VISITOR ARRIVES IN MORNING

Railroads Are Lining Up Their Equipment to Carry Many Extra Passengers to the Democratic Meet at Lincoln.

Vice presidents of the Woodrow Wilson reception committee will meet at the city hall at 9 o'clock this morning to be tagged and given tickets to the stage for the Wilson speech.

Mayor Dahlman will receive the governor and give him the key to the city at the city hall shortly after he arrives. A brass band will be on hand to furnish music, and Dahlman democrats have promised to supply the necessary enthusi-

Wilson will reach Omaha at 9:10 o'clock in the morning on Northwestern No. 1. He is traveling as an ordinary passenger. W. H. Green has been appointed a field marshal for the parade through some of the principal streets from the station to the city hall. There are to be forty automobiles in the parade. Each of the various democratic clubs, organizations and the women's clubs that desire to participate in the parade are to be allowed two automobiles for their representation in the procession.

An erroneous opinion has gone abroad, says Chairman J. W. Woodrough of the entertainment committee, to the effect TEDDY HAS LITTLE SUCCESS that admission will be charged to the Auditorium meeting. This, Mr. Woodrough says, is absolutely false, as not a single seat in the house will be for sale. There will be no selling of dollar seats on the platform, as there was when the big bull moose spoke here, according to Mr. Woodrough.
