

WILL REAFFIRM THE MONROE DOCTRINE IN CLEAREST TERMS

Senate Committee on Foreign Relations Votes Unanimously to Report the Lodge Resolution.

NO FOREIGN NAVAL BASES HERE

All Purchase that Might Make Them Possible Condemned.

ASKS SENATE TO ACT AT ONCE

Report is Presented to Senate and Will Come Up Today.

MAGDALENA BAY INCIDENT

Resolution Grows Out of Negotiations of Japanese Syndicate to Buy Large Tract Near Good Harbor, in Mexico.

WASHINGTON, July 31.—The senate foreign relations committee today adopted without dissent Senator Lodge's recommendation that the United States reaffirm the Monroe doctrine in terms clear to all the world, and adopted a resolution to express disapproval of the purchase of any possible naval base on the American continent by any foreign power.

The senate in an early report will be asked to endorse the committee's stand. A firm statement by the United States is asked for as a result of the Magdalena bay incident, where it was shown that a Japanese syndicate had been negotiating for 4,000,000 acres of land along the west coast of Lower California in Mexico.

While the Japanese government was found to have had no connection with the syndicate, the senate sub-committee, consisting of Senators Lodge, Root, Hitchcock, Sutherland and Raynor, reported to the full committee today that the circumstances afforded an appropriate occasion for an expression of the view of the senate regarding such cases.

Will be Adopted.
The Lodge resolution, which probably will be adopted, declares that the United States cannot see "without grave concern" any harbor or advantageous spot in the western hemisphere taken over by a foreign government, or by a foreign corporation bearing close relation to the government.

It is such occupancy would threaten the commerce or the safety of the United States.

Magdalena bay is considered the most advantageous located naval base on the Pacific coast, because of its relation to the western terminus of the Panama canal.

It was said that the corporation which had the lands to sell had advanced the argument that their possession would be of particular benefit to a foreign nation. Because of that attitude on the part of the corporation, the committee decided to make clear the American position on what it regards as the encroachment of foreign powers on the western continents.

Resolution Is Reported.

Senator Lodge reported the resolution to the senate shortly after that body met and action on it was deferred until tomorrow. The resolution follows:

Resolved, That, when any harbor or other place in the American continent is so situated that the occupation thereof for naval or military purposes might threaten the communications or the safety of the United States, the government of the United States could not see without grave concern the possession of such harbor or other place, by any corporation or association which has such a relation to another government, not American, as to give that government practical power of control for national purposes.

SENATE STANDS BY WOOL BILL

Democrats Trying to Get Together on Pending Tariff Measures.
WASHINGTON, July 31.—The democrats of the senate agreed in caucus today to stand behind the La Follette wool bill and ask the house for a conference. The house yesterday refused to accept the bill as it passed the senate.

Democratic leaders, including Senators Simmons, and Martin, were authorized to undertake a settlement of bill tariff bills now at issue between the two houses. These include the combination metal-chemical bill and the wool, sugar and excise tax bills.

It is expected that the regular republican leaders of the senate will offer no objections to the settlement of the wool bill. It is believed the conferees will again be Senators La Follette Bailey and Simmons; and that an agreement will be reached upon the same basis as last year, when the raw wool duty was fixed at 25 per cent ad valorem.

SENATE PASSES WYOMING BILL OVER TAFT'S VETO

WASHINGTON, July 31.—The senate today, forty-two to seventeen, passed over President Taft's veto, a bill to reimburse those who furnished labor and supplies to contractors on the Corbett Tunnel in the Shoshone, Wyo., irrigation project, to the extent of \$42,000. Democrats, progressive republicans and regular republicans from western states voted for it.

Orozco Says He Wants Arms, Not Intervention

JUAREZ, Mexico, July 31.—General Orozco, chief of the rebels, declared today that he did not seek to provoke American intervention. He said:

"If the United States will throw down the barriers and let us have all the ammunition we can buy, I promise in sixty days to have peace restored in Mexico, and a stable government in charge. If anybody wants intervention, it is Madero and his family, who are worth millions, which they fear the revolutionists may covet."

MEXICO CITY, July 31.—Several hundred Zapatistas who on Monday night attacked Santiago Tianguistenco forty miles to the west of this city, were reported today to have been driven from an entrenched position in the hills by troops from Pachuca and Mexico City, which were rushed to the scene with machine guns. The attack on Santiago Tianguistenco was opposed by the garrison of Rurales, of whom more than thirty are reported to have been killed. The garrison was reinforced by other rural guards from Tlalampantla, on the edge of the federal district, and the combined force stood off the rebels until the arrival of a special train with additional troops. The rebels, though outnumbering the federals, are said to have fled after a brief fight.

Rose Will Tell More on Men Higher Up in Big Graft Deal

NEW YORK, July 31.—If it can be proved that Police Lieutenant Becker instigated the murder of Herman Rosenthal, the crime cannot be condoned for any exposure of graft that he might be able to produce, said District Attorney Whitman today.

Whitman's statement was by way of answer to talk of immunity or lighter treatment for Becker in the event of his disclosing the operation of the "system."

"However," Mr. Whitman added, "it must be presumed that he is innocent until he is proven guilty."

The district attorney will hold another conference with Rose this afternoon. Rose has assured him that he can implicate the much talked of "men higher up."

Rose's estimate of the annual graft of \$2,000,000 is regarded as conservative rather than excessive by the district attorney.

The authorities are investigating a report that James Verrilla, a saloon keeper who was shot by gangsters early today, was killed in revenge for his betrayal of "Dago Frank" Clerfio, alleged member of the gang that killed Rosenthal.

Possible Clue to Missing Marlow Boy

PEORIA, Ill., July 31.—(Special.)—The baby boy of Mr. and Mrs. Joe Marlow of Peoria, Ill., about whom so much has been written since his disappearance three months ago, may be restored to his parents through the excellent memory and prompt action of John W. Todd of Shenandoah, Ia. Monday he read in the Peoria Star the description of a baby boy found in the hands of a band of gypsies near that city and remembering that it tallied almost exactly with the description of the Marlow baby lost in Kosuth county about May 1, he telegraphed at once to the sheriff at Peoria and to Mr. Marlow at Burrst and thus started an investigation that may solve the mystery that has excited all Iowa the last three months.

It will be remembered that a child answering the description of the lost baby was noticed with a band of gypsies in Gravety, Taylor county, about three weeks ago but before arrangements could be made to arrest them they escaped into Missouri and could not be found.

The sheriff of Peoria knew nothing of the lost Marlow child, but when searching for stolen goods in a gypsy camp near that city he found a fair haired boy apparently 2 years of age hidden in the tent of a gypsy woman who claimed the child as her own, but the sheriff would not be convinced that a child so fair could be of gypsy blood and he kept the band under surveillance.

George A. Kimmel Visits St. Louis

ST. LOUIS, July 31.—Registering at a hotel early today as "John Doe, Anywhere," the George A. Kimmel claimant, man of mystery and leading figure in life insurance suits involving \$25,000, made an unexpected visit to St. Louis. The claimant said he had been in Omaha. The man he was during the trial in the federal court here shaved off.

The claimant said he was here to visit friends. He said nothing about a value marked with his name having been found near Decatur, Ill., recently.

Strike Ties Up Dozen Steamers at Duluth

DULUTH, Minn., July 31.—The stevedores strike at the Northern Pacific docks in Duluth and Superior is beginning to assume a serious aspect. A dozen freight steamers are tied up for lack of men to unload them, and with the strikers holding out firmly and no men in sight to take their places the situation is fast becoming acute. The strikers feel that they have practically won and predict that by Saturday the company will be willing to accede to their demands.

OMAHA JOBBERS LAND CONTRACTS FOR SUPPLIES

Contracts for supplying the regular army posts in the Department of Missouri have just been let to a number of the merchants in the large cities, notably in Omaha and Kansas City. This is going back to the old plan of supplying the troops. Last year a new plan was tried whereby the troops obtained their supplies from the merchants at the small towns at the posts. This was found not to be satisfactory as the old plan, and it was decided to go back to the plan of awarding contracts to the merchants of the large commercial centers. The awards have been widely distributed.

GREAT OVATION FOR YOSHITITO

Endeavor to Sustain and Further Great Work Done by Former Emperor Will Be Aim of New Ruler.

TOKIO, July 31.—Business in the capital and generally throughout the country, which came to a standstill with the death on Tuesday morning of the emperor Mutsuhito was resumed today. Emperor Yoshihito having expressed the desire that there should be no further cessation owing to the losses entailed by it on the poor people and its interference with international exchanges.

Emperor Yoshihito was kept busy throughout the day, during which he issued an edict proclaiming his accession to the throne, which he read before a vast concourse of high officials and officers of the administration. He also personally proclaimed his accession to the command of the army and navy.

The Japanese foreign office has notified the foreign powers that the imperial birthday has been changed from November 3 (Mutsuhito's natal day) to August 31 (Yoshihito's birthday).

Following the farewell taken of the late emperor's body the members of the imperial family today the body was deposited in a casket with a quadruple covering, the outer one measuring 9x2 feet, and then placed in a special mourning chamber in the palace, where it will repose until after the funeral.

Emperor Yoshihito was given a great ovation, immense crowds gathering along the streets, where they stood with bared head.

The Emperor's Manifesto.

The emperor said: "The death of the former emperor has caused great sorrow to the nation, but the throne cannot be left empty and the state administration cannot be neglected, even for a day. We, therefore, immediately ascended the throne and will administer the affairs of the country under the protection of our imperial ancestors and under the provisions of the constitution."

"In this administration we hope not to be misled. We shall endeavor to sustain and further the great work done and under way by the former emperor. 'You, our subjects, do your best for your country as you did for the former emperor and be loyal to us.'"

The proclamation of the new emperor pays a lengthy tribute to Mutsuhito, the dead ruler.

Marquis Saionji, the Japanese premier, replied to the emperor's proclamation, commencing his speech with the words: "I most respectfully reply to your imperial majesty."

After a laudatory tribute to the late emperor, Premier Saionji pledged his unremitting loyalty to his new sovereign.

Wheat Drops and Oats Rise Near the Close

CHICAGO, July 31.—Erratic price changes took place today in the last few minutes of trading in the July delivery of grain. That option, which expired today, fell 5 1/2 cents a bushel net for wheat and rose 3/4 cent for oats. In corn the trades were as much as 4c apart at the same instant in different corners of the pit.

A flurry among speculative shorts who had waited vainly till almost too late to settle was responsible for the unusual fluctuations in the coarse grains. Wheat, on the other hand, slid down because demand for July delivery had been taken care of beforehand so there could be no chance for a final squeeze.

Y. W. C. A. DELEGATES WILL HAVE A SPECIAL CAR

The Young Women's Christian association will have a special car over the Northwestern to take its delegates to the Central City conference of the national association at Lake Geneva, Wis., August 12.

The conference lasts from August 12 to 23, inclusive. The local association will have twenty-two young women representatives, more than at any previous conference. The secretaries who will go are Misses Ora E. Johnson, Jennie Brandon, Ethel Hendee and Chambers. Miss Augusta Bowen will represent the Business Girls' club and there will be members from other clubs and classes.

PROPOSED RISE IN COAL RATES SUSPENDED

WASHINGTON, July 31.—Proposed increase of 12c a ton on the freight rate for soft coal from Illinois mines to destinations on the Chicago, Burlington & Quincy railroad in Iowa and beyond was suspended today by the Interstate Commerce commission from August 1 to February 3. The proposed advance was effected by the filing of tariffs which cancelled the existing joint rates on coal, thus forcing the exaction of a combination of local coal rates.

DEATH RECORD

Gerhard Berquist.
WAHOO, Neb., July 31.—(Special.)—Gerhard Berquist died last night at the home of his father-in-law, Mr. Neils Lindgren, near Mahan. Mr. Berquist was taken sick while attending school in Chicago last fall and has been gradually growing weaker since that time. He leaves a widow and mother. His mother lives in Cheyenne county.

DEMOCRATS ENDORSE BRYAN Peerless Leader Has Big Majority When Plank Comes Up.

METCALFE SCORES DOUGLAS MEN

Points Them Out as Unworthy and He Assails Them Bitterly—Thompson Is Elected Chairman.

(From a Staff Correspondent.)

GRAND ISLAND, Neb., July 31.—(Special Telegram.)—"We have had to keep from Mr. Bryan's throat in this state the fangs of an ignorant brute that was not worthy to lace his shoes," shouted St. L. Metcalfe last night at the democratic state convention as he paced up and down the platform shaking his fist again and again in the faces of the Douglas county delegation whom he took particular pains to point out.

"When Mr. Bryan lies prone in death, history will give him the honor you deny him now."

The climax of the fight on the Bryan endorsement plank had been reached and orators both for and against the commoner had stormed the big audience with their arguments when Mr. Metcalfe closed the debate.

"You gentlemen are on trial," he shouted. "He lives and will live on in history no matter what you do here tonight."

The chairman had to rap continually for order as the actions grew noisy and constantly interrupted the speakers. Bernard McNeeny had declared he would not endorse a man "whose every step was marked by a friend betrayed." He also demanded an explanation of the \$15,000 sent to Nebraska for a former campaign.

H. B. Fleeharty of Omaha did not object to lauding the leadership of Mr. Bryan in the past, but did object to action that would meet the disapproval of the people of the state. Arthur Mullen added his word of condemnation for the man who defeated Clark, as did E. E. Placek of Wahoo. Matt Miller of David City, H. H. Hanks of Nebraska City defended and then Metcalfe paid his tribute that scorched the Douglas members in their places.

Verdict One-Sided.
But Metcalfe's heated words were not needed for the Bryan machine had already done its work and when the roll was called on the Bryan plank, it passed 63 1/2 to 26 1/2. Douglas county voted solidly 100 against the plank, while Lancaster voted 100 for it.

Suit Will Be Filed to Dissolve the Bill Posters' Combine

CHICAGO, July 31.—Suit under the Sherman anti-trust law to dissolve the poster advertising association, formerly the Bill Posters' association of the United States and Canada, will be filed by the government in a few days, it is expected.

The association, which is alleged to control bill posting in more than 3,000 cities and towns, has been under investigation by the department of justice for several months.

The prosecution will be based mainly, it is said, on certain rules in the association's by-laws which are declared to require that its members do their poster advertising through agencies delegated by the directors. Through this system, it is asserted, practically the entire bill posting business of the United States is controlled and fixed prices maintained by the association.

Headquarters of the association are in Chicago, but its board of directors consists of members selected through local organizations in different parts of the country.

Club Woman is Held in Connection with Death of Servant

DETROIT, Mich., July 31.—The prosecuting attorney today continued investigation of the death of Miss Elizabeth Fleming, which led to the arrests yesterday of Annette Halliday Antona, a teacher and club woman, her husband, Alexander Antona, and their nephew, Angelo Villa. Miss Fleming was an aged servant employed in the Antona home who killed her property, about \$1,800 to Mrs. Antona. Mrs. Antona declared that the body was cremated immediately after death at the written request of Miss Fleming. Mrs. Antona's 10-year-old daughter slept with her in a cell at police headquarters last night.

The estate includes 40,000 acres of North Dakota land.

MOOSERS BURN BRIDGES Missouri Convention Votes Against Affiliation with Other Parties.

WILL NAME LOCAL TICKET

Candidates to Be Nominated for Congress, Members of Legislature, County Officers and City Officials in St. Louis.

KANSAS CITY, July 31.—Congressional and county candidates will be nominated by the progressive party in Missouri this year. This was ordered by the state progressive convention here today after a stormy discussion that occupied the entire morning session. A full ticket also will be nominated in the city of St. Louis.

The state committee was instructed to call congressional and county conventions in the various districts and counties to nominate the candidates. It was evident that the majority of the delegates were determined that the progressive party in Missouri should not affiliate with any other party in any way.

Some of the delegates contended that the question of nominating the congressional ticket be left to the several districts. A resolution to that effect was lost by a vote of 38 to 70. The progressive nominees for the state congressional and county offices must pledge themselves to support the national ticket.

During the discussion of the resolution providing for the nomination of the congressional ticket, R. P. Andrews, who yesterday was elected a member of the state committee from the Sixteenth district, tendered his resignation. He said that previous to the national republican convention in Chicago he had given his pledge to support the republican candidate for congress from that district and that he felt in honor bound to do so.

Andrews' resignation finally was accepted and Columbus Bradford was appointed to the place. A committee of nine then was appointed to take charge of the campaign in the city of St. Louis.

It was at this juncture that the convention discovered that no provision had been made for nominating candidates for state senators and judicial officers. An amendment was adopted correcting the oversight.

The convention completed its business and adjourned at 2:30 o'clock this afternoon. An hour later the state committee went into session to organize, elect a chairman and secretary and outline the state campaign. The body is composed of thirty-two members.

Jane Addams to Be Delegate.

CHICAGO, July 31.—United States Senator Joseph M. Dixon of Montana, director of the national progressive campaign, arrived in Chicago from New York today and announced that Miss Jane Addams of Hull house, Chicago, and Mrs. H. M. Wilmarth, president of the Woman's City club, also of Chicago, would be delegates to the Illinois state progressive convention Saturday. They possibly may be named as delegates to the national convention on Monday, he said.

Medill McCormick declared that the opposition to a third party ticket in Illinois had been greatly exaggerated in reports from various parts of the state. "Of the more than 1,100 delegates who will attend the state convention," said Mr. McCormick, "only eighty are instructed against a third ticket, and I believe that not more than 15 hold serious opposition to the third ticket."

"Every delegate to the state convention signed a pledge to abide by the decisions of a majority of those in the convention. Therefore, if any man bolts the convention he will violate his signed pledge and be guilty of a deliberate fraud in signing that pledge. I have heard that the delegates in one county rewrote the call or pledge, but this should make no difference."

DELEGATES NAMED TO CHICAGO

Double List Chosen, that More Will Be Able to Get Into the Big Show in Windy City Next Week.

(From a Staff Correspondent.)

LINCOLN, July 31.—(Special.)—Another bull moose convention was in session here today, the one called by Judge Wray of York, but it didn't assume the proportions of the Roosevelt gathering over which Governor Aldrich presided yesterday. Jasper L. McBrien, one time superintendent of public instruction for Nebraska, and later manager of the university extension work, from which vantage point he was enabled to separate only tried and true "progressives" as speakers to be sent out at the expense of the university, engineered a cute little steam roller that puffed and snorted around the Lindell in perfect imitation of a real one.

About 100 bull moosers were in attendance, among them being noted C. B. Manuel, late chairman of the populist state committee and superintendent of the Industrial School for Boys at Kearney, one of Governor Aldrich's appointees, and Will S. Jay of Lincoln, a deputy oil inspector, serving under "Bill" Huseneter, late chairman of the republican state committee, also one of the governor's appointees. Several Lincoln bull moosers, who took part in the caucuses here and were delegates to the Lancaster county convention, were also in attendance, and taking part in the convention, while F. P. Corrick, late La Follette manager for Nebraska and now chief claqueur for Roosevelt, stood around and gave his advice and counsel to those who were taking part.

Manager McBrien is busy. Judge Wray of York called the meeting to order and on motion of Jasper L. McBrien was called to preside as temporary chairman. He read a typewritten speech in which he declared the bull moose party is one "called of God," and that it is vain to look to either of the old parties for any of the new party old troubles conditions would be removed, the rest of living would be done away with, the government would take over all public service corporations and all trusts that have reached the stage of monopoly.

When Judge Wray had finished his speech, he called on J. L. McBrien, who moved that he be made permanent chairman, that John C. Sprecher of Behrman be made secretary, that committees on credentials and resolutions be appointed and that double delegation be sent to Chicago. Each of these motions of Manager McBrien was assented to, although one of those in attendance had the temerity to question the wisdom of sending a double delegation to Chicago. Manager McBrien explained that it was intended to give more bull moosers chance to get into the big show, and the protestant subsided.

The committee on resolutions was Jasper L. McBrien, Lancaster; H. Jennings, Fillmore, and C. B. Manuel, Howard.

Delegates to Chicago.

The following delegates were elected to represent Nebraska at the bull moose convention in Chicago:
Delegates at Large—A. G. Wray, York; J. L. McBrien, Lincoln; Nathan Merriam, Omaha; J. F. O'Brien, Kearney. It was decided to give more bull moosers chance to get into the big show, and the protestant subsided.

Second District—W. O. Henry, Omaha; G. E. Klingbeil, Omaha.
Third District—J. C. Sprecher, Schuyler; David Thomas, Columbus.
Fourth District—H. A. Burnard, York; Paul C. Lehr, Surprise.
Fifth District—P. A. Caldwell, Edgar; A. Lewis, Sutton.
Sixth District—H. A. Elder, Atkinson; E. P. Clements, Ord.
J. L. McBrien, Lincoln; C. B. Manuel, Kearney, and Nathan Merriam, Omaha, were elected as members of the executive committee with the chairman and secretary.
