WILL PROBE DEATH OF GIRL

Coroner Investigating Mysterious Demise of Vernie Kupanek.
GIRL SWOONS AT THE JAIL
Losses Consciousness and is Taken to the County Hospital, Where She Remains to Receive All Treatment.
Following the death of Vernie Kupanek, a 12-year-old Polish girl, in peculiar circumstances at the County hospital yesterday, County Commissioner Frank C. East ordered Coroner Willis Crosby to take charge of the body and probe the death. The action was taken partly upon the commissioner's own advice and partly upon advice of Deputy County Attorney J. M. Fitzgerald.
The Kupanek girl, who was being held at the police station as a witness against Louis Zapala, charged with aiding and abetting the delinquency of a young girl, was taken to the County hospital in a condition of coma Friday afternoon. House Physician Phillips of the hospital in his death certificate to the health commissioner said death resulted from diabetic coma. Later he admitted that possibly some unnatural cause contributed to the death. Miss Verna Robinson, who is employed at the hospital with her father, Superintendent E. F. Robinson, said she believed the girl was suffering from the effects of some drug when she reached the hospital.
Leona Malolepsky, a 12-year-old girl, who says she and Miss Kupanek spent a week with Zapala in his room, was committed to the State Industrial School for Girls at Geneva by Judge Howard Kennedy in the juvenile division of the district court.
Miss Kupanek lived with her father at 2372 South Twenty-fifth street. Two weeks ago she left home. A week later she was arrested on the carnival ground and taken to the police station. The juvenile authorities had learned that Zapala had had the two girls in his room and wanted her as a witness against him.
When the police told Miss Kupanek that the Malolepsky girl had been arrested she became hysterical and finally swooned. One of the police surgeons gave her two injections calculated to revive her. Friday morning at the police station she lost consciousness, and in the afternoon was taken to the hospital.
Caught in the Act
and arrested by Dr. King's New Life Pills, bilious headaches and liver, stomach and bowels set right. Only \$5. For sale by Boston Drug Co.—Advertisement.

OMAHA GREEKS GOING TO WAR

Five Hundred of Them Expect to Leave for Battle Monday.
MOVEMENT IS A GENERAL ONE
Those in Omaha Will Hold a General Mass Meeting Sunday Afternoon at Which Arrangements Will Be Completed.
Like Spartans of old 500 Omaha Greeks stand ready to answer any call to take up arms against Turkey, and if present plans are carried out they will leave here Monday to cross the waters and join King George's forces in the Balkan alliance.
The Omaha situation with regard to the movement of loyal Greeks is only a part of general activity that exists in every quarter of the old and new world where Greeks have gone to seek their fortunes. A general call has been sent out by King George to all Greeks in foreign countries to return home and defend their colors against Turkey. The response is almost spontaneous and in a short time great shipments of men will be returning from American to Grecian ports.
All Greeks Are Astir.
All Greeks in Omaha are astir and eager to return. George Stamos, secretary of the local council of Greeks, wired to the Greek minister at Washington informing him that 500 men were ready to start, and asking for further instructions and information.
Leaders among the Omaha Greeks declare that unless an unforeseen hitch develops the local patriots will leave Monday. They will hold a big mass meeting today to complete all plans, and arrange their business matters and bid good bye to those who cannot go.
Shine Boys Too Young.
The shining parlor will not be affected by the patriotic movement, because most of the employees are boys too young and small to bear arms. Most of those who go will be laborers, and most of these are employed in South Omaha. It is estimated that in Omaha and South Omaha there are 1,000 Greeks, and half of these expect to depart for the east Monday and take passage for Greece from the port of New York.
With the Lid Off.
"Mother," asked Bob, with a hopeful eye on the pepperoni jar, "have I been a good boy this afternoon?"
"At-my-yes," answered mother dubiously, recalling a certain little rift within the lute. The 6-year-old diplomat looked anxious.
"Please," he begged, "say a wide-open yes!"—Harper's Bazar.

Grocer's Lad May Be Fatally Hurt; Run Down by an Auto

Arthur Friedman, aged 19 years, was probably fatally injured at 1:30 o'clock yesterday when he was run down by an automobile owned by H. C. Boyles and driven by his chauffeur, William Haynes, colored. Friedman received lacerations about the face and head and was also internally injured. After striking the boy Haynes increased his speed and got away. The police are looking for him.
Friedman was driving a grocery wagon and at Fourteenth and Chicago streets saw a friend. He left his wagon to cross the street and was struck by the automobile, which he did not see approaching.
