W. H. Thompson was introduced. Long continued applause greeted his rising. 'What's the matter with Thompson? He's all right,' rang again and again. He spoke at length along democratic lines.

Resolutions Committee. The committee on resolutions appointed by Chairman W. H. Thompson was as follows: H. H. Hanks, chairman. Nebraska City; First district, R. L. Metcalfe, Lincoln; Second district, J. C. Dahman, Omaha; Third district, Otto H. Zacek, West Point; Fourth district, Matt Miller, David City; Fifth district, Fred W. Ashton, Grand Island; Sixth district, James R. Swain, Greasy Center.

BRYAN MEN GET MOMENTUM Morning Hours Spent by Delegates in Fighting for Position. (From a Staff Correspondent.) GRAND ISLAND, Neb., July 30.—(Special Telegram.)—At 1:30 this afternoon, just before the time for the opening of the democratic state convention Charles Bryan, chairman of the Lancaster county delegation and head of the Bryan element of the convention said: 'I see no change in the situation. It still looks as though we would have about 350 or 400 votes for chairman and for the Bryan resolutions. We have met the various candidates for state offices throughout the morning, but nothing has developed in regard to them.'

Douglas Threatens Bolt. A large part of the Douglas delegation paraded the streets at 1:30 carrying their banners and singing 'Johnnie Byrnes, Johnnie Byrnes.' They paraded to his room and gave him an ovation there. It is now rumored that J. C. Dahman will walk out of the tent with his delegation if J. C. Byrnes is defeated for state chairman, no matter who is elected in his place. With less than a half dozen counties still to hear from there is not a contestable delegation.

Douglas County Active. Many of the Douglas county delegation, notably Charley Fanning, declare that the Bryan faction expects to have Mr. Thompson as chairman of the convention to appoint the members of the resolution committee, thereby getting a committee that will draw up the pro-Bryan resolutions.

Aldrich Elected Chairman He Refuses to Enter into Motion and Taft Men Leave Hall. (From a Staff Correspondent.) LINCOLN, July 30.—(Special Telegram.)—At 3:30 Chairman Kennedy entered the Auditorium and called the convention to order. He called on Rev. J. H. Preston, record clerk in the office of Governor Aldrich, to deliver the invocation. He asked for a square deal and an honest purpose.

ing this morning the Bryan forces claimed to have the lead and estimating the vote of the eight as 57 to 34 in their favor. It is held by the anti-Bryan faction, however, that the pro-Bryan people are counting the votes too fast, as they have Cuming county, for example, tabled for twelve votes straight for their side, while it is definitely known that the county did not instruct and that the delegates are bitterly divided. Other uninstructed counties where there is a division of sentiment are known to be counted by the Bryan element as solid for them.

ALDRICH DRIVER OF STEAM ROLLER USED ON TAFT DELEGATES (Continued from First Page.) every effort of any Taft delegate to gain recognition. Governor Aldrich seemed to enjoy his job of running the roller over the Taft crowd and pulled the throttle wider open that the speed might be greater.

was some time before Chairman Kennedy could restore order and it was with considerable interruption that Judge Searle finished his speech and placed in nomination J. L. Kennedy, but Mr. Kennedy declined and Governor Aldrich was elected by acclamation.

Program Goes Nicely. J. G. Schaeble and Charles Seala were selected as secretaries. Judge Epperson moved that the chairman appoint a committee of seven on credentials. Judge Searle moved that no man be selected on the credentials committee unless he is supporting all the candidates of the republican party.

Committee Had Instructions. On motion of a delegate the further reading of the roll call was dispensed with except those counties where contests have been filed and that the report of the credentials committee be accepted relating to the contestants. Several suggestions were made as to what the credentials committee should do, but Chairman Aldrich announced that the committee knew what to do and there need be no worry.

Clark Wanted Corrick. Paul Clark of Lincoln moved that the convention recommend to the state central committee that when they elect a chairman they select P. P. Corrick of Lancaster for that position. Two or three delegates objected to the motion and McConough of Holdrege urged that the committee be very careful in the selection of a chairman and not elect anyone who could not do something in the way of harmony. His statement was applauded and Mr. Clark withdrew his motion.

Committee on Resolutions. A committee on resolutions was appointed from the prepared program in the hands of the chairman as follows: C. C. Flansburg, Lancaster; I. D. Evans, Adams; W. D. Hartwell, Pawnee; J. L. Kaley, Douglas; C. H. Randall, Cedar; E. F. Sackett, Gage; M. V. Hoagland, Lincoln.

Want Archbold to Retire if Case is Postponed. WASHINGTON, July 30.—A movement is on foot among senators who are demanding an immediate trial for Judge Archbold, to require, as a condition to the postponement of the case that the jurist retire from the commerce court bench until his case has been decided.

FUNERAL OF MRS. M'HENRY IS HELD IN DENISON DENISON, Ia., July 30.—(Special.)—The funeral of Mrs. Mary Sears McHenry took place at her late home in this city at 2:30 o'clock Monday. All business houses were closed during the hours of the ceremonies. She was given full honors by the Woman's Relief corps as past national president of the organization, and the magnificent home was crowded with friends. Being a member of the Christian Science church of this city the funeral service of that society was read. Rev. James DePre, Presbyterian pastor, read a sketch of her life and added words of highest eulogy.

REPUBLICANS HOLD THEIR CONVENTION AT LINCOLN HOTEL

(Continued from Page One.) manship in the earlier part of the afternoon did not show up at the regular convention. While the convention was forming its organization in the Lincoln hotel hall, National Committeeman R. B. Howell stood back near the door with a sneering smile on his face, and occasionally he made some comment to a representative of the opposition papers. As the convention settled down to business he drifted away unnoticed and unaccompanied by any supporter or friend.

Credentials Committee Named. Judge E. B. Baker of Omaha moved that a committee of five be chosen to act as a committee on credentials. His motion was amended by Searles of Omaha, who moved that the committee be instructed that no person is entitled to a seat in the convention who is not a supporter of the republican party, and supporting the candidates nominated by the national convention held in Chicago last June and who is not supporting the platform there adopted. The motion as amended was carried unanimously.

Manning State Committee. While the committee was in session Victor Rosewater moved that members of the state convention present recommendations for state central committee, giving that body power to fill all vacancies. For Douglas county S. A. Searles nominated Franklin Shotwell, E. F. Brailey, Mpron Learned, A. W. Jeffers and George Brewer.

Vote Down National Party. T. M. Mathews of Fremont said that never before in the history of the republican party had he ever known a convention to fail to endorse the platform of the national republican party and its president, and offered a resolution to that effect, which was voted down. Burch of Cuming offered a resolution endorsing the national ticket and that any elector on the ticket who could not support president Taft should in common decency resign. This was also voted down. The convention then adjourned.

ZINC COMPANIES SUE FORMER DIRECTORS

BOSTON, July 30.—A bill in equity, alleging conspiracy to defraud and placing damages at \$500,000, was brought in the Massachusetts supreme court today by the United Zinc companies of Maine, which owns mines in Missouri, against former directors and their associates of the United Zinc company of New Jersey. The plaintiff is the assignee of the United Zinc company of New Jersey. The bill charges that the former directors of the New Jersey company conspired to purchase certain properties and sell them to the companies at exorbitant prices. It also charges the defendants with appropriating certain amounts of stock to themselves without giving any consideration therefor. The bill seeks a revision of sales of property and an accounting of the stock.

TAYLOR IS NAMED FOR ASSISTANT SECRETARY

WASHINGTON, July 30.—President Taft today sent to the senate the nominations of Lewis C. Laylin of Ohio to be assistant secretary of the interior and that of S. T. Wright to be collector of internal revenue for Alabama. U. G. Mason, a negro, had been suggested for the Alabama collectorship, but on the recommendation of Senator Johnston the president decided to appoint Wright, a white man.

Are You FAT? I Was ONCE. I Reduced MYSELF I was fat. Uncomfortable. Looked Old. Felt miserable, suffered with Rheumatism, Asthma, Neuralgia. When I worked or walked I puffed like a porpoise. I took every advertised medicine I could find. I Starved, Exercised, Doctored and changed climate, but I refused to diet, felt like an invalid, but steadily gained weight. There was not a single plan or drug that I heard of that I did not try. I failed to reduce my weight. I dropped society, as I did not care to be the butt of all the jokes. It was embarrassing to have my friends tell me I was getting stout, as no one knew it better than myself. SOMETHING HAD TO BE DONE I began to study the cause of my fat. When I discovered the cause I found the remedy. The French Method gave me an insight. I improved on that. Removed the objectionable feature, added more pleasant ones, and then I worked my plan on myself for a week. It tried like magic. I could eat. SOBERANED WITH JOY at the end of the first week when the scales told me I had lost ten pounds by my simple, easy, harmless, Drugless Method. It was a pleasure then to continue until I regained my normal self in size. I feel fifteen years younger. I look fifteen years younger. My Double Chin has entirely disappeared. I can do anything I want to. I can climb a mountain. I am normal in size. I can weigh just what I want to weigh. I am master of my own body now. I do not starve, but eat all I wanted to. I did not take Sweet Bats. I did not Drug. I used no Electricity, or harmful exercises, but I found the Simple, Safe, Common Sense WAY of reducing my weight and I applied it. I have tried it on others. My Doctor says I am a perfect picture of health now. I am no longer fat. I am now a happy, healthy woman. Now I am going to help others to be happy. I have written a book on the subject. If you are fat, I want you to have it. It will tell you all about my Harmless, Drugless Method. To all who send me the picture of health now. I will give you money. Save you from Harmful Drugs. Save you from Starvation Diets, Harmful Exercises, possibly save YOUR LIFE. It is yours for the asking without a penny. Just send your name and address. A Postal Card will do and I'll be glad to send it so that you can quickly learn how to reduce yourself and be as happy as I am.
