CHICAGO GRAIN AND PROVISIONS

Prices on Board of Trade.

CHICAGO, Sept. 28.—Wheat showed strength today mainly on account of Russian crop damage. The close was firm, 1/16 to 1/16 higher than last night. In corn. the outcome varied from 4c decline to 360 4c advance. Oats finished 4c off to 460 4c up and provisions unchanged to a fall of 19c.

Adverse reports from Russia carried wheat market up from the start, bulis had help, too, from the fact world shipments turned out smaller than expected.

Big primary receipts gave a little cour-Big primary receipts gave a little courage to the wheat bears at one time. There was also considerable seiling as a result of the slow rate at which winter fields are being planted southwest and because of absence of cash demand here. Prices, however, suffered no material backset. December ranged from 89%689%c to 90%90%c, with latest transactions, 89%690c, a rise of %0%c, compared with yesterday.

compared with yesterday.

Unsettled weather made active options of corn firm. Other futures were irregular. No deliveries took place. December closed firm at 52%653. Cash grades were in moderate demand. No. 2 yellow, 70% @70%c.
Outs were upheld by the bullish in-fluence of other grain. Covering on the part of the shorts furnished the bulk of trade. December soid from 31%c to

27032%c, with the close, %c off at 31%c. Weakness at the yards let provisions sag. As a rule though final changes kept within 5c of last night. leading futures closed as follows: Article Open. | High. | Low. | Close. | Yes'y.

HOGS—There was a fairly active trade in hogs at prices very little, if any dirferent from yesterday's market. There being about the usual Saturday's run at the yards. Business started at about the same time in the morning, with mostly all the buyers bidding for hogs. Both speculators and shippers were conservative in their buying at steady figures. Nothwithstanding a small snipping do Nothwithstanding a small snipp Nothwithstanding a small snipping do-mand, packer buyers came through with prices about the same as they paid yester-day. Thirty-seven cars of the forty-three that were reported early in the morning were practically all disposed of by 9:30 o'clock. Shortly afterwards the other five o'clock. Shortly afterwards the other live icads arrived and were apparently in very good demand, prices being about on the same basis as earlier in the morning. One of the late loads brought \$6.76 of the late loads brough with yesterday's top. This is the best paid in two weeks.
