COLLEGE men seem to know all about good clothes without any special instruction; they learn by observation. One thing most college men know is that

Hart, Schaffner & Marx

make the kind of clothes they want; the style they want, materials they want, the tailoring they want. These critical young men appreciate the shape-keeping quality of all-wool fabrics and careful tailoring; they know how to measure the value of clothes by the frequency with which the suit goes to the presser; style that keeps in shape counts to the college men.

The new Varsity Line

Hart, Schaffner & Marx have reached the highest point of excellence in the new Varsity models for young men. There's an artistic quality about these goods that cannot be found in any other clothes.

No freakish ideas are embodied in these Varsity models; they're clothes made for young gentlemen; you'll look right in any of these suits; a good many models to choose from.

Many fine fabrics in grays, browns, blues, tans; many choice weaves—serges, chevrons, tweeds, fine worsteds, Scotch and English weaves.

Young men are especially invited to see them here.

Suits, \$18.00 and up.

Overcoats, \$16.50 and up.

See our opening display of the "Hayden Wonder," Blue Serge Suits—you'll find no better suits in America priced under \$18.00. In them you'll find hand tailored workmanship, all wool fabrics, full weight, fast colors, perfect styles.

WOODS HELD TO AWAIT TRIAL

Five Others Arrested in Spectacular
Movement of Sheriff Dismissed
by Police Judge Foster
on Hearing.

Charles Woods, arrested Thursday afternoon in a raid at 1819 Farnam street on the charge of conducting a gambling house, was bound over to the district court by Police Judge Foster under \$500 bonds. Tom Jones, Harvey Thomas, Jacob Wyder, W. Berg and J. Congrove, who were in Woods' apartments at the time, were discharged.

Testimony against Woods was furnished by John Scheff, a special deputy sheriff, who says he is employed by Charlie Fanning, who is carrying on a widespread anti-graft and anti-vice crusade.

Entrance was effected by breaking in a door leading to the suite of rooms occupied by Woods on the third floor. Although there were no games in progress when the deputies entered there were several decks of cards and poker chips scattered on the table and floor.

Woods testified that all the gambling paraphernalia belongs to J. Haley, a gambler, who occupies the room adjoining his suite and that it had been left in his care while Haley was in Denver.

Feel Shaky, Bilious, Headachy, or Constipated? Take Cascarets

Sick headaches! Always trace them to lazy liver, decayed fermenting food in the bowels or a sick stomach. Poisonous, constipated matter, gases and bile generated in the bowels, instead of being carried out of the system, is reabsorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, sickening headache.

Cascarets remove the cause by stimulating the liver, making the bile and constipation poison move on and out of the bowels. The effect is almost instantaneous. Ladies whose sensitive organisms are especially prone to sick headaches, need not suffer, for they can be quickly cured by Cascarets. One taken tonight will straighten you out by morning—a 10-cent box will keep your head clear, stomach sweet, liver and bowels regular, and make you feel bright and cheerful for months. Children need Cascarets, too—they love them because they taste good and never gripe or sicken.
