## EARTHQUAKE KILLS HUNDREDS OF TURKS NEAR DARDANELLES

Widespread Disturbance Causes Im-  
mense Loss of Life and Prop-  
erty Destruction.

### THOUSANDS MADE HOMELESS

Outbreaks of Fire Occur in Many  
Towns and Villages.

### PEOPLE CAMPING IN FIELDS

Most of Houses of Gallipoli Are  
in Ruins.

### WARSHIPS FEEL THE SHOCKS

Captain of American Steamer Vir-  
ginia Reports Lighthouse in  
Sea of Marmara Has  
Disappeared.

### BULLETIN.

CONSTANTINOPLE, Aug. 11.—Reports  
here today indicate that the great earth-  
quake which was felt through a large  
part of Turkey, was accompanied by  
much heavier loss of life than at first  
stated. The newspapers today estimate  
the number of victims at 1,000 killed, while  
the injured are said to number from 5,000  
to 6,000.

CONSTANTINOPLE, Aug. 11.—The sea-  
port of Gallipoli, 123 miles west of this  
city, and the town of Tekanak-Kalesi,  
at the narrowest point of the Dardanelles,  
have been destroyed by earthquake.

The details of the earthquake, which  
are coming in slowly owing to the inter-  
ruption of the wires, indicate that the  
seismic disturbance was widespread. Several  
hundred persons have been killed,  
thousands are homeless and outbreaks  
of fire have occurred in many towns and  
villages. Great destruction of property  
has been caused by the upheaval.

The entire district between Constanti-  
nople and Adana felt the shock  
severely. Fugitives from Myrhopolis re-  
port 300 killed and 600 injured. The town  
was still burning when they left. Ganos-  
Hora has been wiped out, eighty persons  
being killed and thirty wounded. The  
wrecked buildings took fire and most of  
them were burned. Shar-Kol was de-  
stroyed and two nearby villages were  
engulfed. Adrianople suffered little dam-  
age, but Thchoru was partly destroyed  
by the earthquake and fire.

The center of the disturbance appears  
to have been in the region of the Darda-  
nells. Eye witnesses from that section  
give harrowing accounts of the havoc  
wrought. The majority of the houses in  
Gallipoli are in ruins and the people are  
camping in the fields. Tekanak-Kalesi  
is in an equally bad plight, but the loss  
of life in these towns is small, although  
the injured are many.

Warships anchored in the Dardanelles  
felt the shock severely. It was first at-  
tributed to Italian torpedo boats. The  
captain of the American steamer Vir-  
ginia reports that the lighthouse in  
the sea of Marmara, has  
disappeared and that the villages in the  
surrounding country are in flames. He  
was unable to anchor owing to the violent  
movement of the sea.

### M'VEAGH PLANS REFORMS IN TREASURY DEPARTMENT

WASHINGTON, Aug. 11.—Plans for a  
sweeping investigation of the methods of  
appraising importations into the United  
States, which is expected to increase the  
revenues of the government by millions  
of dollars annually, were completed today  
by Secretary of the Treasury MacVeagh.  
A committee was appointed to make  
the inquiry.

Revelations of the sugar and other  
frauds convinced Secretary MacVeagh  
that there is something radically wrong  
with the appraising system under which  
such practices grow to large proportions.  
Secretary MacVeagh today settled the  
long-standing controversy over the pay-  
ment of drawback on sugar and syrup  
by completely changing the practice of  
the last fourteen years so that, it is  
believed, the government will not allow  
an undue amount of refined to exporters  
of syrup. Very little refined sugar is  
exported.

### POLICEMEN ENGAGE IN FIGHT WITH SOCIALISTS

PITTSBURGH, Aug. 11.—A number of  
persons were injured slightly and more  
than forty arrested here late tonight in  
a clash between socialists and policemen.  
The trouble occurred when socialists, for  
the second time within eight days, at-  
tempted to hold a street meeting for  
which a permit had not been issued.  
Thousands of persons had congregated at  
the meeting place.

## Ranch Hand Kidnaps Wife of Employer; Posse Rescues Her

HUTCHINSON, Kan., Aug. 11.—After an  
all-night chase by an angry posse of 200  
farmers, Oscar Dudley, ranch hand, who  
yesterday kidnaped Mrs. Cornelius Raw-  
lings, was forced to abandon the woman  
when closely pressed by his pursuers to-  
day. He locked his victim in a deserted  
shanty, where she later was found.

Dudley formerly worked at the Raw-  
lings ranch near here. He disappeared  
and was not heard of again until he tele-  
phoned to Rawlings several days ago  
saying he would reach the ranch that  
night and kidnap Mrs. Rawlings. The  
ranchman awaited his arrival with  
loaded guns during the night, but he  
failed to appear.

Rawlings and his two children came  
here Friday and while they were away  
from the ranch Dudley arrived and forced  
Mrs. Rawlings to accompany him. A  
brother of Rawlings formed a posse and  
took up the pursuit, but twice when  
they had Dudley cornered he held his  
pursuers at bay. The first time he threat-  
ened to kill Mrs. Rawlings if her friends  
fired.

Poses tonight are searching Reno and  
Mount Hope counties for Dudley.

## Condition of Chief Donahue is Said to Be Most Precarious

After a weeks confinement in bed wait-  
ing developments from blood poisoning  
in his toe Chief of Police Donahue is  
pronounced in a precarious condition. A  
consultation of Drs. Allison and Dunn  
yesterday resulted in a decision to re-  
move him to a hospital preparatory to  
a surgical operation. There is no longer  
a question of stopping with the removal  
of the infected toe, but the whole right  
foot will have to be taken off. The fear  
is that other complications may result  
from the shock of the operation and the  
loss of blood although the attending sur-  
geons continue to talk in an encourag-  
ing way. The chief has been showered  
with attentions of friends and constant  
inquiries as to his condition.

## Rooseveltians Lose in Ohio and Resign

COLUMBUS, O., Aug. 11.—Following the  
nomination of General B. B. Brown of  
Zanesville for governor at a meeting to-  
day of the republican state central com-  
mittee, eight members of that body, led  
by State Chairman Walter F. Brown and  
Secretary I. M. Foster, resigned. Brown  
also gave notice of his resignation as a  
member of the republican national com-  
mittee for Ohio.

## Bank Burglars Get Away with \$72,000

NEW YORK, Aug. 11.—It was learned  
tonight that private detectives are work-  
ing on a \$72,000 bank robbery which oc-  
curred in the heart of the financial sec-  
tor, two months ago, but which has not  
been openly reported.

## Announce Auction of Indian Lands

WASHINGTON, D. C., Aug. 11.—About  
1,000,000 acres of Indian lands in the  
former Shoshone, Uintah and Crow reser-  
vations in Utah, Wyoming and Montana  
are to be sold at public auction at min-  
imum prices ranging from 50 cents to  
\$1.50 per acre, in accordance with an  
order signed today by President Taft and  
Secretary Fisher. Not more than 960  
acres will be sold to any one person.  
The sales will begin at Lander, Wyo.,  
September 1; at Provo, Utah, October 8,  
and at Billings, Mont., October 21.

## Miss Helen Gould Entertains Negroes

TARRYTOWN, N. Y., Aug. 11.—Helen  
Gould had 600 negroes as her guests on  
her play grounds here today. Most of  
them came from New York churches.  
Miss Gould was unable to charter trolleys  
cars to convey the party to her place  
because all of the cars were in use for  
the celebration of the opening of a new  
trolley line at White Plains, and as a  
result the party had to walk six miles  
from the railroad station to the play  
grounds and back again.

## GERMAN-AMERICAN TEACHERS VISIT BERLIN

BERLIN, Aug. 11.—A large number of  
German-American teachers who have  
been visiting the cities of Germany un-  
der the auspices of the German-American  
Teachers' association arrived in Berlin  
today and will remain here until August  
12. A convention is to be held here and  
the visitors will inspect the leading edu-  
cational establishments and other public  
institutions. The municipal council and  
other bodies have arranged receptions in  
their honor.

## PLAN POULTRY SHOW AK-SAR-BEN WEEK

Omaha Fanciers De-  
position

### EXHIBITS FROM THIRTY STATES

Entrance Fee for Each to Be Only  
Dollar and One-Half.

### CHANGE IN DATE WELL ADVISED

Fanciers Expected to Take Advan-  
tage of Opportunity.

### THOUSANDS OF BIRDS TO COME

United Chicken Fanciers' Exposition  
Will Hold Forth from Sep-  
tember Thirtieth to October  
Three.

A poultry show will be held in the Audi-  
torium during the Ak-Sar-Ben festivities,  
September 30 to October 3. A group of  
chicken fanciers met informally at the  
Paxton hotel last night and decided that  
such a show shall be held. It will be  
known as the United Chicken Fanciers'  
exposition, and, according to Leon C.  
Huntington, who was chairman of last  
night's meeting, at least 4,000 birds will  
be brought to the show.

Exhibits will be obtained. It is now  
thought, from about thirty states. Sev-  
eral large eastern chicken breeders have  
made offers of settings of eggs as prizes  
to be awarded some winners. The cash  
prizes in the various classes are to be  
\$5, \$10 and \$15. Other prizes will be var-  
ious chicken foods and chicken remedies  
that have been offered by the manufac-  
turers.

### Low Fee for Entrance.

The entrance fee for each bird, to help  
defray the expenses, is to be \$1.50. It  
was thought that with so low an en-  
trance fee there would be no difficulty  
in getting a large number of the finest  
blooded chickens in thirty states for the  
exhibit. Leon C. Huntington has worked  
out most of these plans for the show,  
which, on being presented to the informal  
meeting, were approved by the fanciers  
present.

Heretofore the chicken show has been  
held during the winter. It was now  
thought that Ak-Sar-Ben week would be  
a better time, as there will be larger  
crowds in the city and there will be  
thousands who will be delighted by an  
opportunity of visiting a chicken show  
while in Omaha on this occasion. It is  
said there are great numbers of chicken  
fanciers in the state who would drop  
almost anything to spend a few hours at  
a chicken show when it is within their  
reach.

No organization was completed last  
night, as it was thought best to wait  
until a later meeting, when a larger de-  
tachment of fanciers may take up details.

## Catholic Societies Meet This Month

tional association, Catholic Knights and

league, Catholic Indian congress.

## EUROPEAN GEOGRAPHERS WILL TOUR UNITED STATES

NEW YORK, Aug. 11.—Fifty representa-  
tives of geographical societies and uni-  
versities of sixteen European countries  
have enrolled. It was announced today,  
for a tour of the United States as guests  
of the American Geographical society.  
The tour is to begin with a celebration  
here of the opening of a new building of  
the American Geographical society mark-  
ing the sixtieth anniversary of the orga-  
nization.

Prof. William Morris Davis of Harvard  
is to conduct the excursion, which is to  
cover, approximately, 10,000 miles and  
take two months' time. The start will  
be made August 22.

## LARGE PACKS OF SALMON MADE BY ALASKA CANNERIES

ward today, say Mount Katmai, which  
was in violent eruption in June, is emit-  
ting great volumes of dense smoke.

## HAINES WINS NOMINATION FOR GOVERNOR OF IDAHO

## NEGOTIATIONS FOR PEACE FAIL

Madero Blames Senator Fall in an  
Official Statement Which Makes  
Charges in Very Plain  
Terms.

MEXICO CITY, Aug. 11.—Two hundred  
and ten residents of the little town of  
Puruandiro, Michoacan, at least half  
of whom were boys, were slaughtered at  
the behest of the jefe politico in June, ac-  
cording to a story brought to Mexico City  
today by a commission which called upon  
the minister of the interior asking for  
guarantees. Members of the commission  
declared the jefe politico caused to be  
posted on the gate of the town a list  
of dead which was added to from time  
to time.

The sacrifice was the price exacted by  
the jefe politico for the sacking of the  
town which had occurred several weeks  
before by rebels. The jefe politico was  
powerless to resist the attack and in re-  
tallation ordered the slaughter, profess-  
ing to believe that in killing the people  
he was punishing the rebels. The butch-  
ery began in the jail, where all the pris-  
oners were killed by the guards. Then  
citizens were butchered. The people be-  
came so terror stricken they refused to  
discuss it and for this reason it was not  
called to the attention of the federal  
authorities until today.

The minister of interior declared the  
"slaughter the most atrocious in the his-  
tory of the republic and will be severely  
punished."  
General Pascual Orozco, rebel leader,  
President Madero came to this conclusion  
today and it was based principally upon  
reports he received from government  
agents at El Paso. He made his views  
known in an official statement issued by  
the Department of the Interior by his  
authorization.

Practically all hope of negotiating peace  
terms with the rebels now has been  
abandoned by the government.

Rafel Hernandez, minister of fo-  
menento, who conducted negotiations with  
Orozco, near El Paso, has gone to lower  
California to study irrigation conditions.  
It is understood here that government  
agents at El Paso reported that Senator  
Fall played more than a passive part in  
frighting Orozco off.

## Atrocious Crimes Stir Denver Police

DENVER, Aug. 11.—That Denver is  
harboring a modern "Jack the Ripper,"  
whose crimes rival in atrocity the  
Whitechapel murders, is the belief of  
Chief of Police Felix O'Neil since the  
murder last night of Miss Signe A.  
Carlson, in Aurora, a suburb of Den-  
ver. Her mutilated body was found  
today and a police dragnet has been  
thrown out over the city.

The murder of Miss Carlson has focused  
police attention upon a half dozen  
crimes, similar in many respects, which  
have been perpetrated in Denver or its  
suburbs within six months. A suspect,  
arrested today, was released tonight.  
Miss Carlson was attacked and mur-  
dered while on her way home from grad-  
ing a pupil a music lesson. Her skull  
was crushed, one of her stockings wrap-  
ped tightly about her throat and her  
body mutilated with a knife.

## Two Are Injured by Explosion of Bomb Sent to Postmaster

GREENSBORO, N. C., Aug. 11.—William  
Busbee, manager of the High Point office  
of the Southern Express company, was  
perhaps fatally injured and his cashier,  
L. O. Morton, badly hurt today when a  
package which they were handling ex-  
ploded with terrific force. The package,  
which was about to be consigned to the  
junk heap, proved to be an infernal ma-  
chine of rather crude, though ingenious  
construction.

The package is described as an ordinary  
looking box of this veneer, braced with  
copper, fifteen inches square and set in-  
side a heavy green painted wooden box.  
To the inner box a small door was at-  
tached, this being secured by a leather  
hinge. When the expressmen opened the  
inner door side a match was ignited, this  
lighting a fuse which set off the ex-  
plosion.

The package had been in the office for  
several months. It was addressed to  
Charles Hoover, High Point, N. C., and  
was shipped from Thomasville, about  
eight miles distant. No one by that name  
could be found in High Point, so today  
Manager Busbee undertook to examine  
the queer package.

At Thomasville, however, Charles  
Hoover is postmaster, a manufacturer  
and influential in politics. The theory of  
the police is that the sender at Thomas-  
ville believed the packet would be re-  
turned to Thomasville from High Point  
and ultimately delivered to Mr. Hoover.  
An arrest is expected momentarily.

## Eagles Vote Down Plan of Officers

CLEVELAND, O., Aug. 10.—Adminis-  
tration plans to have future grand aer-  
conventions of the Fraternal order of  
Eagles composed of delegates from state  
series only were defeated in the closing  
session late today of the grand aerie of  
the 1912 national convention. Eastern  
delegates, who fought the measure, de-  
clared it would result in the building up  
of a political machine.

## VICTIMS OF TRAGEDY BURIED AT ROCK SPRINGS

ROCK SPRINGS, Wyo., Aug. 11.—  
(Special).—Alexander Ferranen and Mrs.  
Alma Rolig, Finlanders, victims of  
yesterday's tragedy at the Finnish board-  
ing house in Superior, near here, were  
buried this afternoon, a large number  
of their countrymen attending both  
funerals, which were held two hours  
apart.

Ferranen, who was 38 years of age,  
boarded at a Finnish hotel, where Mrs.  
Rolig was employed as cook. Her third  
husband left her about six months ago  
with a 3-month-old baby to care for.  
Almost from the start Ferranen became  
madly infatuated with the woman, who  
was considered very beautiful. Mrs.  
Rolig spurned his love, but this only  
made Ferranen all the more determined  
to possess her. Yesterday morning he  
came to Rock Springs and bought a  
revolver, returning to Superior in time  
for dinner. Instead of returning to his  
work in the afternoon he waited until  
Mrs. Rolig was alone, when he again  
pressed his attentions upon her. She re-  
monstrated and he shot her. Ferranen  
then placed the pistol in his mouth and  
blew the top of his head off.

## SULLIVAN TELLS ON BECKER

Sixth Man Under Arrest in Rosenthal  
Case Gives Up.

## DEPOSITS IN BANKS LOCATED

Prosecution Learns that Police Lieu-  
tenant Turned Over Two-Thirds  
of His Receipts to Those  
Higher Up.

NEW YORK, Aug. 11.—"Jack" Sullivan,  
who is under arrest in connection with  
the murder of Herman Rosenthal, prom-  
ised today that he would go to District  
Attorney Whitman's office Monday, and  
tell all he knew about the alleged con-  
nection of Police Lieutenant Becker with  
the murder. Sullivan made this agree-  
ment with Assistant District Attorney  
Smith. Though unwilling to tell his full  
story until he had seen Mr. Whitman, who  
is out of town over Sunday, Sullivan  
said to Mr. Smith that he had seen  
Becker in conversation with "Jack" Rose  
and "Bridgie" Webber a few hours after  
the murder.

This corroborates the stories of other  
witnesses indicating close relations be-  
tween Becker and the men involved in the  
murder plot. Sullivan denied, however,  
knowing positively anything about the  
plans to do away with Rosenthal, and  
also denied that he had driven away in  
the gray automobile in which the mur-  
derers escaped.

Sullivan makes the sixth of the nine  
men under arrest for the murder who  
have "squealed" and the effect of the  
addition of another "recruit" upon  
Police Lieutenant Becker, who still main-  
tains that he has nothing to confess, will  
be watched with interest by the prosecu-  
tion.

Efforts of representatives of District  
Attorney Whitman to trace Becker's bank  
deposits resulted today in locating five  
more banks in which accounts were re-  
corded in the names of Becker and his  
wife, representing altogether deposits of  
more than \$25,000. All the deposits were  
made, it was learned, within the last  
eight months. In one bank, Becker was  
credited with \$12,000. It was also learned  
by the investigators that two police in-  
spectors had made recent deposits total-  
ing together \$7,500. Evidence against  
one of these inspectors is in the hands  
of the district attorney, who is seeking  
his indictment when the graft feature  
of the case is taken up by the grand  
jury.

Information charging that Becker  
turned over to "those higher up" more  
of his alleged graft, collections than he  
kept himself was obtained by Assistant  
District Attorney Smith today. Becker's  
receipts, according to this evidence,  
amounted to about \$15,000 a month, but  
of this \$10,000 went to the so-called "sys-  
tem."

"Jack" Rose, it was learned today, has  
received absolute immunity. It became  
known that when Rose confessed before  
the grand jury a stipulation granting him  
his freedom as soon as he has completed  
his testimony at the trial of the case was  
signed by the district attorney and Judge  
Mulliken, with the approval of the grand  
jury.

Rose is now in a penitentiary mood,  
according to his lawyers, and is anxious to  
reform. He plans as soon as he is re-  
leased to leave the country, with his  
wife and their two children and begin  
life over.

Sam Schepps Arrested. Aug. 10.—Sam  
Schepps, wanted in New York in connec-  
tion with the murder of Herman Rosen-  
thal, is under arrest in this city tonight.  
He is guarded by an officer, who, it is  
reported, is holding him pending the ar-  
rival of advices from the district attor-  
ney's office in New York. Schepps is  
reported to have made the statement  
that he would go back to New York with-  
out a requisition. The arrest was made  
through a detective agency.

## BIRTHDAY GIFTS BY JULIUS ROSENWALD MAKE LARGE AMOUNT

Charity and Education to Receive

sand Dollars.

### DIVIDED INTO EIGHT PARTS

Associated Jewish Charities is Pre-  
sented Half a Million.

### LIKE AMOUNT FOR UNIVERSITY

Endows Country Club for Those En-  
gaged in Social Work.

### PROVIDES FOR NEW BUILDING

University of Chicago Will Have a  
Woman's Gymnasium and Build-  
ings for Use of Geographical  
Departments.

CHICAGO, Aug. 11.—Julius Rosenwald of  
Chicago made birthday gifts today  
amounting to \$675,000. He was 50 years old  
this morning.

Charity and education received the en-  
tire sum. Mr. Rosenwald, who is a lead-  
ing merchant, divided the total into eight  
parts, each of which went to a separate  
body. Half of million dollars was split  
evenly by him between the University of  
Chicago and the Associated Jewish  
Charities here. Among the other contribu-  
tions, one was unique, \$50,000 to endow  
a country club, "which will furnish a  
comfortable resort for recreation at week-  
ends and in summer and winter for those  
who employ their time in philanthropic  
and social work."

Mr. Rosenwald's idea regarding how  
broad should be the benefit of his money  
was made plain in a statement that the  
\$250,000 presented to the Associated Jew-  
ish Charities of Chicago was specifically  
for a structure to be known as the west  
side charities building, which after sup-  
plying the needs of a central registration  
bureau for the Jewish charities, and div-  
isions for the relief department and em-  
ployment bureaus of the Jewish Aid so-  
ciety and the Jewish Home-finding so-  
ciety, one was unique, \$50,000 to endow  
a country club, "which will furnish a  
comfortable resort for recreation at week-  
ends and in summer and winter for those  
who employ their time in philanthropic  
and social work."

### How Gifts Are Divided.

In detail Mr. Rosenwald's \$675,000 birth-  
day celebration gift was distributed as  
follows:  
University of Chicago, for a woman's  
gymnasium and buildings for geological,  
geographical and classical departments  
\$250,000.

## Japan is Pleased With Coming of Knox to Funeral

TOKIO, Aug. 11.—The announcement of  
plans for the coming of Secretary of  
State Knox from Washington, to attend  
the funeral of Emperor Mutshito on  
September 12, is received by all the lead-  
ing Japanese newspapers with expres-  
sions of sincere appreciation. Articles in  
today's journals voice a note of friend-  
liness in connection with Mr. Knox's pro-  
posed visit. Prince Katsura, former  
premier, whose visit to Europe was cut  
short by the death of the emperor, has  
returned to Japan to be present at the  
funeral. Immediately after the arrival of  
the statesman and his party in Tokio,  
Prince Katsura went to the palace and  
was admitted to the chamber in which  
the dead Emperor's body lies in state.
