office in Glenwood this week.

SHEPHERD—Lou Riggins, a carpenter, was fatally injured Thursday, when he fell eighteen feet from the roof of a barn he was working on and alighted on a pile of lumber. His death was caused by the heat made him faint.

MARSHALLTOWN—A local dealer today paid to Little Big Bear, an Indian of the Mookwak reservation near Tama, \$800 for a plum tree, which he weighs 38 1/2 grains. The Indian found the tree in the Iowa river near Iowa City.

GRINNEL—Mr. and Mrs. William McDowell and ten children compose the family at Oak Grove, five miles south of this city, where typhoid fever has already struck seven members. Tuesday morning a daughter aged about 15 years died, and before noon the mother also passed away.

GLENWOOD—The Mills County Board of Supervisors awarded the contract for all the material for steel bridges to be used in the state from July 1 to 31, 1912, to the Standard Bridge company of Omaha. This company has had this contract for three years. The prices paid for material this year are thought to be unusually good.

WEBSTER CITY—The lowest bidder on the proposed \$80,000 dam projected by the City of Webster, Iowa, is Joseph J. Sullivan & Zitterell of this city. The matter of the construction of this immense municipal project will be submitted to the voters at the next election, which time the proposition to levy \$80,000 in bonds will be voted upon.

During this period County Auditor Peterson has received \$100,000 and \$100,000 in that kind of bonds will be issued.

GLENWOOD—Burglars went through the business houses of the Kellogg Drug company, Foster Lumber company, Kreen & Co., Johnson & Price and Lou Gannon at Pacific Junction last night. The work was apparently that of good men. The amount secured was small. Will De Mosa's baby hounds were given their first training at the Glenwood track-makers, but the unusual number of curious people that had made investigations around the buildings made the work difficult for the dogs. The dogs are owned and were trained by Mr. De Mosa of Glenwood. They have shown well in trials against made-up people trying to make a getaway from him.

"Further, we do not believe that any man can with justice to himself, or to the republican party, continue as a candidate of the republican party and also favor success of an opposing national party or its candidate for the presidency. Hence we urge all republicans to support the common cause against the common enemy. "The delegates from Burt county to the state convention are instructed to use their every effort to maintain the integrity of the party, and support as ticket as nominated at the national convention of the republican party."

SENATE PASSES EXCISE BILL

Democratic and Progressive Republican Again Unite. ADD PERMANENT TARIFF BOARD Measure Will Go Back to House for Approval, with Amendment for Repeal of Reciprocity Agreement.

WASHINGTON, July 27.—Democrats and progressives united again in the senate tonight and by a vote of 36 to 18 passed the democratic excise tax bill, extending the present tax on corporations to the business of individuals, private firms and copartnerships. Attached to the measure, also by the aid of republican votes, were amendments for the repeal of the Canadian reciprocity law and the fixing of a 2 per cent tariff on print paper, and for the establishment of a permanent nonpartisan tariff commission. The second day's victory for the democratic-progressive combination came after a debate lacking in interest. The passage of the excise bill became certain early in the day and the republican leaders offered little opposition to it. Senator Borah in a fight to have his income tax bill substituted for the "tax on business" lost by a vote of 33 to 23, although he mustered to his support many of the regular republicans and four democrats—Ashurst, Cullerton, Hitchcock and Martin.

Refuse to Change Bill. The democratic majority stood almost solidly against any change in the house bill that would threaten its defeat. They declared the "tax on business" was clearly constitutional, while an income tax had once been held unconstitutional by the supreme court, and might again suffer that fate, unless the states ratify the amendment to the federal constitution. The excise bill was supported by the following progressives and insurgent republicans: Bourne, Bristow, Clapp, Crawford, Cummins, Gronna, Jones, Kenyon, La Follette, Nelson, Poindexter, Townsend and Works.

The measure was changed from the original house bill only in minor particulars, except for the addition of the Canadian reciprocity repeal and the permanent tariff commission provision. It will go back to the house for the approval of that body, and it is believed an agreement soon will be reached, so that a perfected measure can be laid before the president for his approval. The excise measure would levy upon all persons, firms or copartnerships an annual tax equal to 1 per cent of net income in excess of \$5,000.

Senator Cummins' permanent tariff board amendment, which was carried over yesterday in the wool fight and then lost in the final upheaval when the La Follette bill was passed, was attached to the excise bill by a vote of 38 to 22. All of the democrats except Fomereau of Ohio voted against the tariff board, while all of the republicans except Heyburn of Idaho supported it.

Labor Unions Exempt. The senate made a change in the excise bill so that the tax would not apply to labor organizations, agricultural association or fraternal organizations of an insurance character. This amendment was offered by Senator Fletcher. A plan to check the tobacco monopoly by a special excise tax on production under a certain amount, offered by Senator Hitchcock, was defeated.

The Hitchcock proposal was a special tax on the production of more than 20,000,000 pounds of tobacco, 400,000,000 cigars, the same number of cigarettes, and 4,000,000 pounds of snuff by any one company. For an annual production above this quantity the tax would rise rapidly, so that it would soon become prohibitive. Senator Hitchcock declared such a taxing system would curb a tobacco monopoly which the government had failed to do through a "mistake, lack of judgment, connivance or in some other way."

Stanton Institute. STANTON, Neb., July 27.—(Special.)—Arthur L. Burnham, county superintendent, is making grand preparations for the Stanton county teachers' institute, which will be held in the assembly room of the

Stanton high school during the week beginning August 28. At present he has secured as instructors the following: Prof. Fred M. Hunter of the state university and Miss E. Ruth Pyrtle of the Lincoln public schools.

Waiter Identifies Two Men Present at Rosenthal Murder. NEW YORK, July 27.—Testimony that "Bridgie" Webber, in whose gambling house the murder gang which killed Herman Rosenthal is said to have congregated for the assassination, and Jack Sullivan, alleged go-between for certain of the police and gamblers, were in front of the Hotel Metropole at the time Rosenthal was slain, was given in coroner's court this afternoon. Following these statements, Sullivan, who has been held as a material witness, was re-arrested on August 15. Louis Crese, a waiter, testified at the hearing that he saw the assassination. Two men sat in the "murder car" while four others who stood nearby shot Rosenthal down as he came from the hotel. Crese identified Webber as one he had recognized on the scene and pointed out Sullivan as having been there there immediately after the shooting.

John Reiser, known in the tandlerlon as "John the Barber," testified that he had seen Webber near the Metropole after the shooting and that "Bridgie" was running. Mayor Gaynor took a decided stand today in the turmoil that has arisen over the inquiry. He wrote to Police Commissioner Waldo directing that Lieutenant Becker, who was charged by Rosenthal with being in league with the gamblers in this city, shall not be suspended or put to trial without evidence to justify his conviction and dismissal. On the "other charge" that Becker instigated the murder of Rosenthal, the mayor said:

"This is possible, but so far there is no evidence to support the charge." "Fatsman" William E. Fife, who was in the Metropole at the time of the murder, was served with charges that he failed to take proper action in causing the apprehension of the murderers.

Notices of Contests Filed at Lincoln (From a Staff Correspondent.) LINCOLN, July 27.—(Special.)—That the republican state central committee will have work on its hands when it meets in Lincoln Monday is evidenced by the fact that already Secretary Allen has received notice of contests from five counties, and there may be more coming. The counties which have already given notice are: Douglas, Lancaster, Jefferson, Harlan and Boyd.

A. W. Moon of Loup county has notified Secretary Allen that there will be no delegation from that county. It is the general opinion that should the state committee, which is strongly regular, seat the Taft delegation, that the state convention, which is strongly bull moose, will unseat them and that the state convention will be the Chicago convention in miniature, with the bull moose in the saddle instead of the regular republicans.

BROTHER IS HELD IN JAIL AWAITING RESULT OF STAB. AUBURN, Neb., July 27.—(Special.)—Marion West, who was badly stabbed by his brother, Lee West, is still alive and there is some hope of his recovery, but the chances are decidedly against him. Lee is in the county jail, but no charge has been preferred against him on account of the uncertainty of the result. Lee West is unmarried and boarded with his brother, who has a large family. On the day of the difficulty Lee had been drinking and Marion chided him for it and stated that if he would leave drink alone he would be able to pay his board. This remark angered Lee and a fight ensued, resulting in Lee plunging a large pocket knife into his brother's chest.

The Hitchcock proposal was a special tax on the production of more than 20,000,000 pounds of tobacco, 400,000,000 cigars, the same number of cigarettes, and 4,000,000 pounds of snuff by any one company. For an annual production above this quantity the tax would rise rapidly, so that it would soon become prohibitive. Senator Hitchcock declared such a taxing system would curb a tobacco monopoly which the government had failed to do through a "mistake, lack of judgment, connivance or in some other way."

Waiter Identifies Two Men Present at Rosenthal Murder. NEW YORK, July 27.—Testimony that "Bridgie" Webber, in whose gambling house the murder gang which killed Herman Rosenthal is said to have congregated for the assassination, and Jack Sullivan, alleged go-between for certain of the police and gamblers, were in front of the Hotel Metropole at the time Rosenthal was slain, was given in coroner's court this afternoon. Following these statements, Sullivan, who has been held as a material witness, was re-arrested on August 15. Louis Crese, a waiter, testified at the hearing that he saw the assassination. Two men sat in the "murder car" while four others who stood nearby shot Rosenthal down as he came from the hotel. Crese identified Webber as one he had recognized on the scene and pointed out Sullivan as having been there there immediately after the shooting.

John Reiser, known in the tandlerlon as "John the Barber," testified that he had seen Webber near the Metropole after the shooting and that "Bridgie" was running. Mayor Gaynor took a decided stand today in the turmoil that has arisen over the inquiry. He wrote to Police Commissioner Waldo directing that Lieutenant Becker, who was charged by Rosenthal with being in league with the gamblers in this city, shall not be suspended or put to trial without evidence to justify his conviction and dismissal. On the "other charge" that Becker instigated the murder of Rosenthal, the mayor said:

"This is possible, but so far there is no evidence to support the charge." "Fatsman" William E. Fife, who was in the Metropole at the time of the murder, was served with charges that he failed to take proper action in causing the apprehension of the murderers.

Notices of Contests Filed at Lincoln (From a Staff Correspondent.) LINCOLN, July 27.—(Special.)—That the republican state central committee will have work on its hands when it meets in Lincoln Monday is evidenced by the fact that already Secretary Allen has received notice of contests from five counties, and there may be more coming. The counties which have already given notice are: Douglas, Lancaster, Jefferson, Harlan and Boyd.

A. W. Moon of Loup county has notified Secretary Allen that there will be no delegation from that county. It is the general opinion that should the state committee, which is strongly regular, seat the Taft delegation, that the state convention, which is strongly bull moose, will unseat them and that the state convention will be the Chicago convention in miniature, with the bull moose in the saddle instead of the regular republicans.
