

TO ORGANIZE ALL MOTORISTS Auto Owners Between Chicago and California to Work Together.

BOOST FOR OVERLAND ROUTE Object is to Perfect Roads to the Coast to Insure the Choosing of Overland Route by the Government.

Acting under a suggestion by A. L. Westgard, who is gathering data for the government and the American Automobile association for the laying out of a trans-continental route, the Omaha Auto-Motor club will make the first move in organizing all the motorists from Chicago to California along the overland route into one large body.

A. W. Lawrie of the Omaha Auto-Motor club said yesterday the proposition placed before them by Mr. Westgard will be followed up at its meeting of the club next week. The object of the organization will be to raise a large fund for the purpose of perfecting the overland route from Chicago to San Francisco and make the road such that there will be no doubt but what it will be chosen as the official national highway from coast to coast.

Not only will the Omaha Auto-Motor club be interested in the first move, but also the Commercial club, through the good roads committee, which has promised every support to the undertaking. H. E. Fredrickson, chairman of the good roads committee, received today permission from the aldermanic council of Chicago to use the name of that city in connection with Omaha in marking the route from Omaha to the Chicago metropolis. Mr. Fredrickson will wait until after the meeting of the Auto-Motor club before he starts on his journey to Chicago. He will take with him a committee to preach the gospel of good roads and also interest the motorists in the towns along the line in the organization, which is to be started before the Omaha boosters leave.

Many City Officials Indicted for Graft and Neglect of Duty

DENVER, Sept. 12.—As the sequel to a war of newspaper accusations that featured largely the citizens' party campaign in the city and county election of last spring, more than a score of present and former city officials and prominent business men of Denver gave bond today in the criminal division of district court to answer to a special grand jury's indictments.

The indictments contain an infinite number of allegations of bribery, misuse of the city's streets, theft of franchises, operating disorderly houses, renting property for such purposes, neglect of duty in non-enforcement of laws and obstructing public streets.

In all forty-six true bills were returned upon the testimony of many witnesses, some of whom are under bond to remain in the city and some of whom are in jail for lack of bond.

Mayor Arnold and his predecessor, Robert W. Speer, are alike charged with failure to enforce the laws against open vice, together with the present and former chiefs of police and the fire and police boards, both past and present.

ON WAY TOWARD SOCIALISM, SAYS WILEY OF THE NATION

WASHINGTON, Sept. 12.—The United States is going more and more toward socialism and state aid for the public schools is socialistic, declared Dr. Harvey W. Wiley, speaking in favor of dental inspection in the public schools before the National Dental association tonight.

SAYS TRUST TECHNICALLY CANNOT BE DISSOLVED

CHICAGO, Sept. 12.—The Standard Oil company has not been dissolved. The federal government cannot dissolve the corporation, because a dissolution must come from the state which gave it its charter.

BRANDEIS FARM IS SOLD TO DENISON MERCHANT

Arthur D. Brandeis announces the sale of his 300-acre farm west of Florence to George Nenagh, a merchant of Denison. The sale price was in the neighborhood of \$60,000. The purchaser will use the farm for feeding stock for the South Omaha market. Mr. Brandeis sold the farm because he wishes to confine his attention to the Brandeis stores.

Commercial Club is After New Members

The twenty-seven members of the membership committee of the Commercial club at a meeting have pledged themselves each to bring in at least four new members to the Commercial club before the club is to take up its quarters in the new building about the middle of October.

INDIANS BECOME HOMESICK

Buffalo Bill's Redskins Leave Show in Nebraska.

ARE HARD TO FIND FOR SHOWS

Many of Them Are Prosperous Farmers and it is Hard to Get Them Away from the Reservation at This Time.

Colonel Bill McCune of Omaha, who has the contract to supply Indians for Buffalo Bill's show, was called out rather suddenly a few days ago to supply a gap in the ranks of Colonel Cody's Indians, when twenty of them got homesick at Norfolk and took the train for the Pine Ridge reservation. Every year after the show has been traveling in the east for some months and then gets back to Nebraska or the Dakotas, some of the Indians get homesick for the reservation and often leave the show without giving Colonel Cody more than about three seconds' notice.

Leave the show at Norfolk. When the show played at Norfolk and the Indians scented the breezes of old Nebraska and at the same time met some of their friends who had come down from the Pine Ridge to see the show, they suddenly got the longing and together with their friends took the night train for the reservation. Colonel Cody at once communicated with Colonel McCune of Omaha, who was soon on the way to the reservation to contract for more Indians. This is one of the hardest times of the year to secure Indians for show purposes, Colonel McCune says, as most of them are farmers and have crops that must be harvested at this time. On the other hand the show season is nearly over and the Indians have enough business ability to calculate that it will not pay to let a good crop go unharvested for the sake of the few dollars a few more weeks of show work would bring them.

Storz Triumphs to End Season Sunday With the All Stars

On Sunday afternoon at Rourke park the Storz Triumphs and the All-Stars will clash for the final appearance this season of the brewery lads, who are closing a very successful season, having lost but three games.

The All-Stars will be composed of ball players making their home in Omaha for the winter, having played in different parts of the country this season. The following have already agreed to take part: Eddie Rubin, who played with the Huntsville, Ala., club until it disbanded and then went to Humboldt in the Mink league; Chick Farley, also of Huntsville and later with the Beatrice team of the Mink; Harry Williams, who has been playing great ball the last two years for Galveston in the Texas league, and Jim Kelly and Morry Miller, who have been with Wayne, Neb., all year. They also have hopes of the following players returning home in time to permit their taking part: "Dutch" Henry, who was with Fremont this year and drafted by the Columbus team of the American association; Joe Lutz of Kearney, who still belongs to the Omaha club and is to be given another tryout next spring; Ed Spellman, Kearney's hard-hitting catcher; "Clank" Clair, Nebraska City's popular manager; and Pitcher Hanson ofeward, who lives in Council Bluffs; Charles Cox, the veteran backstop, who used to catch Jack Warhop, now in the lineup.

WOMEN COMMEND RYDER FOR APPOINTING WOMAN

Resolutions commending Commissioner Ryder for appointing a policewoman were passed by the Frances Willard Woman's Christian Temperance Union Wednesday. Mrs. Albert N. Eaton, who has been secretary since the organization of the club seven years ago, declined re-election.

These delegates were elected to attend the state convention at Central City September 24 to 27: Mrs. J. M. Tallafiero, Mrs. Albert N. Eaton, Mrs. Frank Butts. The alternates: Mrs. F. P. Chambers, Mrs. C. A. Burdick, Mrs. G. W. Keetle. The following superintendents of departments were chosen. Mrs. J. M. Tallafiero, anti-narcotics and scientific temperance; Mrs. Albert N. Eaton, Christian citizenship; Mrs. C. W. Ogil, evangelistic; Mrs. George W. Covell, franchise; Mrs. J. G. Hart, flower mission; Mrs. F. A. Follanbee, jails and prisons; Mrs. Frank Butts, literature; Mrs. J. A. Dalzell, mercy and relief; Mrs. L. Sazell, medical contests; Mrs. H. N. Craig, mothers' meetings and cradle roll; Mrs. Carrie D. Scott, young people's branch; Mrs. R. H. Lenderous, Loyal Temperance Legion; Mrs. C. J. Robertson, Mrs. J. J. Cameron, Sunday school; Mrs. G. W. Covell, temple fund; Mrs. R. L. Jenkins, work among foreigners.

UNION PACIFIC TO FIGHT SCOURGE AMONG HORSES

While meningitis has not appeared to any alarming extent among the horses along the lines of the Union Pacific in Nebraska, the company is taking steps to aid the state officials in stamping out the disease. All of the live stock agents in the employ of the company are advised to be particularly alert and report cases of the disease as soon as they appear.

Along the Kansas lines of the Union Pacific, in a number of counties, it is said that meningitis has become epidemic and the loss of horses has been heavy. This is especially true in the central and western portions of the state. So far few cases have been reported from points east of Marysville, Kan.

Persistent Advertising is the Road to Big Returns

BOHEMIANS EXCLUDE CHICAGO

Northern Delegates Steam Rolled by Iowans and Nebraskans.

LOVE STAR STATE IS OUT TOO

Fraternals Union Votes Decisively Against Texas and Chicago on Account of the High Death Rate.

Chicago and Texas will be excluded from the scope of the Western Bohemian Fraternal union during the next five years. This was the final decision of the convention in session here at Tel Jed Sokol hall after a heated discussion.

The Chicago case was defeated by a two-third majority, the solid vote of Nebraska, together with a good number from Iowa and scattered ballots from other states being enough to "steam roll" the Wisconsin, Michigan and Minnesota delegates who were ardent supporters for admission. The Windy City matter was debated for fully two hours before it was finally put to the vote of the convention.

Health Rate Lower.

In explaining the action of exclusion Nebraska Bohemians declare that one of the principal reasons is the fact that the Illinois health rate is much lower than in states like Iowa, Missouri and Nebraska and that to admit Chicago on an equal insurance footing would not be justice to other members of the union who live in more favorable climatic conditions.

Another reason given was the desire of Chicago to have admission exclusive of the state of Illinois. Figures quoted at the convention show that approximately 100,000 Bohemians are residents of Chicago at the present time.

Texas in Poor Health.

Texas received a total of 150 votes in favor of its admission and 192 against. Oklahoma delegates fostered the Texas case, but their efforts were not successful enough to overwhelm the heavy vote of Nebraska and Iowa. Health conditions are also said to have had much influence in the Texas matter.

Hadley Declares for Republican Ticket

JEFFERSON CITY, Mo., Sept. 12.—In a speech to the republican platform committee this afternoon, after the adoption of the platform on which the state campaign will be waged, Governor Herbert S. Hadley unequivocally declared for the state ticket and promised to explain later his attitude on the national ticket so that there would be no doubt as to where he stood.

A resolution that A. D. Norton resign as judge of the St. Louis court of appeals because he accepted the nomination for governor on the progressive ticket was defeated at the solicitation of John C. McKinley, republican candidate for governor, who feared that such a resolution would only advertise the progressive party.

SMALL HOG SUPPLIES REFLECTED BY MARKET

CINCINNATI, O., Sept. 12.—(Special Telegram)—Price Current says the marketing of hogs continues to reflect rather small numbers, presumably due to the low situation of supplies in a marketable condition. The quality of stock being shipped is somewhat variable, but is mostly averaging pretty well.

Table with 2 columns: State, 1912, 1910. Rows include Chicago, Kansas, South Omaha, St. Louis, St. Joseph, Indiana, Milwaukee, Cincinnati, Ottumwa, Cedar Rapids, Sioux City, St. Paul.

FIFTEEN HUNDRED DEMOS ON BOARD WRECKED BOAT

NEW YORK, Sept. 12.—Members of the Hudson County Democratic association of New Jersey, who were reviewed on parade by Governor Wilson in Jersey city today, had an exciting experience tonight when the excursion steamer Perseus on which they were returning from an outing on Long Island, went on the rocks in the East river.

PRESIDENT TAFT POSES FOR MOVING PICTURE MEN

BEVERLY, Mass., Sept. 12.—President Taft posed for the moving picture men today. He planted a hickory tree while the shutters whirred off hundreds of feet of film, and sat with Mrs. Taft on the veranda of Paramatta while the machines were pointed at him and then learned tonight that it all must be done over again. A light fall of rain and overcast skies spoiled the films. Another try will be made tomorrow if the weather is good.

Police Arrest Men With Stolen Goods

A few hours after Harry Hansen, 101 North Sixteenth street, reported to the police that his home had been visited by burglars and several articles of clothing stolen, Detectives Dunn and Kinnely arrested W. M. Perkins, Henry Miller, J. H. Williams, Walter Farrington and William Parrin, all colored, in a house near Fifteenth and Nicholas streets.

In the possession of one of the negroes was a pair of shoes stolen from Hansen, and other articles seen in the place lead the detective to believe that they have the men who are responsible for a large number of the petty burglaries that have been reported during the last month.

ODD FELLOWS PLAN PICNIC

Lodges of Omaha and Suburbs Will Meet Saturday at Florence.

GOVERNOR ALDRICH TO SPEAK

Prominent Barristers and Judges to Talk—Florence Decorating its Streets for the Occasion.

Governor Aldrich, Congressman George W. Norris, Judge Sutton of Omaha and Judge Loomis of Fremont will be the principal speakers at the Odd Fellows' basket picnic to be held at Florence Saturday afternoon. County Superintendent W. A. Yoder, J. H. Sinclair and R. H. Olmsted will also make short talks. Nineteen lodges of Omaha, South Omaha, Benson and Florence will unite to make the outing one of the largest held this summer.

Citizens of Florence are making elaborate preparations to welcome the picnickers. Electric lights have been strung in the Florence City park, a dance platform erected and a merry-go-round and other amusement features installed. The mayor of Florence has issued a proclamation requesting the suburbanites to decorate their places of business and residences Saturday.

Wisconsin Moosers Fear La Follette

MILWAUKEE, Sept. 11.—Fear of a clash with United States Senator La Follette blocked the naming of a full state progressive ticket by the state convention here today.

Progressive leaders felt that the naming of a state ticket in opposition to the republican state ticket would not only precipitate a fight with Senator La Follette but would prevent support for the progressive cause from Governor McDowell.

There was considerable sentiment, particularly among delegates from northern Wisconsin for a complete ticket. Some of the delegates had been so instructed. After deliberating tonight the committee on nominations decided to delay action.

Episcopal Rector Arrives Saturday

Rev. T. J. Mackay of All Saints' Episcopal church is on his way home and will arrive Saturday in time to arrange for services Sunday. Dr. Mackay has been in Europe and on his way home he stopped in Ohio, where he performed the wedding ceremony joining his son with Miss Zollinger.

NEW PASSENGER ENGINES USED BY UNION PACIFIC

The new engines of the Pacific type are being put into the Union Pacific passenger service as soon as completed at the local shops. These engines are built on the racehorse plan, being long, lanky machines, but possessed of great pulling and speed power. One of them on its second trip out hauled a train of seventeen cars of passenger equipment up a grade of twelve feet to the mile at a speed of fifty-eight miles per hour.

Political Notes

Charles H. Campbell, aged 59, of Shelburne, Ind., progressive national committee member, died of injuries received in an automobile accident last Monday.

The expected call for a women's republican state convention in Idaho to nominate state Honorary Congressional tickets composed entirely of women was not made yesterday.

Governor Woodrow Wilson and Charles F. Murphy, leader of Tammany Hall, are scheduled to meet in Syracuse, N. Y., today for the first time since the New Jersey executive was nominated for the presidency. Present also at the meeting, which will be informal, will be Governor John A. Dix.

The progressive party of Delaware in state convention named three presidential electors and a state ticket, nominated State Senator Louis A. Drexler of Sussex county for congress, adopted a platform and selected the figure of a bull moose as the party emblem. The state ticket is headed by George B. Hynson of Milford for governor.

CITY UPHELD IN MAIN SUIT

Court Refuses Restraining Order to Twenty-Eighth Ave. People.

COUNCIL VIOLATED NO LAW

Judge Troup Holds that Council and Water Board Must Work Together and Could Change the Routing.

Twenty-eighth avenue property owners lost their suit to restrain the city from laying the new forty-eight-inch water main in the avenue in district court yesterday, when Judge A. C. Troup, of the equity division, found for the city and refused to issue a restraining order.

Judge Troup held that in the absence of great fraud the law gives the court no authority to review the judgment of the water board and the city council in such a matter as to the routing of the main.

A. W. Jefferis, attorney for the Twenty-eighth avenue people, had laid great stress upon the contention that the Water board routed the main through Twenty-seventh street and changed it to Twenty-eighth avenue only because the city council wished the change made and would not issue a permit for laying the main in Twenty-seventh street. He also contended that the Twenty-eighth avenue route would cost the city at least \$17,000 more than the original route and because of the angles in the new route the main could not be so efficient and more fuel would be required to operate it.

PROMOTIONS AND CHANGES AMONG BURLINGTON FORCES

In a rearrangement of its working forces the Burlington has transferred D. E. Lynch, trainmaster at Alliance, to Orleans, where he becomes road and trainmaster.

W. P. Mettlen, yardmaster at Omaha, is promoted to trainmaster at Table Rock. J. E. Johnson, trainmaster at McCook, is transferred to Omaha, where he will fill a similar position, succeeding G. L. Griggs, promoted to superintendent at Sterling, Colo.

W. G. Duggan, trainmaster at Orleans, goes to McCook in the same position.
