**ELECTORS TOLD TO STEP OUT**  
National Committee Asks Nebraska Rooseveltians to Resign.  
HARMONY MARKS MEETING  
Resignation of Committee Averted in California Not Accepted and He is Expelled for Disloyalty.  
NEW YORK, Sept. 18.—The republican national committee today accepted the resignations of its members from Minnesota, Oklahoma and Ohio and declared vacant seats held by members of New Jersey, West Virginia and North Carolina, who are Roosevelt supporters. Successors were named to re-taking members from Oklahoma, Ohio, New Jersey and North Carolina.  
The committee refused to recognize a telegram from Russ Avery of California, announcing his resignation, and voted to expel him for "disloyalty to the republican party." Chairman Hillies was empowered to appoint a subcommittee of three to recommend a successor to Mr. Avery.  
After luncheon there was a joint session of the national committee and the advisory committee lasting until after 6 o'clock. Chairman Hillies reported that the situation in the various states in regard to electors, which was unsatisfactory at the beginning of the campaign, is now in good shape. He said that of the 109 electors on the republican tickets in several states who turned out to be Roosevelt men, all had been replaced except in the states of Kansas, Nebraska, and California. He added that the Kansas case is in the courts, the Nebraska case soon will be and that a special committee will arrange for a new organization in California and place Taft electors on the ticket under some other name than that of the republican party.  
A resolution was adopted calling on the electors of Nebraska and Kansas "who were named as republicans, but who are now for Roosevelt, to retire at once. The resolution said the position of elector is a position of trust, and that those men owe a duty to the state as well as to themselves."  
Secretary Reynolds said after the meeting that everything was done in complete harmony and the vote to oust committee-men was unanimous in every case.

**Waldo's Secretary Is Involved in Story Of Graft by Police**  
NEW YORK, Sept. 18.—Investigation today by the aldermanic committee of the affidavit made by Police Captain John T. Reith, that \$10,000 had been demanded of him as the price of promotion to a captaincy during Commissioner Bingham's administration, developed testimony associating Winfield R. Sheehan, secretary of Commissioner Waldo, with a man "supposed to be getting graft."  
The testimony was given by D. J. Keilber, a private detective, who said he had been assigned in December last by Alfred G. Johnson, the under sheriff whom Reith accuses in his affidavit of having demanded the \$10,000 from him, to follow a lawyer named Norton. This man, "by common rumor," he said, was supposed to be collecting police graft from his office at 115 Broadway. He trailed Norton, he testified, to Sheehan's house. Sheehan discovered him there and kept him locked in while he sent for two detectives, but he was not arrested. Norton, he said, collapsed.

**Omaha Auto Tourists Sleep in a Haymow**  
GRAND FORKS, N. D., Sept. 18.—(Special Telegram.)—Stalled in the 100-mile miles from here when engine trouble, resulting from a heavy pull of several miles was experienced, Mr. and Mrs. Joseph McKechnie and three friends of Omaha, were forced to go to bed huddled last night with no softer place to rest their weary heads than piles of hay in the loft of a bonanza farmers' cattle barn and with no more comforting sound to bid them pleasant dreams than the moaning of Jerry in the stalls below.  
The McKechnie party, returning from the Pacific coast, came this way to see the Red river valley. They started from this city for Fargo late Tuesday afternoon, expecting to reach Fargo by nightfall. Prolonged rains had put the roads in bad shape and their trip from here was one continual round of trouble. When they had gone a short distance they found it imperative to run on low speed. The engine became overheated and they had to resort to the water treatment. A short distance from a big farm house the machine went hub deep in the gumbo and the trip was given up for the day, the party feeling sure that they could be accommodated at the farmer's home. After wading through oceans of mud the tourists reached the farm house only to find that the place was locked up and the family away from home. Rather than break into the house the Nebraskaers went to the barn, climbed the ladder to the haymow and cuddled down for the night. They were rudely awakened this morning by the "Well, I'll be-d-d," of the hired man.

**FAITH HEALER ARRESTED ON CHARGES MADE BY GIRLS**  
CHICAGO, Sept. 18.—The testimony of three young girls and a young wife resulted in the holding of Henry C. Oertle of Chicago Heights, an alleged "faith healer," to the grand jury on a serious charge. Ella Barman, 15 years old, was the complaining witness. She reluctantly told a story of the alleged practice of the "healer" that shocked those who heard it. **POLICEMAN HUMILIATED FOR TAKING FIFTY-CENT BRIBE**  
CHICAGO, Sept. 18.—A dramatic scene was enacted in the rooms of the civil service commission today, when Patrolman Fred E. Schuettler. Brandt admitted that he took 50 cents from a peddler, after arresting him for crying his wares, and then allowed him to go free.

WASHINGTON, Sept. 18.—A quarantine against practically all fruits and many vegetables from Hawaii, on account of the Mediterranean fruit fly, which has caused great damage there, was proclaimed by the Department of Agriculture today. It was effective immediately.
