AMES HOPES TO REPEAT SOUTH DAKOTA'S FEAT

AMES, Ia., Oct. 1.—(Special.)—Ames is preparing for the Minnesota game next Saturday and hopes to repeat South Dakota's feat of beating the gophers. Coach Williams realizes, however, that last Saturday's game will have the effect of making Minnesota at least 100 per cent stronger.

In the game with the scrubs Saturday the varsity won 19 to 0 and displayed good consistent form throughout. The scrubs were at no time able to pierce the line consistently and had to resort to forward passes, with only indifferent success. The varsity offense was steady, but without sensation, and this week's practice will be spent in perfecting this department of play.

World's Record Set By Dudie Archdale

COLUMBIUS, O., Oct. 1.—Dudie Archdale and Billy Burke met on the Grand circuit track today in a brilliant contest that brought cheers to both. The Archdale mare won the race, taking rank as the best of turf history for four heats by trotters. The time total is a full second better than that made on the Columbus track last year in the Sopranos-Columbus conflict.

Billy Burke's part of the performance was an opening mile in 2:04, the best trotting time anywhere this year. He broke turning home in the second heat and Dudie Archdale won easily.

In the third heat Geers trailed until almost 300 yards from the finish. Then he pulled the black mare out and urged her on by Billy Burke, just enough for the judges to see that she was first. This mile was in 2:04. Dudie did not have it so hard in the final heat.

Minor Heat and George Gano, the pacers owned by M. W. Savage of Minneapolis, set out to beat their own record of 2:05 and smashed all team marks by going the mile in 2:02 flat. The best previous performance by a team was that of Hedgewood Boy and Lady Maudie C., 2:04.

Good Scores Made at Fall Tourney

The attendance at the opening of the Omaha Gun club's fall shoot, while not as large as usual, lacked nothing in enthusiasm. The program, ten and twenty-target events, was reeled off in record time, consuming but four hours actual shooting time.

Ed O'Brien, the popular Kansas shot, topped the honors among the professionals with 194 kills out of 200 birds. O'Brien was closely followed by Del Gross, the fat man from Kansas City, with 187 out of 200; W. D. Townsend, Omaha, second with 185; E. Varner, Adams, Neb, third with 183. Jim Trickey Back in Iowa Varsity Line; Players Fumble Ball

IOWA CITY, Ia., Oct. 1.—(Special.)—Jim Trickey, the veteran lineman whose failure to come out for the last week has bothered the coaches and worried the students, appeared on Iowa field in a suit tonight and took his first workout with the team. The big guard was in fair shape and will be ready to get into the game in two weeks. His presence should strengthen the Iowa line materially, as Captain Hanson has been the only veteran at work until today. Trickey has played a guard position for two years, and has been looked upon as one of the strongest men in the Iowa line during that time.

The appearance of the veteran was the only cheerful feature of the day. The backfield, which has heretofore appeared to be the strongest point, gave a miserable exhibition in scrimmage practice, fumbling and mixing up the few simple plays which Hawley has taught the men until the coaches were in despair. Gilliland at center was responsible for much of the fumbling through his miserable passing. No scrimmage was attempted, as Coach Hawley wished to work out some new plays in preparation for the opening game of the season next Saturday.

Coach Hawley gave the team the longest chalk talk of the season today, and after this tried to perfect the plays which he gave the men in signal practice. Few of them went smoothly, however, and shifts in the backfield had little effect. A "touching" scrimmage with the second team was finally tried, but with no better success. Parsons got through for some good theoretical gains, but the other backs were easily stopped. Hawley must now drop his drill of the line in defensive work and begin to teach them an offense which will at least enable them to score on the State Teachers next Saturday. After that the hard games begin, and there will be little time for more rudimentary foot ball.
