

PRESIDENT DEFENDS  
USE OF VETO POWER IN  
COLUMBUS ADDRESS

Chief Executive Says This is One of  
Duties Imposed on Him by  
Constitution.

ELECTED BY ALL THE PEOPLE

Failure to Exercise is Evidence of  
Cowardice.

WAITS FOR TAFT WITH KNIFE

Woman Arrested Just Before President  
Reaches Hotel.

SHE CAME TO PUNISH HIM

Mrs. Caroline Beers of Greenville,  
O., Had Two Large Knives Con-  
cealed in Clothing When  
Arrested.

COLUMBUS, O., President Taft publicly  
explained today his exercise of the veto  
power. In his speech to a great crowd of  
farmers on the state fair grounds here,  
he declared that a president who did not  
use the veto power when he thought it  
should be used proved himself a coward.

"Some of my friends say," said the  
president, "that if a king had used the  
veto power as I have, his head would  
drop the basket. But I am not a king,  
and that is very different. The president  
has the power and it is his duty if he  
does not approve legislation to veto it.  
He must use the veto when his conscience  
tells him, whether his head drops in the  
basket or not. If presidents are men-  
and most of them are—they will exer-  
cise the veto when they think they ought."

Most Vetoers are Good.  
"Look over the vetoes of other presi-  
dents and show me the bad one and I will  
show you more that made good. Our  
forefathers thought that it was well to  
have one man who would represent all  
the people and who would be able to tell  
all the people when he saw legislation  
that he did not believe was good. The  
veto is an excellent thing. My friends who  
criticize me forget that I was elected  
just as they were and by a good many  
more people than they were."

The president spoke to the farmers of  
legislation which congress had enacted  
for their benefit and promised that other  
legislation would follow. He said the gov-  
ernment is investigating the system of  
agricultural experts in Germany which  
gives credit to the farmers at low  
interest with the purpose of introducing  
it in this country if found feasible.

He traced the history of Ohio briefly  
and in passing paid his respects to the  
present-day reformer.  
"One trouble with the present-day re-  
former," he said, "is that he wants his  
reforms put into effect tomorrow morn-  
ing before breakfast. Reforms do not  
come quickly. Mere change is not neces-  
sarily progress."

Woman with Big Knives Arrested.  
Caroline Beers, aged 40, who said she  
was from Greenville, O., was arrested by  
Pittsburgh detectives at the Southern  
hotel, while waiting for President Taft  
with two long knives found concealed in  
her clothing. The woman said she was  
the wife of the president.  
Mrs. Beers said she was going to punish  
the president. She had been noticed yester-  
day afternoon waiting around the hotel  
and told employees she was waiting for  
the president.

"I have the sacred knife for President  
Taft," she told a detective when arrested.  
The woman did not get near the presi-  
dent, but was arrested and rushed out of  
the hotel just as the presidential party  
arrived. She was found in one of the  
upper floors waiting near the elevator on  
which it was expected the president would  
go to his apartments.

One of the knives found in her clothing  
was a long, keen-bladed affair, on the  
handle of which a picture of President  
Taft had been photographed. Mrs. Beers  
was well dressed. A roll of \$300 was  
found in her clothing.  
President Taft was not too dol her  
arrest.

Mulvane Hears Good Results.

CHICAGO, Aug. 29.—David W. Mulvane  
of Kansas, director of the republican  
campaign in the west, today declared that  
the election news from Michigan was en-  
couraging to the republican party. Vis-  
itors from Indiana and Nebraska gave  
Mr. Mulvane reports of conditions which  
were also pleasing to him.

Joseph E. Davies of Wisconsin, secre-  
tary of the democratic national commit-  
tee, conferred with a number of visitors.  
Preparations were made to enter the  
college field and it was announced that  
Dudley Field Malone of New York would  
join the staff in a few days as the head  
of the college and young men's club  
department. Mr. Malone is a son-in-law  
of United States Senator O'Gorman of  
New York.

Borah Will Not Take Stump.  
SPOKANE, Wash., Aug. 29.—Senator  
William E. Borah of Idaho denied em-  
phatically today the statement that he  
would campaign actively in support of  
President Taft. He declared any speeches  
he proposed to make probably would not  
be acceptable to the republican national  
committee.

Seismic Shock at Calumet.  
CALUMET, Mich., Aug. 29.—What is  
believed to have been an earthquake  
shock was felt here at 3:41 this morning,  
being general in Calumet district. The  
shock lasted several seconds and shook  
buildings.

Body of Late General  
Booth Laid to Rest  
With Simple Rites

LONDON, Aug. 29.—The body of the  
late General William Booth was laid to-  
day beside that of Catherine Booth, his  
wife, in Abney Park cemetery.

Representatives of reigning houses and  
of presidents of republics, including the  
United States, joined round the grave  
with many thousands from the masses  
whom the founder of the Salvation Army  
had tried to uplift.

The coffin was borne from the great  
doorway of Salvation Army headquarters  
to the hearse, which was decorated only  
with dry palms placed over the "blood  
and fire" banner draping the casket. The  
celebrated battle flag which the general  
had planted on Calvary was placed at  
the head of the coffin, and as this was  
done the flags of the foreign deputations  
and of the English provincial corps dipped  
in salute.

Immediately after the hearse a selected  
bodyguard of staff officers of the Salva-  
tion Army swung into line, preceding the  
mourners of the family, who were led by  
General and Mrs. Bramwell Booth. The  
entire procession was more than a mile  
long.

Most fittingly the procession passed  
through a portion of that section of the  
city where the work of the Salvation  
Army is best known, and there in front  
of the houses stood many poor women  
and children who had at some time or  
other received benefit from the army.

As General Booth had been an honorary  
freeman of the city of London, the lord  
mayor appeared on the balcony of the  
Mansion House and saluted the coffin.

The service was a simple one. Ad-  
dresses were delivered by Lieutenant  
Colonel Damon, representing the Salva-  
tion Army in America, and Miss Eva  
Booth, who arrived early this morning  
from her journey across the Atlantic,  
and General Bramwell Booth and Com-  
missioner Cox. The late general's young-  
est granddaughter sang a solo and Com-  
missioner Carleton read the Scripture.  
Bramwell Booth read the Salvation  
Army's brief commitment service.

Concluding sentences were followed by  
the swelling notes of the Salvation Army  
song, "To the Front the Cry Is Ring-  
ing; to the Front Your Place Is There."

Roosevelt Making  
Three Days' Tour of  
State of Vermont

BENNINGTON, Vt., Aug. 29.—The state  
campaign, now nearing its closing hours,  
for the election comes next Tuesday, re-  
ceived additional impetus today with the  
arrival here of Colonel Theodore Roose-  
velt for three days on the stump on both  
sides of the Green mountains.

A number of progressive speakers, not-  
ably former Senator Albert J. Beveridge  
of Indiana, and Gifford Pinchot of Wash-  
ington, have been tilling the political  
ground of Vermont for several weeks.

Colonel Roosevelt's activities in the  
state will take him through the two con-  
gressional districts into four of the cities  
and eight of the largest towns. If nothing  
interrupts his schedule he will follow his  
visit to this town with speeches later  
in the day at Rutland, Middlebury and  
Burlington, with addresses tomorrow at  
St. Albans, Morrisville, Barton and St.  
Johnsbury and with closing remarks on  
Saturday at Barre, Randolph, Bellows  
Falls and Brattleboro.

While Colonel Roosevelt is expected to  
discuss national issues to a great extent  
it is also regarded as probable that he will  
pay some attention to the state candi-  
dates.

Model Prisoner is  
Pardoned by Gov. Dix

ELMIRA, N. Y., Aug. 29.—Henry Rap-  
peley, a model prisoner at the Elmira  
reformatory, stepped from the line at  
exhibition drill before Governor Dix to-  
day a free man at the governor's com-  
mand. As the governor reviewed the  
line a telegram came announcing the sud-  
den death of Rappley's father at Os-  
wego. He was pardoned instantly and  
within an hour was on his way to the  
federal. Rappley had been sent to the  
reformatory for attempted robbery and  
had been acting as a stenographer for the  
institution.

Tetzlaff Again Cuts  
Elgin Track Record

ELGIN, Ill., Aug. 29.—Teddy Tetzlaff,  
in driving a 120-horsepower Fiat, worked  
the eight-mile Elgin road course at an  
average speed of about seventy-six  
miles an hour for four laps in the tuning-  
up trials today and broke Ralph Mulford's  
previous record for the course by twenty-  
six seconds. A crowd of many thousand  
people lined the course to watch the  
speed trials in preparation for tomorrow's  
and Saturday's races. At cars there were  
a score of the big racing tractors in action.

More Cavalry May  
Be Sent to Border

WASHINGTON, Aug. 29.—It is possible  
that the American cavalry along the  
Mexican border line will have to be in-  
creased, according to a dispatch received  
at the War department today from Gen-  
eral Stevier, commanding the Depart-  
ment of Texas. The Thirteenth cavalry  
at Fort Riley, Kan., and the Ninth at  
Fort D. A. Russell, Wyo., are being held  
in readiness as reinforcements.

STANDARD OIL OFFICIALS  
CHARGED WITH CONSPIRACY

DALLAS, Tex., Aug. 29.—The federal  
grand jury of the northern district of  
Texas late today returned an indictment  
against a number of prominent oil men  
as representatives of the Standard Oil  
company. The charge is the restraint of  
trade and commerce and unlawful con-  
spiracy and combination in restraint of  
trade.  
It is alleged that individual defendants,  
the Standard Oil company and the Mag-  
nolia Petroleum company conspired to  
destroy the business of the Pierce-Por-  
tland Oil Association of Texas.

MANUFACTURERS OF  
STATE TO ORGANIZE

Plans Are Now Under Way for For-  
mation of the Associa-  
tion.

MANY REASONS ARE GIVEN

Commercial Club is Feeling Out Sen-  
timent of State.

MOVEMENT STARTS IN OMAHA

Benefits of Such an Organization  
Are Being Pointed Out.

LEGISLATION IS IN VIEW

Omaha Manufacturers Desire Others  
to Unite for the Benefit of  
All—Local Men Resume  
Meeting.

The organization of a state manu-  
facturers' association will be attempted by  
the Omaha Manufacturers' association.

Letters are being sent out from the  
Commercial club to all manufacturers of  
the state asking their opinion of the  
project. These letters cite the various  
needs for such an organization and sug-  
gest a big meeting to be held in Omaha  
this fall whereat the factory men may  
get together and discuss the new body.

The Omaha association desires to get  
the manufacturers of the state combined  
for the purpose of bringing about some  
legislation on the workmen's compensa-  
tion and employers' liability bill; desires  
the passage of a law in Nebraska similar  
to the Kansas blue sky law; is anxious  
for the development of water power and  
the checking of the annual fire waste.

Discrimination against Wyoming fuel  
oil is another proposition which the Omaha  
organization feels a state organization  
could work against. Many other things  
as reasons for a state organization are  
given in the letters which are being sent  
out to the 2,500 manufacturers of the  
state.

The Omaha Manufacturers' association  
will hold its first meeting in the fall  
program Thursday, September 6.

Knox Will Not Talk of  
Roosevelt-Archbold  
Issue of Veracity

HONOLULU, Aug. 29.—Secretary Knox  
refused on his arrival today to make any  
comment on Theodore Roosevelt's denial  
that he had ever said in the presence of  
Mr. Knox that letters to George B. Cor-  
telyou were written "to make good the  
record." The letters in question were in-  
structions that any contributions made  
by the Standard Oil company to the re-  
publican campaign fund of 1904 must be  
returned.

"As I have made no statement concern-  
ing the correspondence between Mr.  
Roosevelt and Mr. Cortelyou on any sub-  
ject," said Mr. Knox, "and as I have  
never authorized anyone to make any  
statement for me, you must excuse me  
from discussing the subject."

Secretary Knox is voyaging by the  
cruiser Maryland to the funeral of the  
late emperor of Japan, which he will at-  
tend as representative of the United  
States. The Japanese consul was among  
those to greet him today.

The Maryland will sail for Yokohama  
at 4 o'clock tomorrow. Returning with  
Secretary Knox immediately after the  
funeral, it will call here to pick up Sec-  
retary Fisher of the Department of the  
Interior, who is due to arrive from San  
Francisco in the meantime.

Secretary Morrison  
Testifies Further  
in Hatters' Suit

HARTFORD, Conn., Aug. 29.—Frank  
Morrison, secretary of the American  
Federation of Labor, was subjected to  
cross-examination by Attorney Daniel  
Davenport, when the hatters' trial was  
resumed today in the United States dis-  
trict court. The witness reaffirmed his  
statement that the American Federation  
of Labor never had anything to do with  
planning a boycott on the product of De  
Loe & Co. of Danbury, plaintiff in the  
suit. Mr. Morrison admitted that after  
the verdict of \$22,000 had been rendered  
in the first trial the original defendants  
dropped out and the American Federation  
of Labor assumed the full responsibility  
for the appeal and retrial.  
President Samuel Gompers of the Amer-  
ican Federation of Labor, testified that  
the American Federation of Labor exer-  
cised no jurisdiction over the unions  
comprising the United Hatters of North  
America between 1896 and 1903.

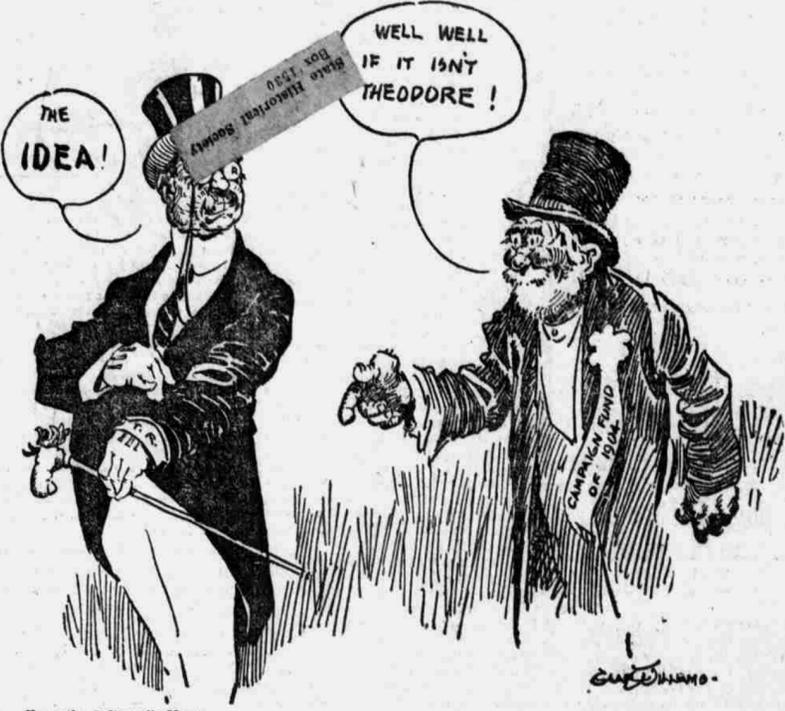

JUDGE ARCHBOLD ASKS  
TO BE RELIEVED FROM DUTY

WASHINGTON, Aug. 29.—Judge R. W.  
Archbold of the commerce court whose  
trial under impeachment proceedings is  
pending before the senate, has asked  
Chief Justice White to relieve him from  
duty.  
Chief Justice White thus far has taken  
no action upon the request of Judge  
Archbold. The phraseology of the act  
creating the commerce court appears to  
be ambiguous as to the power of the  
chief justice to "relieve" a judge of the  
court from duty.  
Judge Archbold has performed none of  
the duties of a member of the court since  
the charges were preferred against him.

CHEYENNE YOUNG WOMAN  
DIES AS RESULT OF BURNS

CHEYENNE, Wyo., Aug. 29.—(Special.)  
—Miss Fannie Brooks, the young woman  
who was horribly burned in a gasoline  
explosion at her home in East Sixteenth  
street Monday night, died at St. John's  
hospital today. The "fortunate" victim  
suffered terrible agony before death came.  
Miss Margaret, her sister, although pain-  
fully burned when she attempted to  
smother the flames that enveloped Fan-  
nie, is recovering and will not be badly  
scarred.

WILSON MAKES STUMP SPEECH

Candidate Addresses Crowd at Lan-  
caster from His Car.

SECOND ADDRESS AT HARRISBURG

Governor Shakes Hands With Hun-  
dreds of People and Waves  
His Straw Hat to Crowd  
Around Station.

HARRISBURG, Pa., Aug. 29.—Governor  
Woodrow Wilson did a little stump speak-  
ing today in spite of himself. Not in-  
tending to make any but scheduled ad-  
dresses, he was greeted by such big  
crowds at both Lancaster and Harrisburg  
that the candidate found himself making  
speeches from both ends of his car, shaking  
hands with hundreds and waving his  
straw hat to the many people who dotted  
the windows of surrounding buildings.

The first demonstration was at Lancaster,  
and, as a preliminary to the formal open-  
ing of his campaign in Pennsylvania later  
in the day at Williams Grove, it pleased  
the governor very much.  
"I venture to say I am much more in-  
terested in you than you are in me,"  
said the governor, "because the interest-  
ing and delightful part of campaigning in  
the last two years, as I have found it, has  
been that the country is witnessing an  
uprising of the people. A crowd like this  
means business. You are discovering not  
only that the government ought to be-  
long to you, but that if you only 'rump'  
yourself it will belong to you. Be-  
cause, just between you and me, recently  
it hasn't belonged to you. At least you  
have not been running it, you have been  
standing off and seeing it stir."

"I don't mean by this to stir up pas-  
sion or feeling. I simply mean that we  
must get together again. We must draw  
all men into conference. This is what I  
am interested in; and the reason I said I  
am interested in you more than you are  
in me is that I know the strength of a  
public man is in proportion to those men  
who are gathered about him."  
The governor also was greeted by a  
large throng at Harrisburg, where he  
will remain only a short time on his way  
to Williams Grove.

Rumor That Missing  
Gunmen Will Testify  
for Becker Defense

NEW YORK, Aug. 29.—It was learned  
today that lawyers for Police Lieutenant  
Becker will endeavor at his trial to show  
that Herman Rosenthal was killed in a  
gamblers' row and that the assassins  
sought to shift the responsibility for the  
killing on Becker.  
District Attorney Whitman tried to  
trace information that the whereabouts  
of the most wanted gunman, "Lefty  
Louie" Rosenzweig and Harry Harowitz,  
alias "Gyn the Blood," was known to  
certain members of the police depart-  
ment.  
Report had it that these two men will  
be kept in hiding until the trial and will  
then be brought forward as witnesses  
for the defense to swear that Rosenthal  
was slain in a gamblers' feud and that  
Rose, Webber and Vallon themselves took  
part in the killing.  
The grand jury was prepared to con-  
vict again today to hear evidence of po-  
lice corruption.

IOWA TROOPS ARE ON WAY  
BACK TO FORT DES MOINES

IOWA FALLS, Ia., Aug. 29.—The sec-  
ond and third squadrons of the Sixth  
United States cavalry reached this point  
today after marching twenty miles from  
Hampton. The troops now have com-  
pleted 22.3 miles of their 38-mile march  
from Camp McCoy, Wis., to Fort Des  
Moines, Ia., which is their post. This  
distance has been covered in twelve  
marching days, which makes twenty-one  
miles a day.

YACHT TOWING DISABLED  
HYDROPLANE IS STRANDED

LONDON, Aug. 29.—A double accident  
occurred to Claude Grahame-White, the  
noted British aviator, and his wife while  
flying last night from South-End-On-Sea  
to Chacton, on the east coast.  
A defect in the motor of their hydro-  
plane compelled them to descend to the  
surface of the water at Burnham. The  
machine was sighted and taken in tow  
by a yacht and Mr. and Mrs. Grahame-  
White were rescued and brought on board  
the vessel. Soon afterward the yacht  
went ashore on a shoal and could not be  
got off until today.

CHICAGO CARMEN VOTING  
ON PROPOSED NEW SCALE

CHICAGO, Aug. 29.—Ten thousand union  
street car men began voting today to  
decide whether to accept the \$500,000 an-  
nual increase in wages contained in the  
agreement reached between their officers  
and officials of the employing companies.  
Balloting will continue until tomorrow  
morning. Rejection of the new wage scale  
will put the matter up to a board of arbi-  
tration for settlement.

State of California  
Swindled Out of Big  
Amounts by Shippers

SAN FRANCISCO, Aug. 29.—Sixty  
thousand dollars a year are being stolen  
from the state of California by prominent  
shipping men around San Francisco Bay,  
according to the finding of investigators  
and Daniel Ryan, attorney for the State  
Board of Harbor Commissioners, an-  
nounced last night that civil and criminal  
proceedings are contemplated. The cases  
are said to resemble the sugar weighing  
frauds in the east.  
Blanks provided by the state to show  
tonnage on filled to base harbor dues,  
have been filled in by clerks and agents  
of the shippers involved so as to show,  
according to Ryan, much less tonnage of  
merchandise than the real amount  
handled. One company involved, it is  
said tonight, has already made restitu-  
tion to the state and a general scramble  
by others to do likewise is expected. The  
frauds were proven by checking the ton-  
nage statements against various ships'  
manifests.

Certain lumbermen are credited with  
causing loss to the state by discharging  
cargoes partly here and partly at Oak-  
land, across the bay. This makes it hard  
to check up on the total amount and col-  
lect the full fee of 4 cents a ton.

Petition for Release  
of Mrs. McMahon  
Denied by Court

YANKTON, S. D., Aug. 29.—(Special.)—  
Judge R. B. Tripp, after a hard fought  
hearing, has denied the petition of Mrs.  
Nellie McMahon for freedom from the  
state hospital for insane, on the grounds  
of now being sane. Mrs. McMahon shot  
and killed her husband's law partner,  
Attorney Thomas of Sturgis. She put up  
the defense of insanity and was acquitted  
by the jury that tried her. This is the  
third attempt made by Mrs. McMahon  
to regain her liberty. The mental experts  
agreed her mental state was abnormal  
and Mrs. McMahon a dangerous person  
to allow at large. Attorney General Royal  
Johnson represented the hospital and its  
superintendent in the case.  
John Rifenbark and Miss Edna Bowers,  
both well known Yankton people, were  
married here Tuesday evening.

Kiowa Squaw Left to  
Starve is Not Widow  
of General Houston

LAWTON, Okl., Aug. 29.—A report of  
the condition of Melissa Houston, a  
Kiowa squaw, sent from here last night  
stated that once she was the wife of  
General Sam Houston, first president of  
the republic of Texas. This proves to be  
erroneous.  
Deserted and an outcast from her tribe,  
Melissa Houston, a full-blood Kiowa,  
has been left alone to die of hunger and  
neglect in her weather-beaten tepee, three  
miles from Andarko.

Eight Saws Found  
in Tombs Prison

NEW YORK, Aug. 29.—A jail delivery  
from the Tombs prison, where Police  
Lieutenant Becker is awaiting trial on a  
charge of murdering Herman Rosenthal,  
the gambler, was frustrated, it was  
learned today, by the accidental falling of  
a steel saw on the floor of a cell. The  
ring of the metal on the stone flooring  
reached the ear of a guard in the cor-  
ridor, who started an investigation,  
which led to the finding of eight finely  
tempered saws and a bottle of muriatic  
acid. The saws were distributed in two  
cells occupied by four prisoners, neither  
of which, however, was in the immediate  
vicinity of the cell occupied by Lieutenant  
Becker.

BILLS IN DYNAMITE CASES

Four Men Indicted for Conspiracy at  
Lawrence, Mass.

THREE NAMES NOT GIVEN OUT

Charge is Unlawfully Transporting  
Dynamite and Conspiracy to  
Distribute it During Tex-  
tile Strike.

BOSTON, Aug. 29.—Two secret indict-  
ments were returned today by the Sur-  
folk county grand jury in connection with  
the alleged conspiracy to distribute dynamite  
in Lawrence during the textile strike  
there last winter. One indictment con-  
tained the name of one man, and the other  
named three men.  
Dennis J. Collins, a Cambridge dog  
fancier, was arrested after testifying be-  
fore the grand jury for about ten minutes  
today.

The single indictment was returned  
against Collins, who was charged with  
unlawfully transporting dynamite on  
January 20. He was arrested on a bench  
warrant and was held in \$1,500 bail.  
Collins is a friend of John J. Green, a  
Lawrence undertaker, who was fined \$500  
last spring for disposing of dynamite to  
certain persons.

Mexican Rebel Chief  
Threatens to Kill All  
Americans in Sonora

DOUGLAS, Ariz., Aug. 29.—Americans  
will be killed by rebels after September  
15 is the declaration brought here from  
Colonel Emilio P. Campa, a leader of  
Orosco's rebel army, who, with 800 men  
is operating along the Southern Pacific of  
Mexico, below Nogales, Ariz.  
The word is brought here by various  
Americans, who declare they received it  
directly from Campa. An only alternative  
given by the rebel leader is the resigna-  
tion of President Madero.  
Based on a report received from Thomas  
Holland, an ex-Arizona ranger and United  
States customs officer, American Consul  
Dye of Agua Prieta, Mexico, today wired  
the State department at Washington that  
Campa declares the state of Sonora will  
be devastated unless the Mexican presi-  
dent resigns.

John Wanamaker Is  
Reported Seriously Ill

PHILADELPHIA, Aug. 29.—John Wan-  
maker, merchant and former postmaster  
general, is reported ill at his son's home  
in Atlantic City. At Mr. Wanamaker's  
store it was said that he had been ill  
with a cold for two weeks and confined  
to his room, but was better. Positive den-  
ial was made of a story that he had  
undergone an operation for bladder  
trouble.  
From another source it was learned  
that Mr. Wanamaker is suffering from a  
nervous breakdown and two weeks ago  
was seriously ill. Since then his con-  
dition has improved and he was reported  
"going nicely" today.

Fire Fighters Rescued  
From Devil's Canyon

LOS ANGELES, Aug. 29.—Thirteen  
Mexican fire fighters were rescued in  
pitiable condition today from Devil's can-  
yon, where they had been hemmed in  
since Monday morning without food or  
water by the flames that are sweeping
