down" the navy without looking into it? Multitudes of men fail in life by refusing to investigate opportunities.

The navy is one big opportunity; an opportunity to see the world; to step out of humdrum life into a life of changing scenes, variety; an opportunity to educate your self by study and travel; an opportunity to learn a trade or work at one you now know (the navy employs 50 trades); an opportunity to become a CHIEF PETTY OFFICER, \$30 to \$100 per month, then WARRANT OFFICER, \$1,600 to \$2,500 per year.

Only young men, 17 to 25 years of age, can enlist, except men knowing trades. They can enlist over \$5 and at higher pay. Call at the Navy Recruiting station, postoffice building, Omaha, Neb., and hear the complete story of the navy from officers there. Or send for "The Making of a Man o' Warsman." a free book. Tells in pictures and simple language everything you want to know about navy life, work, food, pay, play, promotion, travel, etc. Have your parents read it. Send to day and you wan't forget.
