"It Beats Me **How ZEMO Cures** Skin Troubles!"

Pimples, Rash, Blotches, Prickly Heat, Eczema? All Gone!

A few applications of ZEMO, the re-markable new remedy for skin afflic-tions, and away go pimples, blotches, prickly heat, rash and the terrible itch-ing and pain of eczema and eczema

ores. You will wonder, too, where the blackheads went. It gives relief instantly in cases of eczema and on any irritated, inflamed or raw skin. Its any irritated, inflamed or raw skin. Its scotting effect is almost heavenly. You will never realize it until you use it. ZEMO is a liquid. You apply it in a moment. It sinks right in and its work begins. You will wonder when you see how clear and spotless it will leave your skin. This is why it cannot be equaled by anything in this world for sunburn or reddened win Use it on the children for wick.

skin. Use it on the children for prickly heat, on any sores, bites or stings.
ZEMO is absolutely safe. Dandruff is
nothing but eczema of the scalp; that's
why dandruff absolutely disappears
after using ZEMO.

It will cost you only 25 cents to
try ZEMO first and prove it.

ZEMO is sold in 25-cent and \$1 bottles, or sent direct, on receipt of prico,
by E. W. Rose Medicine Co., St. Louis,
Mo. Try a 25-cent bottle and when
convinced, get a \$1 bottle which contains six times as much as the 25-cent
bottle.

SUICIDES ALARM OFFICIALS

Destruction Among Insane.

COUNTY HOSPITAL INADEQUATE

May Be Solved Within Thirty Days, When Addition to the Lincoln Institution

is Completed. The problem of the care of the Douglas

auditorium of the Young Women's Chris- county insane patients may be solved tian association. The speaking will begin within thirty days, when one of the new buildings at the state hospital for insane at Lincoln will be completed.

Robert Smith, clerk of the Douglas county district court and member of the county board of insanity commissioners, has written Land Commissioner Cowles at Lincoln again, urging that some arrangement for the state to care for the county's insane patients must be made.

The county hospital is inadequate to the care of the fifty-three insane persons now housed there. The building is old and unsanitary and could not even be made serviceable without thousands of dollars' expense.

In the last few months several of the patients in the county hospital have committed suicide. It is impossible to prevent all such acts in the present inadequate hospital.

Commissioner Cowles is of the opinion that when a new building at the Lincoln hospital is completed the state will be able to care for most of the Douglas county patients.

Progressives File

gressmen of the progressive party were filed in the office of County Clerk Frank Dewey yesterday.

The list is identical with that of nominations made by the republican party at the general primary in August. The names will appear but once on the offi-Clerk James V. Chizek. They will appear general election, according to Mr. Chizek, discharged. The multiplicity of candidates for minor offices, including precinct assessors and district assessors, will make the use of machines impossible. In addition, the Board of County Commissioners months ago by resolution abolished the use of the machines and ordered them sold. A lawsuit, started to enjoin the board from enforcing these resolutions, was instituted by taxpayers supposed to be backed by the Empire Voting Machine company manufacturers of the machine. This suit

Key to the Situation—Bee

Lemere and Lake Leave Medical Advisory Staff of County Hospital.

CONDITIONS NOT AGREEABLE

fuse to Be Burdened with Responsibility When They Have No Authority.

Resignations of Drs. Henry B. Lemer and Frederick W. Lake as members of the medical advisory board of the county hospital have been tendered to the county commissioners, but the board has not yet received them.

Dissatisfaction with conditions at the hospital and indisposition to be burdened with responsibility for management of the hospital without having authority to manage it are the causes of the actions of the doctors

The resignation came several weeks ago, when Superintendent Ed P. Robinson of the hospital became dissatisfied with the conduct of House Physician Charles Needham and asked for his resignation. Needham prepared a resignation and delivered it to the advisory board. whereupon Superintendent Robinson informed him that the county commissioners was the proper body to receive the resignation.

Resignation Accepted.

The resignation went to the commissioners and was accepted. Shortly after this incident it came to the attention of the advisory board members and Drs. Lemere and Lake resigned. Dr. F. E. Coulter, the third member of the board, is out of the city. So far as Drs. Lemere and Lake know he has not resigned.

The county commissioners have not received the ductors' resignation; no member of the board will say he has received them; nevertheless, Drs. Lemere and Lake both declared they have resigned. Charges Are Probed.

Dr. Needham is the same man who was charged with improper conduct by L. J. Storkam, former county hospital druggist last spring. The grand jury and the county commissioners with the advisory board, probed the charges. The grand jury sustained them. The county commissioners and the advisory board d'd not specifically rule in the matter of the charges, but recommended the dismissal of Needham and others, with the provision that Needham later might be renstated. He was reinstated a month

Lieutenant Smith Heads High School Cadet Battalion

Acting under authority given him by the Board of Education, Superintendent Graff of the Omaha schools yesterday afternoon appointed Lieutenant Ray

tions of efficiency. After his graduation he was sent to the Philippines, remain ing there a year and coming to Omaha with the Fourth infantry. He is an aide on the staff of his father.

Lieutenant R. D. Smith has not yet formally accepted the appointment. He will see the cadets at drill and will consult with Superintendent Graff, after which he will decide whether or not he will accept the command.

University of Omaha

The latest step taken by the University student senate. It will gradually shape itself into an efficient and democratic student government.

The senate will be made up of representatives of all four classes. The balance of power, however, will be given to the upper classmen. Ten members will constitute the organization, four seniors, three juniors, two sophomores and one freshman.

While every matter of discipline will in some way be brought before this board for action it will not be final, as appea may be taken to the faculty. The func tion of the board will be largely adminis trative. On all matters pertaining to student life it will exert a strong influence and will probably have charge of student publications, entertainments and all activities that have to do with intercollegiate relations.

HIGH SCHOOL GLEE CLUB **ELECTS ITS OFFICERS**

The Glee club of the Omaha High school held its annual election of officers yesterday afternoon, and also issued a call "or candidates. Besides the old members of last year, about fifteen candidates responded to the call. The following officers were elected:

President, Kendall Hammond, Vice president, Harry Claiborne. Secretary, Howard Over.

Treasurer, Kenneth Craig. Sergeant-at-arms, Charles Robel and Arthur Shrum.

In choosing a musical director it was decided that the club would have either in charge of operation, Mr. Slifer had Prof. Graham, last years' director, or Miss Fannie Arnold, head instructor of all music in the public schools. The school will pay Miss Arnold for her services and if it has' Mr. Graham, the club will have to pay for the training and so it is doubtful as to who will be

LIGHTNING STARTS FIRE IN BIG KITCHEN RANGE

BOONE, Ia., Sept. 19.-(Special Teleram.)-Lightning entered the kitchen at the home of D. C. Crandall during the storm today. Mrs. Crandall had just placed kindling and coal in the kitchen range, preparatory to lighting. The lightning ignited paper in the stove and set the kindling on fire, saving the house wife the trouble of starting it. No other damage was done.

Armies Blocked by Effective Work on Part of Air Scouts

CAMBRIDGE, England, Sept. 19.-The cience of aviation apparently is to revolutionize war. An official announcement was issued tonight that the army maneuvers had been abandoned and that a military conference would be held here tomorrow morning to adjudge the result and to explain the cessation of operations

This surprising signation arose from of the opinion that he will be ready to the fact that the rival armies had cope with the scourge and stop its reached a sort of stalemate, owing to effective air scouting, which entailed a constant change of tactics and made impossible any broad plan of action. A series of minor engagements was fought today at various places, and when nightrailroad officials bear out the statement, fall came the various forces were in such position that neither side could fact that the number of horses is much claim it had secured an advantage of less. The latest reports tend to show situation. They were so close together The king again today was many hours
