DANDRUFF AND ITCHING SCALP

Lost Hair in Handfuls. Cured by Cuticura Soap and Ointment. Also Used Them for Hives and They Disappeared in a Week.

46 McRaynolds St. Grand Rapids, Mich. — "Three years ago I began to lose my hair. I lost it in handfuls. I tried several remedies without any good results. Finally I read about Cuticura Soap and Cuticura Ointment and at once purchased some. I washed my head thoroughly and after it was dry I gently rubbed the scalp with Cuticura Ointment. They stopped my hair from falling out and cured the dandruff and itching of the scalp. I am glad to say that I possess a healthy head of hair for which I give all the credit to the wonderful Cuticura Soap and Ointment.

"I was also troubled with hives for several years each spring and fall. I began to bathe the body with Cuticura Soap and after applying the Cuticura Ointment to the skin. After using them several times in a week, the hives disappeared and I have never had them since then." (Signed) Mrs. Alma Abrahamson, Dec. 30, 1911.

The regular use of Cuticura Soap for toilet and bath not only tends to preserve, purify and beautify the skin, scalp, hair and hands, but assists in preventing inflammation, irritation and clogging of the pores, the common cause of pimples, blackheads, redness and roughness, yellow, oily, mothy and other unwholesome conditions of the skin. It does even more to promote skin and hair health among infants and children. Cuticura Soap and Cuticura Ointment are sold throughout the world. Liberal sample of each mailed free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."

Mothers should give the children Ely's Cream Balm for colds and croup. It is perfectly harmless, and pleasant to take.
