HARMONY IN DRESS

Harmless Remedy Beautifies and Darkens Hair

What a pity it is to see so many people with thin, wispy hair, faded or streaked with gray, and realize that most of these people might have soft, glossy, abundant hair of beautiful color and lustre if they could but use the proper treatment. There is no necessity for gray hair under sixty-five years of age, and there is no excuse for anyone, young or old, having thin, straggling hair, either full of dandruff or heavy, and rank smelling with excessive oil.

Your hair brings back the natural color of your hair in a few days and forever rid yourself of any dandruff and loose hairs, and make your hair grow strong and beautiful by using Wyeth's Sage and Sulphur Hair Remedy. For generations common garden Sage has been used for restoring and preserving the color of the hair; and Sulphur is recognized by Scalp Specialists as being excellent for treatment of hair and scalp troubles.

If you are troubled with dandruff or itching scalp, or if your hair is losing its color or coming out, get a fifty cent bottle of Wyeth's Sage and Sulphur from your druggist, and notice the improvement in the appearance of your hair after a few days' treatment.

AFFAIRS AT SOUTH OMAHA

City Officials Try to Get Together on the Wright Injunction Suit.

HARD AT WORK ON PROBLEM

Would Have the South Side of Q Street Put in Condition So that Traffic May Be Resumed.

Diligent efforts on the part of Mayor Hector and City Attorney Murphy yesterday failed to straighten out the A. A. Wright injunction suit so that the south side of Q street might be put in condition for traffic. The effort of the two officials to come to some agreement came close upon the heels of the supreme court decision, assuring Hector and Wheeler their places in the present administration. This done, the condition of Q street forced itself upon the consideration of the mayor, who sought City Attorney Murphy in order to arrive at some legal settlement of the difficulty.

Mayor Hector, without committing himself upon the suit now in court, sought to find some means whereby the city might temporarily put the south side of the street in condition, pending the decision of the court. City Attorney Murphy, while anxious to agree with the mayor, pointed out that the bond of the National Construction company to save the city harmless, protected the city amply and at the same time was all that could be done under the circumstances.

Both officials are working on the problem and it is understood that some arrangement may be arrived at later.

Lecture for Marcus.
 J. Marcus, Twenty-fifth and N streets, was angry at Judge Callahan yesterday morning and as a result was summarily dealt with on a charge of contempt of court. Marcus appeared in a case in which L. Wilson was arrested for dumping garbage within the city limits. Judge Jacob Levy appeared as attorney for Wilson and the court imposed a nominal fine of \$1. Marcus is said to have injected himself into the proceedings in language more forcible than polite. Trust Officer Paul MacAuley hustled Marcus before Judge Callahan, who ordered a complaint for contempt filed. Later Marcus was allowed to go after the court had lectured him.

Chance to See Parade.
 Today is a half holiday for the city employees and schools of the city. A week ago the school board ordered the half holiday in order that the children and teachers might view the flower parade in Omaha. Yesterday Mayor Hector announced that the departments of the city would be allowed a half holiday for the same purpose.

Republicans for Taft.
 Joe Koutsky, a republican formerly of South Omaha, is in town for a ten days' visit with his brothers, Dr. John Koutsky and former Mayor Frank Koutsky. Mr. Koutsky for the last few years has been operating a large farm near Osceola where he resides.

Commenting upon the political conditions, Mr. Koutsky declares that while many voters near his home were for Roosevelt, sentiment is rapidly changing back to the regular republican nominee, William Howard Taft. Mr. Koutsky said he was glad to be in South Omaha again and especially delighted to find the republicans standing together. He is staying with his brother, Dr. John Koutsky, at the latter's residence, Twenty-sixth and D streets.

Pinchot at the Exchange.
 Stigmatizing the democratic party as reactionary, Gifford Pinchot in a speech delivered yesterday at the Live Stock Exchange, pointed out the dangers that the election of Woodrow Wilson would entail upon the country. Mr. Pinchot in company with Dr. V. O. Henry and a number of others of Omaha, arrived at the Exchange building a little after 11 o'clock. He was introduced by Bruce McCulloch and addressed the crowd of stockmen and office men gathered in the rotunda of the building. Mr. Pinchot's speech was conservative and his argument was made along scholastic lines. He claimed that Roosevelt sentiment was on the increase. He also declared that recent utterances of Woodrow Wilson indicated that the democratic nominees feared the reactionaries of the democratic party.

Magie City Gossip.
 A number of carryall parties are being planned for the parade Wednesday night. J. G. Wilson of Atlantic, Ga. is the guest of his sister, Mrs. M. F. Smith, this week.

The South Omaha Century Literary club will hold its meeting this morning at 10 o'clock at library hall.

A chicken dinner will be served by the women of the Lefler Memorial church at the home of Mrs. Hopkins, Fourteenth and Washington streets, Wednesday from 11:30 to 1 o'clock.

Visitor Gives Hint on Cheap Banners

"I have attended, with three exceptions, every Ak-Sar-Ben festival held in Omaha," said H. H. Murdoch of Columbus, "and it looks to me as if this is the best. The streets look swell and I believe that the crowds will be the greatest in the history of Quivera. I am going to stay until the lights go out Saturday night."

"I want to suggest one thing to those in authority, and that is the removal of the advertising signs that are strung across some of the streets, detracting from the beauties of the decorations and illuminations. These snide cloth banners cheapen everything else and, besides, it looks like discrimination in favor of a few firms. If one or two concerns are to string banners across the principal streets, let them all do so and make the carnival season an occasion for mercantile advertising."

FEDERAL GRAND JURORS ORGANIZED BY MUNGER

The October federal grand jury was organized yesterday by Judge W. H. Munger. The following jurors reported: E. F. Seeburger, North Platte; E. H. Sulist, Omaha; C. Z. Lawson, Edwille; G. L. Williams, Benson; J. H. Van Horn, Norfolk; George Nolan, Scribner; William Frank, Grand Island; George Mackey, Bancroft; Guy Europe, North Platte; Henry Clayburn, Platte Center; Guy M. Hunnam, Fremont; Charles M. Hayden, Wallace; F. McDonald, North Platte; James P. Henry, Blair; J. M. Frisbie, Dickens.

Three talesmen were chosen, C. W. Morton, D. H. Beck and John F. Culken, all of Omaha, being the men selected.

Taft Gives Warning In Strong Words to Weak Republicans

BEVERLY, Mass., Oct. 1.—"Some of the people now posing as third party men will wake up after the election and find themselves alone. We would be glad to welcome them back to the republican party, but they must come back as whole republicans—they must support the national state and local tickets."

This was the substance of President Taft's message tonight to the republican club of Beverly.

The president continued by advising against a policy of temporizing. "It's time to quit temporizing," he said. "If a man is a republican let him say so and let him support the ticket. If he is not throw him out of the party."

The president made only a short talk to his fellow republicans of the summer capital and afterwards spoke to the Beverly Italian club in the city hall on "Citizenship." Later he attended the weekly meeting of the Beverly Masons.

Two Rings Stolen from Rooming House

Two young men, looking for a couple of rooms, visited Mrs. H. D. Allen, 2511 Dodge street Monday afternoon. They were shown through all the rooms, which were for let and then left. Later Mrs. Allen missed a one carat diamond ring and a signet ring, both valued at \$125. She reported the loss to the police and gave a description of the two men. The rings were lying on a dresser when the prospective roomers were shown around.

COACH STIEHM DETERMINES TO PUSH CORNHUSKERS

LINCOLN, Neb., Oct. 1.—(Special).—The discouraging showing of the Cornhuskers in the practice game against the scrubs last Saturday has led Stiehm to outline the busiest week of his leadership at Nebraska.

The varsity will be kept at it every day this week until darkness interferes and in this manner Stiehm hopes to whip a little foot ball knowledge into the new members of the line. With the backfield playing pretty ball Saturday, the Cornhuskers were helpless on account of the weak work on the line. Even Harmon and Pearson, the two regulars, did not show their accustomed form.

The center trio, however, proved to be the biggest disappointment and with stiff opposition from the scrubs, showed that much time must be devoted to them. Stiehm was satisfied with the showing of his backfield and the two sets of ends. Practice this week will be held at the state farm grounds.

Trains Begin to Haul Big Crowds

Railroads are beginning to handle immense crowds of people coming to the Ak-Sar-Ben festivities. While extra trains were not required Tuesday, extra equipment was carried on all of the incoming trains. Most of the visitors came from towns and cities within fifty to seventy-five miles distant from Omaha, but there were many from points far beyond this radius.

HIGH-O-ME

That's the Proper Way to Pronounce Booth's HYOMEI, the Famous Catarrh Remedy Made from Australian Eucalyptus and Other Antiseptics—Just Breathe it.

It Banishes Catarrh

Try This Home-Made Cough Remedy

Costs Little, But Does the Work Quickly, or Money Refunded.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents' worth) in a pint bottle; then add the Sugar Syrup. Take a teaspoonful every one, two or three hours.

You will find that this simple remedy takes hold of a cough more quickly than anything else you ever used. Usually ends a deep seated cough inside of 24 hours. Splendid, too, for whooping cough, croup, chest pains, bronchitis and other throat troubles. It stimulates the appetite and is slightly laxative, which helps end a cough.

This recipe makes more and better cough syrup than you could buy ready made for \$2.50. It keeps perfectly and tastes pleasantly.

Pinex is the most valuable concentrated compound of Norway white pine extract, and is rich in gualacal and all the natural pine elements which are so healing to the membranes. Other preparations will not work in this formula.

This plan of making cough syrup with Pinex and sugar syrup (or strained honey) has proven so popular throughout the United States and Canada that it is often imitated. But the old, successful formula has never been equaled.

A guaranty of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

Electric Light is the Most Economical Light

EVERYBODY knows the advantage of electric light—its cool, clean convenience—its brilliancy and purity of color—its hygienic value. But do you know that it is also the least expensive of the various kinds of light available for homes, offices, stores, public halls and interiors in general?

The many advantages of electric light are fully appreciated only by those who use it. Likewise only those who use Edison Mazda Lamps have electric light at minimum cost.
