VISITORS START OUT WELL

They Manage to Get a Three-Run Lead, but the Locals Turn in and Pile Up More Than Enough to Win.

Omaha slaughtered three Wichita pitchers for a total of twenty hits yeserday and won the last game of the series by a score of 13 to 3.

It was the worst slaughter seen at the local yard this year. Wichita started out like a sure winner and managed to get a three-run lead on the Rourkes before the home team started. But when they did start they kept it up for four solid innings, in which time they made all their runs. In the third they tied the

Jack Fugate was sent to the rescue and held the viistors helpless fo rthe remainder of the game, while the Rourkes went wild. Omaha's runs, however, were not the result of clean hits, as the labore played a poor game and made an error almost every time one of the players touched the ball.
