Pitchers' Buttle, with the Honors About Even - Another Game Today.

CHICAGO, Oct. 13.-The Chicago National league club made it two straight wins from the local club of the American eague today in the series which is to decide the championship of the city of

Chicago. The score was 4 to 2, in favor of the Nationals.

Comiskey's American league club was sixth inning with a double to left, and went to third on a single, and scored on Lord's long sacrifice fly to center. The pe score. Sheckard was given a pass, and was sacrificed to second, scoring on Tinker's single.

Another lead was taken by the American leaguers in the next frame. Zeider doubled into the left field crowd and went to third on an infield out. Reulbach then crossed Archer in the signals and Zeider counted on a wild pitch.

Schulte Gets Home Run. Schulte tied up the score again in the National's half by knocking out a home run to right field. Evers followed with a single and went to second when Sullivan threw the ball to the pitcher's box when Walsh had his back turned toward the plate. The ball rolled into centerfield. Archer then followed with a long fly to center and with plenty of time and space Bodie hesitated long enough to allow the ball to drop safe into the crowd, Evers scoring and Archer taking second. An infield out put Archer on third and he scored the final run when

game was a pitchers' battle between Walsh and Reulbach. Walsh allowed seven hits, two of which were doubles and one a home run, while Reulwhich were doubles.

Never before has so large a crowd passed through the turnstiles of the National league park here. The official attendance as announced by the National commission was 30,393; the total receipts were \$21,19%. Of this amount the national commission will receive \$2,119.70; each club gets \$3,815.46 and \$11,446.38 goes to the players' pool.

What the Players Get.

This being the last game in which the players will share, the total receipts in the players' pool is \$35,063.67. This amount will be divided 60 per cent to the winners and 40 per cent to the losers.

The crowd which overflowed into the left field became so unmanageable in the early part of the game that it was impossible for the large detail of police on duty to keep them from crowding onto the infield. A dozen or more park attaches and ushers went to the assistace of the police, and when this falled to put the crowd back the National league players, each armed with a bat, went to the rescue. After some time the crowd was quieted and the game resumed. AMERICANS. AB, H.O.A.E. NATIONAL AB, H.O.A.E.

CHICAGO CUBS WIN ANOTHER Sir Thomas Lipton Ready to Challenge if He Can Get Terms

NEW YORK, Oct. 13.-Sir Thomas Lipon, arriving by the steamer Caronia, said he proposed to discuss with the New York Yacht club terms under which he might challenge for the international yachting trophy, which he has thrice vainly tried

"I am always ready to challenge," said the English baronet, "and if the New York Yacht club would modify the rule requiring the challenging boat to cross the Atlantic on its own bottom I believe I could build a boat to hold its own with any American built boat of the same type, style and weight. If I build a freak the first to score. Waish opened the boat and sail it across they will build a lighter one here to beat me. There is no sport in that."

Sr Thomas said that if he built another Nationls came back in their half and tied challenger he would name it the Shamrcck IV. He said he had won twentythree out of twenty-nine races in which he had competed in European waters 'Yachting as a pastime in England is falling off," he said, "but in Germany it is becoming more and more popular. At K.el this year I saw the finest yacht races I ever witnessed with as many as 129 boats in one race."
