JOHNSON FOR VICE PRESIDENT

All Rules Suspended and Viva Voce Votes Are Taken.

WOMEN ON NATIONAL COMMITTEE

Basin of Representation in National Conventions Is Made One for Each Five Thousand Votes Cast.

CHICAGO, Aug. 7.—Theodore Roosevelt was nominated for president by the national progressive convention at 5:38 P. M. with a great chorus of "ayes," all rules having been suspended on motion of Governor Carey of Wyoming.

Colonel John M. Parker of Louisiana immediately placed Governor Hiram Johnson of California in nomination for vice president.

Colonel Roosevelt and Governor Johnson were officially notified of their nomination by the committee appointed and the two, arm in arm, appeared on the stage.

Pandemonium reigned. The demonstration for the candidates lasted ten minutes and then Colonel Roosevelt was introduced.

"Of course I accept," said Colonel Roosevelt amid cheering. "I have been president," said Colonel Roosevelt, "and I measure my words when I say I count this the greatest honor of my life to be called to lead this movement in the interest of all the people."

Mrs. Roosevelt smiled down from a seat in a balcony box.

Tribute to Johnson. Colonel Roosevelt paid a glowing tribute to Governor Johnson and thanked the convention for making him his running mate.

"He is a man fit at the moment to be president of the United States—the type of man that should be nominated for vice president," he said.

After Colonel Roosevelt had earnestly pledged his best efforts in the coming campaign Governor Johnson was introduced.

"That I accept with grateful heart the honor you have conferred upon me without saying," said Governor Johnson, as he, too, pledged himself to the new cause. "I'd rather go down to defeat with Theodore Roosevelt than to go to victory with any other presidential candidate," he continued amid deafening cheers.

The convention adjourned with the singing of the doxology.

Roosevelt was placed in nomination in a speech by William A. Prendergast of New York. Prendergast's speech was followed by a wild demonstration by delegates which lasted forty-five minutes.

After Chairman Beveridge reached the Coliseum there was a conference of leaders and it was decided to await the platform before proceeding to the nominations.

Tentative plans then were made for a short session to be followed by a recess until 2:30. Chairman Beveridge dropped the gavel and it was decided to await the platform before proceeding to the nominations.

The new rules provide representation in future conventions on the basis of one delegate for each congressman and United States senator, and an additional delegate for each 10,000 votes cast for the progressive ticket at the previous election.

They provide that no federal office holder shall be a member of the national committee.

The new rules were presented by Medill McCormick and he moved their adoption.

John L. Hamilton of Illinois moved to make the name of the party either "progressive" or "national progressive."

He explained that this amendment was necessary to comply with the election laws of various states. There was some question as to this amendment when the motion to adopt the rules was temporarily withdrawn.

Chairman Beveridge announced that the convention would listen to a speech by William H. Hotchkiss, progressive state chairman of New York, and would take a recess to await the platform. Meantime the vote on the rules was put over until after the recess.

Mr. Hotchkiss was cheered as he reviewed the work of organization of the progressive party in New York.

He concluded with a prediction of certain victory in November.

Short Recess Taken. A motion to recess until 1:15 evoked the first note of opposition to the plans of the leaders. A chorus of "noes" greeted the motion to recess.

Henry J. Allen of Kansas moved as a substitute that the convention proceed with the nomination without waiting for the platform. Chairman Beveridge ruled this out of order, as the rules of the convention provided for adoption of the platform. Allen then moved to suspend the rules and proceed to nominate.

By a second of two-thirds of Kansas delegation the motion was recognized and two more states seconded it.

Timothy L. Woodruff made a brief speech opposing Allen's motion. William Fulton of Pennsylvania said that a recess at this time would delay things.

Former Governor Fort of New Jersey moved as an amendment that the con-

Senate Tacks Riders to Sundry Civil Bill; Taft Will Veto It

WASHINGTON, Aug. 7.—Limited terms for civil service employees, the abolition of the commerce court and the retention of its five judges as extra circuit judges will be submitted to President Taft as provisions for the legislative, executive and judicial appropriation bill.

All these proposals, already approved by the house, were adopted by the senate today by a vote of 30 to 19 against the opposition of Senators Cummins, Crawford, Burton, Lodge and several others.

Some of President Taft's friends say he will veto the bill, although in doing so he will hold up his own salary, that of every member of congress and every United States judge. Such action on the president's part would also further delay the annual appropriation, overdue since July 1. The president is said to oppose the abandonment of life tenure for civil service employees and also the abolition of the commerce court.

The bill carries an appropriation of \$34,000,000.

Supreme Court Calls For Papers in Kansas Electoral Dispute

WASHINGTON, Aug. 6.—The formal writ directing the supreme court of Kansas to forward to the supreme court of the United States for review the legal contest over the republican electors in Kansas was issued late today. This is the writ which was allowed by Justice Van Devanter and Justice Pitney at New York last Thursday. Since the allowance of the writ Thursday the defendants have acknowledged the right of the supreme court of the United States to review the case. This acknowledgment was made for the eight Roosevelt candidates for electors on the republican ticket and the county clerks in Kansas by Attorney Frank S. Jaksbon.

The capital, surplus and undivided profits will be \$350,000. All the old officers of the First National bank will remain with the new organization except G. W. Post. C. A. McCleod will be the new president.

The new bank building now in course of construction by the Farmers National bank will be completed as the business room.

KEARNEY TO INVESTIGATE CONTAMINATION OF WATER

KEARNEY, Neb., Aug. 7.—(Special.)—By the appointment of a special committee by the city council tonight to engage an expert bacteriologist to analyze the water from the well of J. S. Trot, living three and one-half miles below the outlet of the city sewer system into the Platte river, with a view of determining the source of typhoid fever which has broken out in his family for the second summer, a large injunction suit was temporarily stopped.

At the same time the council made provision to investigate the proposition to install a system of septic tanks for the sterilization of the sewage of the city that is now being emptied into the first channel of the river, and which is usually dry or nearly so for several weeks during August of each summer.

STUBBS AND CURTIS RUN NECK AND NECK

Race for Republican Nomination for Senator in Kansas is Still Undecided.

EACH SIDE CLAIMS VICTORY Friends of Neither Man Will Yield Advantage in Fight

ANTHONY AND CAMPBELL WIN Capper's Lead for Governor Keeps on Increasing.

PROGRESSIVES CARRY STATE Nomination of Eight Republican Electors Who Are for Roosevelt Puts Case to Supreme Court.

TOPEKA, Kan., Aug. 7.—Incomplete returns from yesterday's primary election received at noon today tended to increase the plurality of the Roosevelt electors indicated by earlier returns and placed the outcome of the contest between Charles Curtis and Governor W. R. Stubbs in the United States senatorship in doubt. Stubbs and Curtis appear to be running a neck and neck race and the friends of each man are claiming the victory.

Hugh Farrelly, democratic candidate for United States senator, apparently has defeated his opponent, Judge W. H. Thompson.

George H. Hodges, democratic candidate for governor, was victorious over Major J. B. Billard of Topeka, according to the latest returns, although Billard's manager at noon insisted that he had carried the state. All the votes will not be counted before late tonight and some of the contests will not be decided before that time.

It was conceded that Congressman D. R. Anthony in the First district and P. P. Campbell in the Third district had been renominated by pluralities of 2,000 votes each.

Later returns have increased the lead of Arthur Capper over Frank Ryan for the republican gubernatorial nomination.

Samuel Griffin, progressive republican candidate for attorney general, appears to have been beaten by John S. Dawson by a substantial majority.

W. H. Johnston, chief justice of the supreme court, and R. A. Burch, associate justice, seems to have been renominated for these places, although the race between Burch and his opponent, Speaker H. Buckman, is close.

It is not known which two of the Taft presidential electors were victorious as the returns received do not indicate which two are ahead.

PRIMARYS HELD IN MISSOURI

Republicans Name McKinley and Democrats Cowherd.

ST. LOUIS, Mo., Aug. 7.—With an indicated lead of 16,000 to 18,000 in St. Louis, 11,000 in Jackson county and 2,000 in Buchanan county, William S. Cowherd of Kansas City apparently won the democratic nomination for governor over Elliott W. Major in yesterday's primaries by a plurality estimated at 10,000.

Although Major carried fifty of the seventy-five counties heard from this morning, leading Cowherd by nearly 17,000 in the county, it is not thought the returns from the missing districts will give him enough to overcome Cowherd's lead in the sections comprising the three largest cities in the state. Three hundred and fifty of four hundred and three precincts in St. Louis give Cowherd a lead of 15,000.

John C. McKinley, former lieutenant governor, was undoubtedly nominated for governor on the republican ticket. His vote in the country districts and in the cities was uniformly heavy. He led Leon Quick and A. Pat Murphy by majorities that cannot be overcome.

The vote of both parties was light, being especially noticeable in the republican party, where the third party movement made itself keenly felt.

Edmund P. Deal led the country in the race for the nomination for state treasurer on the democratic ticket, his opponent, John H. O'Meara, carrying St. Louis. Indications are that Deal will win.

William R. Painter had a safe lead in the contest for lieutenant governor. John T. Barker and Frank W. McAllister were running a close race for the nomination for attorney general.

Patrick F. Gill of St. Louis, whose contest for the congressional seat of Theron E. Catlin, a republican, in the hands of the house of the house of representatives, appears to have been defeated for the democratic nomination in the Eleventh district by William L. Igoe. L. C. Dyer, seeking renomination on the republican ticket in the Twelfth district, easily outdistanced Dr. W. H. Cotton and Charles H. Phillips, a negro, who opposed him.

Speaker Champ Clark had no opposition for renomination on the democratic ticket in the Ninth district, and Richard Barthold polled his usual large majority for the republican nomination in the Tenth district.

MOORE BROTHERS UNABLE TO IDENTIFY SUSPECT

CRESTON, Ia., Aug. 7.—(Special.)—The Moore brothers of Villisca, relatives of the murdered family there, were here yesterday to try to identify Charles E. Soward, under arrest here as a suspect in the case. Soward is believed by some to be the same half-witted man whom the officers held when the murder was first committed as a suspect for a few hours and afterwards released.

Lately the detectives at work upon the case have frequently expressed the belief that this half-witted man was the clue to the murder and ought to have been held. The Moore brothers failed to identify Soward, but he will be held until the November term of court on the minor charge of impersonating an officer to give the detectives a chance to work on the clue.

Soward is believed to be a very dangerous man and it was said when the deputy United States marshal was giving his testimony yesterday in the case, "that if ever a man looked murder at another one Soward did at the marshal."

GOVERNOR WILSON OUTLINES ISSUES AT NOTIFICATION

Democratic Nominee at Sea Girt, in Address, Expounds His Political Philosophy.

FOR RULE OF JUSTICE AND RIGHT People Are Asked to Entrust Government to Democratic Party.

TO OPEN DOORS OF OPPORTUNITY Conservation of Resources Discussed in Its Phases.

MAKES SPEECH OF ACCEPTANCE Address Formally Notifying Him of Nomination is Made by Ollie James of Kentucky, Chairman of Convention.

SEA GIRT, N. J., Aug. 7.—Governor Woodrow Wilson of New Jersey was officially informed today that he had been chosen by the Baltimore convention as the nominee for the presidency on the democratic ticket.

Governor Wilson was notified by Senator-elect Ollie James of Kentucky, who emphasized, as he said, that the governor had obtained the honor untrammelled by obligations and unembarrassed by affiliations of any kind. Though the governor spoke in acceptance, theoretically to the fifty-two members of the committee, the speech expounding his political philosophy was heard by a great throng.

The governor read from his manuscript. The platform, he said, was not a program, but a practical document, intended to show "that we know what the nation is thinking about and what it is most concerned about." The people, he added, were about to be asked not particularly to adopt a platform, but to entrust the democratic party with "office and power and the guidance of their affairs," and their desire now was to know what "translation of action and policy he intends to give the general terms of the platform should he be elected."

By 11:30 the roadway was jammed with automobiles. Governor Mann of Virginia was the first of the governors to arrive. "It's a great day for democrats," said Governor Mann, as he greeted the democratic party nominee.

The marching clubs which arrived with brass bands bore orange and black pennants with a Wilson picture on them. On their coats they wore sunflowers.

Address of Ollie James. Senator-elect Ollie M. James of Kentucky, permanent chairman of the Baltimore convention, acted as spokesman for the notification committee, which today formally tendered to Governor Woodrow Wilson the democratic nomination for president.

Mr. James praised the candidate and his achievements and bespoke a harmonious coalition with "no disgruntled democrats sulking in the tents." He attacked both President Taft and former President Roosevelt, and held up the republican party as "disheartened, discouraged and disorganized."

The republican conduct of trust prosecutions was condemned. He declared the democrats were pledged to "felon's stripes" for great malefactors. "Big business" was promised support if legitimate, and the democratic party was pledged to take the tariff out of politics when the "trust fed barons" take their larcenous hands out of the pockets of the American people.

The motto, "Thou shalt not steal," was a plagiarism from democratic faith, Mr. James said, and he expressed belief in the charges that both President Taft and former President Roosevelt have made against each other.

Governor Wilson's Address. After thanking the committee of notification and expressing his profound sense of responsibility in accepting the nomination, the governor said he realized that he was expected to speak plainly, to talk politics and open the campaign, "in words whose meaning no one need doubt." And he was expected to speak, he added, to the country as well as to the committee.

"Plainly it is a new age," he went on. "It requires self-restraint not to attempt too much, and yet, it would be cowardly to attempt too little.
