

TO DESIGNATE TAXI LEVEES

City Officials Will Take a Hand in Claim-Jumping War. HOTEL MEN OPPOSE STANDS

Mayor Dahlman and Police Commissioner Ryder have been empowered by the city council to designate places where taxicabs may stand on the streets.

Ralph Kitchen of the Paxton said taxicabs had caused all sorts of inconvenience at his place and suggested that the council do more than order them out of the block between Fifteenth and Sixteenth on Farnam street.

John C. Drexel was also in conference with the commissioners. Several owners of taxicab lines were present, but made no protest against the resolution passed giving the mayor and the police commissioner power to handle the situation.

At 2 o'clock in the afternoon Mr. Ryder held a consultation with taxicab drivers and owners of taxicab lines regarding the enforcement of the order.
