SHINN ATTACKS WARRANTS

Carson Lawyer and Landowner Files Suit Over Ditch.

THOUSAND NINE

Allegation Payment of Big Sum Wrong When Ditch Does Not Fulfil Requirements of Survey.

The troubles of the Board of County Supervisors in connection with the establishment and construction of the Nishnabotna drainage ditch had another link added to the long chain yesterday, when Frank Shinn of Carson, wellknown attorney and owner of a large tract of the land included in the drainage ditch district, brought a suit in the district court to compel the cancellation of the last batch of warrants issued in payment for the work done by Contractor W. M. Lana and the Lana Construction company. Lana is also made defendant in the suit. The amount involved is

The contention of Attorney Shinn, who brings the suit in his own name, but is known to be representing a large portion of the other land owners, who have been rants should not have been turned over to Lana until he had fully completed his E. C. Whittlesey, a well known former council Bluffs man, who has acquired a permanent standing in express company circles by years of efficient service, is in the city visiting his sister, Mrs. W. B. Fisher, Mr. Whittlesey has been located at Trinidad, Colo., for a number of years. contract and that this payment in adbe held this afternoon at 2:30 from the pleted, approved by the engineer and ent time it is nominally owned by John Bethany Presbyterian church. There will formally accepted by the board. Instead by Bridgett and tenanted by three or four be a short service at the residence at 2 of withholding the full amount the board families. demnation proceedings. A contract was submitted by J. E. Wallace, as trustee for all of the owners of the property inpayment of \$1,000 down and the annual payments of \$1,000 until the full amount of \$6,000 is paid, when warranty deeds will be given. The contract was approved and the mayor was instructed to sign it. The contract is of the same character and drawn by City Solleitor Stuart in opening of First avenue was secured. Arrangements have been made by Mr. Wallace for drawing deeds by the owners for all of the property, to be placed in escrow until final payments are made Six per cent interest is to be paid on all deferred payments. Those most interested in the opening of the street have raised more than \$1,000, which will be paid to the owners in addition to the total of \$6,000 the city has obligated itself to pay. The opening of the street will increase the business value of all the property on North Main street, and maadd another block to the business center of the city. The street is to be fortyeight feet wide and requires the use

The next act of importance in the work certain that the new Webb automobile fire truck was not to leave the city. E. H. Doolittle, president of the Commercial club, was present and used the infutorney and city treasurer were instructed to negotiate for settlement and discover the sources from which the \$5,500 required for payment is to come. Mr. Doolittle and several members of the council were taken over the steepest billside streets in the city in the big machine firemen were advised that another fire to climb the steep grades with speed and ease and its capability of making fifty miles an hour on level streets when required. It was this demonstration that helped to create the feeling that the new truck was a necessity. On the final vote Aldermen Harding and Flood refused to concur in granting authority to conclude the purchase.

of parts of five lots.

A lengthy and very interesting report was made by Mayor Maloney and Alderman Stone of the meeting of the League of American Municipalities at Buffalo, which they attended as representatives of the city. Among the many recommendations contained in the report, based upon

Alderman Boyer in asking that the report be received and placed on file asked Although the fire did not burn through that the attention of the city atterney and
