II.—The foreign situation loomed larger on the local finan-cial horizon today. Oover night news from London and other European points was largely of an alarming tenor, and these advices were followed by enor-mous sales of American stocks in Lon-don, Paris and Berlin. The German and French capitals were conters of demor-alization and London as usual had to bear the brunt of their heavy outpour-ing. Sales for European account were estimated at 160,000 shares; but there is authority for saying that the total liqui-dation was much in excess of those figures. — Tandian Pacific was the storm of the market, declining 8 points in Berlin, clos-FOR SALE-New and second-hand carom and pocket billiard tables and bowling alleys and accessories; bar fix-tures of all kinds; easy payments. Phone Webster 2372.* balance of the market in the afternoon and closing with a net loss of 10% points. Union Pacific was weakest of the lead-ers, but the Hill issues, grangers, United States Steel and coppers were only slightly less affected, the range of losses in some of these issues approximating 8 points in the last hour. Toward the close, Union Pacific, coppers, steel and a few other active issues were again urgently offered at further declines. Private discounts were above the bank rate in London and private cables to international bankers indicate an early advance to 5 per cent by the institution next week. Bonds were weak.
