HARD SCRIMMAGE FOR MEN

Cornhuskers Will Be Put Through Heavy Practice.

COACH FRANK SEES THE GAME

Scout from Kansas and Protege of Dr. Williams of Minnesota See Nebraska Play Aggies to Get Pointers for Future.

LINCOLN, Neb., Oct. 14.—(Special.)

With less than a week before the first game of the season, Coach Stehm took his protégés to the state farm this afternoon to put the Cornhuskers through the stiffest practice of the year. When darkness intervened, Stehm called a halt on the scrimmage.

Saturday's game with the Aggies revealed Nebraska's weaknesses most effectively. While the backfield and the ends performed faultlessly, the center of the line was woefully weak and was completely outplayed by the lighter Kansas opponents.

Stehm will have assistance this week from a large number of former Cornhusker players. Captain Frank Matters, Harvey and Rathbone are already on hand to assist in putting the Cornhusker squad in the best possible shape.

Heavy Scrimmage This Week. Heavy scrimmages will be the order for the first three days of the week. The varsity will be kept at it for two hours, with the scrubs and freshmen alternating in the opposition.

Pearson and Frank, who have been suffering from injuries, are much improved and unless injured afresh will be in splendid shape for the Gophers. The rest of the squad came through the Aggies game without injuries and are in excellent shape.

SCOTT'S EMULSION is used in tuberculosis camps because its highly concentrated nourishment builds strength and resistive-power faster than disease destroys. It assimilates without taxing digestion, and contains no alcohol.

Absolutely nothing equals SCOTT'S EMULSION to strengthen the lungs and drive out colds and coughs.

COUNCILMAN TO INTERVENE

City Official of Des Moines Takes Hand in Teamsters' Strike.

ARBITERS MAKE NO PROGRESS

Object is to Ascertain Right to Bring Action for Appointment of Receiver for Companies Involved in Strike.

(From Staff Correspondent.)
DES MOINES, Oct. 15.—(Special Telegram.)—If the teamsters' strike is not settled in the near future, Councilman Vanlew will intervene to protect the interests of the city.

In an interview Vanlew declared that in the event the arbiters, A. L. Ulrich and Ralph Bolton, are unable to reach an agreement, he would ask the city solicitor for an opinion whether the city is an interested party to the extent of having the right to bring an action for the appointment of a receiver for the companies against which the strike order was directed. The arbiters have apparently made no progress.

Search for Orphans Is Kept Up by Parr

NEW YORK, Oct. 14.—(Special Telegram.)—A search for three brothers, sons of Ernest Landauer, cigar manufacturer, of this city, who died thirty years ago, is being made in this city by Henry M. Parr of Chicago.

Mrs. Parr is a sister of the lost brothers and for many years she and her husband have been searching the country in the hope of finding them. Mrs. Parr and her brothers were committed to an orphan asylum in 1882, following the death of her father, whose home was on Central park west. Her mother died shortly afterwards. After remaining at the orphan asylum for a few years, Minnie was sent to the home of a wealthy family in Nebraska. When she was 26 she was placed in a school in Omaha, where one year later she met Parr and a runaway match occurred. Mr. and Mrs. Parr settled in Omaha and lived there for many years, going to Chicago several years ago, where they now reside.

Mrs. Parr does not remember what orphan asylum she was sent to. She was five years old when she was sent to the west with one of her brothers, Joseph, who is now a prosperous manufacturer in Topeka, Kan.

"I feel just as enthusiastic about this search today as ever," said Mr. Parr. "My wife refused to marry me until I had promised her that I would never lose interest in the search, and I never will."

LEWIS' JEWELS RECOVERED VALUED AT TEN THOUSAND

CHICAGO, Oct. 14.—Valuable jewelry, including a number of rings and pins, the property of Colonel James Hamilton Lewis, democratic candidate for United States senator from Illinois, were among stolen property recovered by the police today. The total amount recovered today was about \$10,000.

PRINCETON PROFESSORS FORM BIG TAFT CLUB

Prof. Lamke of the Omaha Theological seminary, a graduate of Princeton university, has received word that President Hibben of Princeton university and forty-three professors of that institution have just joined a Taft club. Prof. Lamke feels this is significant of the lack of confidence in Wilson among the professors of the college of which the democratic candidate was formerly president.

BUZZINGS

John L. McCague was born in Cairo, Egypt, but that does not make him an Egyptian.

No. Al Sorenson's name does not appear on the ballot as a candidate for senator this year. You can bet he's running just the same.

A. M. Borglum had his marriage anniversary listed in The Bee's wedding book eleven days ahead of time. This comes about because the happy event, which took place in Paris, was postponed, but the postponement did not catch up with the wedding announcement sent to the folks here at home.

Schrank to Be Tried After the Election

MILWAUKEE, Oct. 15.—State's Attorney Winfred Zabel of Milwaukee county late today definitely announced that John Schrank, Colonel Roosevelt's assailant, would not be brought to trial until after the national election, November 5. He said the trial would be opened some time between November 11 and 15.

Mr. Zabel, who is said to be the only socialist state's attorney in the country, gave three specific reasons for his decision to put off the trial for one month. He said, first, that it was only reasonable to await the results of Colonel Roosevelt's injury before placing Schrank on trial; second, he said he had no desire "to crowd the defendant unduly," and, third, because it "would be unwise to call the case during the final struggle in the presidential campaign."

PICTURE BRIDES HELD FOR EXAMINATION FOR HOOKWORM

SAN FRANCISCO, Oct. 15.—Sixteen picture brides from Japan were detained today when they arrived on the liner Siberia. They will be examined for hookworms and if found infected will be treated on Angel Island before being permitted to land. After November 1 no alien found to have hookworms will be given treatment, but will be deported at once.

Picture brides have always given the immigration officials trouble. If nothing could be shown to impugn the declared honesty of their intent to marry the man whose picture they carried, their treaty rights entitled them to admission, and for the last three years they have been flocking into Pacific coast states.

ROW AT REPUBLICAN RALLY

In Chicago Senator Jones Creates Disturbance When Harlan Talks.

REMOVAL DEMANDED BY PEOPLE

Bull Mooseer Objects Himself into Republican Gathering and Annoys the Speaker of the Evening.

CHICAGO, Oct. 15.—Announcement was made at progressive headquarters today that a statement concerning the row said to have been precipitated by Senator Walter Clyde Jones, a state progressive leader, at the republican rally at the Coliseum last night, might be explained later today.

The meeting was addressed by J. Adam Bede and John Maynard Harlan, who have been following Colonel Roosevelt. Harlan arraigned Colonel Roosevelt, declaring that he was "a traitor and an ingrate."

Senator Jones, approaching the speaker's stand, while Harlan was speaking and asked permission to be heard. "Hire a hall," shouted several in the audience.

"Put him out," cried a score more. "He's got the manners of a bartender." Senator Jones was insistent. Two policemen stepped to his side with an admonition to keep quiet.

Harlan explained to the audience that Senator Jones was a defeated republican and now a bull mooser.

Undaunted by jeers, Senator Jones scribbled a few words on a card and handed it to Harlan, it is stated. On the card was written:

"Do you know Colonel Roosevelt has just been shot by a would-be assassin, incited by just such talks as you are now making?"
