Pa's Men Land Hard on the Ind Pitchers, Pounding Out Singles and Doubles as the Game

Pa Rourke's pennant chasers lar hard on Miller and Campbell yester and had little trouble taking from S City the opening game of the series b core of 8 to 3. Bills worked for Rourkes for the first four and one-th nings, but he was wild and was retired in favor of Fugate, who worked fine. The Indians started off with a rush

and for a while it looked as if they would have little trouble keeping the lead, but the Rourkes "wised" up to Miller in the second inning and deadlocked the two-run lead the Iowans had smatched. The game was slow in every way and

listless. The visitors made three errors and Omaha was slow in the field. At bat the Rourkes worked good, and they were especially fast on the bases, piltering seven off Chapman. Niehoff's base running was glaring. In

the second he stole third, and in the seventh stole home while Campbell was inding up. Breen for the Indians stole on first and Breen on third, "Ducky" Cole, cf. Holmes flashed the signal for a double steal. Both men started as Bills began t wind up. Breen made a perfect hool slide and was called safe, while Tennan managed to get second easily.

And Thus They Played.

Tennant and Myers were both heavy on the stick. In the first inning it was Tennant's smash to the rightfield fence which sent Myers over with the first run

The Indians took the lead in the firs oning with two runs. With two down Myers singled to left. Breen was hi with a pitched ball. Tennant singled to right and Myers scored, Breen going to third. A double steal scored Breen. In the eighth Sioux City got its last run Breen singled to center. Tennant advanced him with an out, Schipke to Kane.

Evans grounded out. Chapman was hit with a pitched ball. Campbeil sent a bard one to Niehoff, who threw wild to Breen singled to center. Tennant ad- coln. hard one to Niehoff, who threw wild to Kane and Breen scored

Omaha made two in the second. Schipke landed safe when he forced Kane out at cond. Schipke stole second and scored Niehoff's double. Scanlon singled, scoring Niehaff. In the third, Covie Thomason beat out a but. Coyle stole second. Johnson struck out. Kane forced Thomason out at second and Coyle

Schipke landed safe on Breen's erro in the fourth. Niehoff sacrificed. Schipke stole third and scored on Scan lon's out, Smith to Tennant. In the fifth Coyle beat out a bunt. Thomason sacri ficed and Coyle scored on Kane's single to right. Johnson landed safe in the seventh on an infield hit. Kane singled Schipke sacrificed. A passed ball scored Johnson, Niehoff walked. Scanlon doubled, scoring Kane, and Niehoff stol-

Repeating Shotguns

Trap shooting brings out the shooting qualities of a gun as nothing else. Winchester Repeating Shotguns last year won both the Professional and Amateur Season's averages. This shows they are reliable in action and close, hard shooters. These qualities make them excellent for bird shooting, especially for the quick, fast flyers. Winchester guns are well built and finished and will give good service for years. They are simple in construction and operation and made to separate readily into two parts without tools. Sold by dealers everywhere at a moderate price. Send postal for complete illustrated catalog.

All Sores Are Not Cancerous

While all Old Sores are not cancerous in their nature, every slow healing ulcer shows a degenerated condition of the blood. Virulent impurities in the circulation produce angry, discharging ulcers, while milder and more inert germs are usually manifested in the form of indolent sores or dry,

scabby places. Efforts to heal an old sore with external applications always result in failure because such treatment does not reach the blood. S. S. S. heals old sores of every nature by purifying the blood. It goes to the fountain-head of the trouble and drives out the germ-producing poisons and morbid impurities which prevent the place from healing. Then a stream of rich, nourishing blood, which S. S. S. creates, causes a perfect and natural knitting together of all flesh fi-

bres, making a thorough and permanent cure. The sore does not "come back" when S. S. S. has made a cure, because its source has been destroyed. Book on sores and ulcers and medical advice free. THE SWIFT SPECIFIC CO., ATLANTA, GA.
