Horse Disease is Dying Out in State

The colder weather is said to be doing much in the way of eradicating the new horse disease that has caused the death of so many horses in Kansas and some in Nebraska. This is the word that comes to the Burlington.
 Reports are to the effect that since the change in temperature the disease has almost entirely died out in Phelps, Adams, Harlan, Franklin, Furnas and Red Willow counties, where it was most prevalent. She remains a pretty mother by avoiding as far as possible the suffering and dangers of such occasions. This every woman may do through the use of Mother's Friend, a remedy that has been so long in use, and accomplished so much good, that it is in no sense an experiment, but a preparation which always produces the best results. It aids nature by expanding the skin and tissues, relieves tenderness and soreness, and perfectly prepares the system for natural and safe motherhood. Mother's Friend has been used and endorsed by thousands of mothers, and its use will prove a comfort and benefit to any woman in need of such a remedy. Mother's Friend is sold at drug stores. "Cascarets" Best for the Bowels
 The millions of Cascarets users never have Headache, Constipation, Biliousness or Sick Stomach.
 It is more necessary that you keep your Bowels, Liver and Stomach clean, pure and fresh than it is to keep the sewers and drainage of a large city free from obstruction.
 Are you keeping clean inside with Cascarets—or merely forcing a passage every few days with salts, cathartic pills or castor oil? This is important.
 Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system the constipated waste matter and poison in the intestines and bowels.
 No odds how badly and upset you feel, a Cascarets tonight will straighten you out by morning. They work while you sleep. A 10-cent box from your druggist will keep your head clear, stomach sweet and your liver and bowels regular for months. Don't forget this children—their little insides need a good, gentle cleansing, too.
HOME RECIPE FOR GRAY HAIR
 This Homemade Mixture Darkens Gray Hair and Makes It Soft and Glossy.
 To a half pint of water add:
 Bay Rum..... 1 oz.
 Barbo Compound..... a small box
 Glycerine..... 1/2 oz.
 These are all simple ingredients that you can buy from any druggist at very little cost, and mix them yourself. Apply to the scalp once a day for two weeks, then once every other week until all the mixture is used. A half pint should be enough to rid the head of dandruff and kill the dandruff germs. It stops the hair from falling out, relieves itching and scalp diseases. Although it is not a dye, it acts upon the hair roots and will darken streaked, faded, gray hair in ten or fifteen days. It promotes the growth of the hair and makes harsh hair soft and glossy.
