Dear Sir:

V Yours of Jan. 24th received and would say that I received a letter from you but was sick at the time and so it was laid aside at the time and so got into the waste basket. Now would say about my policy, it was a \$2,000.00 policy and 10 years to run. I kept no special account of it, but will say that, when I settled up with the company, they paid up on the cash basis all O. K. and if I knew any one wishing insurance would advise them to take policies in the Bankers. My sons both have policies in the Bankers now. They are both satisfied with the Bankers insurance in every sense of the word.
