LEGG'S PLAY SENSATIONAL

Champion Eight Up on Chambers at Halfway Point. EQUALS RECORD FOR THE COURSE Morning Round is Marked by Spectacular Driving and Accurate Putting—Middleton is Two Up on Payne.

MINNEAPOLIS, Aug. 16.—Equaling the course record of 70 made by himself in the western two years ago, Harry G. Legg of Minneapolis was eight up on W. H. Chambers of Omaha at the end of their morning round, semi-finals of the Transmississippi Golf tournament over the Minnehaha course here. Time and name Legg brought approval from the large gallery to his spectacular driving or by his sensational putting, and Chambers, who defeated Marvin Phelps for the consolation event of the western several weeks ago, was unable to approach the champion in form.

Legg's card for the morning play was: Out.....4 5 4 4 3 3 3 4 5-35 In.....3 4 6 4 4 4 3 2 5-35 Legg's putting was extremely sensational. He ran down a forty-five-foot putt at the thirteenth hole, repeated his performance at the sixteenth and made a forty-foot putt for two on the seventeenth. Chambers' metal score this morning was 70.

At the turn-in a see-saw match between G. F. Payne of St. Louis and W. D. Middleton of Davenport in the semi-finals Middleton was two up. Both Payne's and Middleton's medals were \$1, a high wind somewhat affecting the scores.

Newman Dorr of Des Moines by defeating A. Cahn, Jr., of Omaha won the junior cup for players under 20.

NEW PACING RECORD HUNG UP

Evelyn Takes Two Straight in Free-for-All, Winning Small Purse. INDEPENDENCE BOY FORCES GAIT Valentine's Pacer is a Good Second, While Don Denmore Trails Along a Rather Close Third.

BUFFALO, N. Y., Aug. 16.—Evelyn W. winner of the free-for-all pace, the closing feature of the grand circuit this afternoon at Fort Erie, broke a world's record for the fastest two heats paced by a mare in a race. Evelyn W. won the first heat in 2:03 flat. In the second heat Bert Shank was forced to urge the mare and the time was 2:07.

It was an easy victory for the Shank mare. In the first heat Branhman Baughman held the lead to the turn in the stretch. Shank then shook the whip at the mare and she crossed the wire with plenty to spare. In the second heat the backers of the Ohio mare had quite a scare. Vernon McKinney, who had last in the first heat, assumed the lead and was racing toward the wire when he broke at the distance pole. Evelyn W. sold favorite in the pools with Vernon McKinney second choice.

Goldseal, the Indiana pacer, won the Laurier stake, \$200 for 2:07 pacers in eight heats. The third mile was covered in 2:07.

In the 2:12 class trot, Marigold sold favorite in the pool betting, but Dr. Mack grabbed off the first two heats. The favorite landed the third heat, beating the grey gelding at the wire. In the fourth heat, Mike Agan who had trailed Doctor Mack, Marigold and Moko Dillard, made a grand rush through the stretch, winning the heat. Mike Agan repeated his performance in the fifth and sixth heats.

After being distanced in the second heat of the 2:30 trot, but being placed by the judges because it was due to an accident. Newzell, second choice, won the race. In the second heat the big gelding's foot hooked the tire and ripped it from the wheel. McDonald to avoid an accident, pulled his horse to a standstill. When the judges learned of the accident they placed Newzell sixth. Summaries: Pace, 2:07 class, the Laurier stake, \$200. Three in five: Gold Seal, ch. m. (Kerr)..... 1 1 1 1 1 Great Lakes, b. g. WOUNDED MAN SHAKES HAND WITH DEATH IN NEW GUISE Henry Ruwe, a laborer who had his left side ripped wide open by an angry negro, nearly lost his life again last night. After his first mishap, the police surgeon allowed him to go his own way after he was sewed up. At 9 o'clock last night Ruwe became intoxicated and went to sleep under a boxcar. A switch engine was about to back into the car when a bystander noticed the sleeping man underneath and hauled him out just in time. The police were called and Ruwe was given a bed at headquarters for the night.

WYOMING MINERS Meet Operatos SHERIDAN, Wyo., Aug. 16.—(Special Telegram.)—In joint conference today, members of the Northern Wyoming Coal Operators' association and officers and executive board members of district No. 22, U. M. W. A., engaged in the opening skirmish of the biennial battle over the wage scale and working agreement for the northern Wyoming field. The mine

workers submitted their proposals this morning. The operators submitted a counter proposition this afternoon. The two factions agreed this morning upon the appointment of a sub-committee to thresh out the terms of the new agreement, subject to the ratification of the general committee.

The miners are represented by Thomas Gibson, president; Arthur Morgan, vice president, and James Morgan, secretary-treasurer of District No. 22, embracing Wyoming. District officers of the mine workers were unwilling today to make public their demands in detail. Their proposal includes demands for higher wages in some classifications and shorter hours and improved working conditions in others. The existing agreement expires in September. The new scale will govern for two years.

Something Colossal in the Way of a Clearance On Pianos! A piano clearance of IMMENSE proportions is slated here for Saturday and there are a DOZEN reasons why such a "Clearance" is NECESSARY. In the first place, there are a few pianos and player pianos remaining from the SEGERSTROM stock; we HAD to leave the Segerstrom location Wednesday, because Aulabaugh, the furrier, DEMANDED his room. Even so, the sale of the Segerstrom stock proved to be the most GIGANTIC piano selling EVER held in Omaha, but the inevitable odds and ends MUST be disposed of NOW, here at the former Bennett establishment.
