Early Morning Fire Causes \$7,000 Loss to Alfalfa Plant

Fire broke out on the fourth floor of the Omaha alfalfa plant in East Omaha at 3 yesterday morning, causing \$7,000 damages, and for a while threatened to destroy the entire building. Although the fire was outside the city limits, the fire department made the run and prevented the entire building from being destroyed. The fire is supposed to have been started by sparks from an engine, igniting a pile of the feed. The entire fourth floor was eaten away by the flames. The damage was mostly caused by water. The company has been working two shifts of late in order to keep up with the

works. The fire will make it impossible for the company to fill many of the large orders at once. This is the busiest season of the year and a setback means a loss of thousands of dollars.

Swanson Funeral to Be Sunday Afternoon

Funeral services for Alexander Swanson, who died in Denver the early part of this week, will be held at the late residence, 533 South Twenty-seventh street, Sunday afternoon at 2 o'clock, Rev. James S. Kersey of the First Christian church officiating. Interment will be in Prospect Hill cemetery. The pallbearers who have been selected are John A. Swanson, Peter F. Swick, Jacob Letz, Edward M. Slayter and two members of the Marquette lodge at Sioux City.
