**Contracts Are Let for Furnishing the Emergency Hospital**

At a special session of the city council yesterday bids for furnishing and completing the repair work on the city emergency hospital were read and contracts let. Hayden Bros. secured the contract for the furnishings, which will cost not less than \$1,807.30. Rutherford Jensen was given the contract for painting. His bid was \$465. The special session was held at the instance of Police Commissioner Ryder, who is attempting to complete the hospital and have it opened the first of the month. Health Commissioner Connell attended the meeting and explained the urgency of the situation, and advocated letting the contract for furnishing to Hayden Bros. in bulk, as one bid submitted by that firm read that way. Hummel said he had a bill from the Omaha water board for \$233.62 for water used in the parks in July and August. He has refused to pay it, because, he says the city owns the water plant and ought not to be compelled to pay for its water. The statement was referred to the city attorney. There are other similar bills in the park commissioner's office, which are being held up. The Omaha Leather company protested that certain sections of Farnam street were being obstructed by displaying cases of merchants on the walks. Commissioner Ryder is drafting an ordinance regulating such businesses. An ordinance requiring transient merchants to take out a license at the rate of \$5 per day was introduced by Commissioner Ryder.

**PROGRAM FOR THE TEACHERS**

**Glimpse at What is in Store for the Coming State Convention.** **NOTABLE EDUCATORS TO COME.** **Theme of All Discussions at Meeting Will Be Economy and Efficiency in the Work of the Schools.** While the program for the Nebraska State Teachers' association, which is to meet here in Omaha November 6, 7 and 8, is not complete it has progressed far enough to insure participation by some of the most notable educators in the country. The executive committee has made the theme of the discussions "Economy and Efficiency in Education," and built the program around it, and many good things are promised the teachers who attend. United States Commissioner of Education Dr. P. P. Claxton will give the opening address Wednesday evening. Miss Patty Smith Hill, kindergarten director of Teachers' college, Columbia university, New York, perhaps the most widely known kindergarten worker in America, is to appear upon the general program. Dr. F. M. McMurry of Columbia university, a well known author of methods texts, will give two addresses, one upon his book, "How to Study," which is the reading circle book for the year. Judd, Chicago university, will be one of the delightful and popular orators of national fame. President James W. Crabtree of River Falls, Wis., will bring one of his helpful sympathetic messages. It is practically assured that the Hon. W. J. Bryan will give the chief address on Friday evening. The Mendelssohn choir under the brilliant leadership of Thomas J. Kelly, assisted by two or three of the most noted soloists in America, will furnish the entire program. The demand was so great for the trade excursions that Friday afternoon has been set aside for this purpose. There will be no general sessions Friday morning. The sectional programs will be Thursday afternoon and Friday forenoon. The trade excursions will be carefully planned and the entire afternoon of Friday devoted to them to enable the teachers to become acquainted with the industries of our great metropolitan city. It will put new life and enthusiasm into the teaching of geography, civics and history. It is confidently expected that the enrollment this year will reach the 5,000 mark. **HYMENEAL** **Calkoun-Reed.** Miss Adeline Calkoun of Kearney, Neb., daughter of Alex. Calkoun, and Mr. Ernest A. Hendrickson, Ohio Falls, Ind., writes, "Chamberlain's Cough Remedy is the best for coughs, colds and croup and is my best seller." For sale by all dealers.

**Jewish Citizens All Join in Observing Jewish New Year**

The Jewish new year was generally observed by Jewish citizens of Omaha yesterday. Rabbi Frederick Cohn held services in the morning in Temple Israel and also held services in the evening. Services were also held at Anshe Coloman, Beth Hamedrah Hagadol and the synagogue. Places of business of the Jewish citizens were in many instances closed. Orthodox believe will observe today as a holiday. **SCOPE OF TAX SUIT IS WIDE** **If Fight for Reduction is Won City and County Will Lose.** **CASE IS BROUGHT AS A TEST** **It is Set Forth that Valuation is Raised Arbitrarily Without Notifying the Property Owners.** Material reductions in revenues derived by state, county, city and school district from taxation of Douglas county realty will result if Annie Kuykendall and Minnie B. Cobb of Denver, file their suit to enjoin the county and Treasurer William G. Ure from putting into effect the general increase in real estate valuations, which was made known by the county equalization board last July. It has become known that the Kuykendall action is brought as a test case and if the contention of the Denver women is upheld other property owners affected by the increase will start similar suits. Mrs. Kuykendall and Mrs. Cobb, owners of what is known as the Myers-Dillon corner, Sixteenth and Farnam streets, assert the valuation of their property was increased from \$274,000 to \$412,000. They allege that the assessor returned a valuation of \$274,000 to the equalization board and just before the board adjourned it increased the valuation to \$412,000 without giving the owners notice and opportunity to protest. **Part of General Increase.** The increase of the Kuykendall-Cobb property was part of a general increase in valuation of all business district property between Howard and Dodge streets and Twenty-fourth and Tenth streets. The increase amounted to a total of about \$2,000,000 actual valuation and \$400,000 taxable valuation. If the Kuykendall contention is sustained and the increase held invalid the city's revenues next year will be reduced approximately \$30,000, the county's \$6,000, this school district's \$5,000 and the state's a little over \$2,000.

**County Dads Hold Protection Meeting**

Not to be caught napping if Caldwell & Drake should make some move against the county to prevent its occupancy of the new county building, the Board of County Commissioners held a meeting yesterday. The county Wednesday having refused to pay the contractors any part of the 15 per cent reserve of the contract price, and having given notice it will occupy the building at once, it was anticipated that Caldwell & Drake might start some legal action to collect money or prevent the county's occupancy of the building. The board wanted to be ready to combat any action that might be taken. Nothing developed, however, and the board took an adjournment until today.

**Gamblers Arrested in Wellington Hotel**

Deputy Sheriffs Wright and Musgrave broke up a very pleasant poker game shortly after 2 o'clock yesterday afternoon when they swooped down on the Wellington hotel at 1817 Farnam street. Charles Woods is alleged to have been in charge of the gambling room and was arrested in company with five other men who were playing. Woods was arrested by the police last year for running a gambling joint over the Pope Drug store at Thirteenth and Farnam streets, but was discharged in police court.

**Manufacturers To HAVE BIG CONVENTION**

The Omaha Manufacturers' association has authorized a committee of three to arrange for a state-wide convention to organize a state association of manufacturers. It was thought that November would perhaps be the best time for the holding of such a meeting. The committee has not yet been appointed. Some time ago 1,500 letters were sent to manufacturers in all parts of the state asking their opinion of the proposition of forming a state association. Of the many replies received to these communications there was not a dissenting voice. The manufacturers also decided to take a responsible part in the entertainment of the party of Pittsburgh business men who are to be here next Monday afternoon with the "Made in Pittsburgh" train.

**Briggs and Hyers GET CHANGE OF VENUE**

Chief of Police Briggs of South Omaha and Sheriff Hyers of Lancaster county will have their trial for the killing of Roy Blunt in Saunders county, of which Wahoo is the county seat. Motion for a change of venue was filed last May. Blunt was the innocent victim of the convict chase in which two of the criminals were killed and the third captured. **A Ton of Gold** could buy nothing better for female weaknesses, lame back and kidney trouble than Electric Bitters. **FILM COMPANY IS ORGANIZED**

Union Pacific Given Charter to Manufacture Motion Pictures. **INSTRUCTIONS TO ITS EMPLOYEES** **Films Will Be Used by Company to Teach Employes How to Economize and to Avoid Accidents.** The Unipa Film company, closely connected and associated with the Union Pacific, has been organized and given a charter to engage in the manufacture of moving picture films for educational and commercial purposes. The new company is an adjunct of the Union Pacific's educational department, of which D. C. Buell is the head. The company has a number of moving pictures in use and is preparing to install more. For the present, at least, the films will be used in carrying on extensions of the Union Pacific's educational work among the employes. The pictures take up all lines of work on the system where motion pictures will tend to make the employes more efficient. At Council Bluffs a series of pictures are being made for the purpose of illustrating the proposition of fuel economy. At other points on the road pictures are being made to show how accidents may be prevented under certain conditions. For the classes in locomotive engineering, motion pictures of engines and the different parts have been made and at division points and terminals the reels are being shown. The purpose of the moving picture is to enable men who are taking the educational course to come in more direct contact with the subjects in which they are specializing. **Hard Fight is Made to Land Convention** Omaha is making an effort to land the next convention of the National Federation of Retail Merchants which is to hold its next meeting November 15. The fight for this convention has centered down until it lies between Indianapolis and Omaha. The matter of selecting the place rests with the executive committee of the federation, which is soon to meet to decide on where the meeting is to be held. Manager Parrish of the Omaha publicity bureau is doing all he can to keep Omaha in the foreground in the minds of the executive members, although it is admitted Omaha may have hard sledding in the contest, as practically all the members of the executive committee are eastern men. P. P. Fodera of Omaha is the only Nebraska man who is on the executive committee. The federation had 600 present at its last meeting in Chicago.

**INTER-CLASS WAR DECLARED**

**Sophomores at Creighton Medical Imprison Freshies.** **TAMISEA RESCUES FRESHMEN** **Oriental Foot Ball Star Uses His Beef in Storming Door and Soon Liberates His Trapped Classmates.** The first skirmish preliminary to the annual interclass squabbles at Creighton Medical college was held Wednesday afternoon at the Medical college when the sophomore class penned the freshies up in the basement. The freshman locker room is in the basement of the new building, directly below the main entrance. At the conclusion of one of the class periods, the freshmen repaired to the basement to get their hats. The majority of the sophomore class, which happened to be free at that moment, was loitering about the entrance. They meekly stood aside and let the freshmen enter. Then their tactics changed, and they closed the door with a slam. At once the freshmen set up a howl, but to no avail. The sophs enjoyed the fun, and all would have been well had not ambition led them astray. Spying one lone freshman who had been overlooked in the melee, they attempted to cage him, too. They succeeded, but in so doing were forced to open the door an inch or so to admit his struggling body. Whereupon, "Jap" Tamisea, center of the varsity foot ball team and one of the incarcerated ones, put his weight behind that of the rest of the freshmen, and pushed the entire class through the partially opened door and through the awed sophomore. Once liberated, the freshmen were not further molested, as it numbers among its members several huskies, who are likely to represent Creighton on the gridiron this fall. **Sergeant Vanous Becomes Benedict** Sergeant Anton Vanous of the Omaha police department and Mrs. Mary Melta-hausen were married yesterday afternoon at the home of the bride's daughter, Mrs. Alfred Westergard, Thirteenth street and Boulevard. County Judge Bryce Crawford performed the ceremony. **WELLMAN SCORES ANOTHER RECORD BREAKER ON HOGS** G. Warren Davis of the Barton ranch, topped the South Omaha market yesterday with a load of his famous thoroughbred Berkshire hogs at \$5.70 per hundred, the highest price that has been paid at the local exchange for nearly two years, which was also a nickel above any other price paid yesterday. The load consisted of sixty-four head, averaging 234 pounds, and brought \$1,306.74, or \$20.41 per head. They were sold by F. F. A. Wellman of the firm of Biss & Wellman. The price is the top notch for hogs reached since October, 1910, when a load sold for \$6.05 per hundred. **RECEIVED HIGHEST AWARDS** World's Pure Food Exposition, Chicago, Ill. **Paris Exposition, France, March, 1912.**

**The SOCIETY of the BEE-HIVE**  
By MELLIFICIA. Thursday, Sept. 12, 1912

**THE DECORATIONS** were unusually attractive at the large and elaborate dinner parties given Wednesday evening at the Field club. Mr. Herbert Connell entertained at one of the larger parties in honor of his guest, Kenneth Wallace, of California. The table resembled a flower garden of cosmos. About a score of small glass vases filled with feathery pink and white cosmos made the table one of the daintiest imaginable. Mr. Charles Ware was host at another party. The table was in the form of a hollow square in which was a beautiful sunken garden effect. American Beauty roses were in the center, and following the dinner were given to the guests as favors. Around the roses were palms and cat-tails, with a border of pink snap dragons and ferns reaching to the inner edge of the hollow, square table. It was one of the most elaborate table decorations used at the club this year. Mr. and Mrs. Harry Kelly entertained at a large dinner party in the green room. A basket of pink Killarney roses formed the centerpiece and ferns further decorated the table. At most of the smaller tables asters were used, combined with green foliage. The head waiter and his assistants seemed to have outdone themselves in the artistic decorations, which added greatly to the evening's pleasure.

The bride wore a pretty wedding gown of white satin draped with white marquisette and trimmed with princess lace and pearls. She carried a shower bouquet of bride's roses and swansonia. The groom's gift was a pearl pendant. There were no bridal attendants. Following the ceremony there was a wedding supper, when about thirty friends and relatives were present. For supper the guests were seated at two long tables, decorated with baskets of pink roses. Mr. and Mrs. Brown will go east on their wedding trip and after the middle of October will make their home in Chicago.
