## Do It Now

Have Your Heavy Winter Suits and Coats Cleaned and Put in Shape NOW.

The familiar little motto, "Do It Now," can be most aptly applied to the cleaning and repairing of your heavy winter garments. Procrastination means shivering later, when the snow flies.

Your last year's coat, overcoat, dress or suit, if cleaned will probably look so good to you that you will decide not to invest in a new one.

We have been repairing, relining, altering and cleaning clothes to the entire satisfaction of most of the people in Omaha for the past 15 years. Phone us and we will call for your cleaning.
