SOX IN GRANDSTAND FINISH

Mattick Gets Triple with Bases Full in Ninth Inning.

FINAL GAME WITH CUBS TODAY

Zimmerman's Hitting Responsible for Four of Nationals' Five Runs While Opponents Make Total of Eight Scores.

4CHICAGO, Oct. 17 .- "Chick" Mattick of the Chicago American league team today kept his club in the running for the city champlonship by driving out a triple with the bases full in the ninth inning. When he scored a moment later on a short hit in front of the plate, which Archer tossed to first, he brought defeat to the Nationals by a score of 8 to 5. The series now stands three games each, and the deciding game will be played on the American league grounds tomorrow.

The spectacular finish was in keeping with the rest of the game. Zimmerman's hitting was responsible for four of the Cubs' tallies. His sacrifice fly scored Miller in the first; his home run drive, which hit the grandstand in left and bounded to center, brought himself and Tinker home in the fourth and his double came in the eighth, after Miller's triple had sent Good, who was hit by a pitched ball while batting for Cheney,

A single by Borton and a wild pitch Ly Cheney, followed by Schalk's single, gave the Sox a run in the second. Then, in the sixth Collins and Weaver were infected by Zimmerman's accuracy and each hit a home run, Borton having doubled between these exploits.

The ninth inning started with the Cubs leading, but Richie, who relieved Cheney, was wild and two passes and a hit filled the bases. With one out Lavender came to the erscue, only to be touched for a triple by Mattick, the first man up.

Bill Lange was in fine form, pitching masterly ball throughout his reign on the mound. He was relieved for a pinch hitter in the ninth. Walsh, who finished for the Sox, held the Cubs scoreless in their half.

"Buck" Weaver, who was injured in collision with Lord in the second meeting of the clubs, took up his old position at shortstop and proved a valuable asset to his team, his fielding being one of the features o fthe game.

The official attendance was 11,893 and the total receipts were \$8,962.50; of this amount the National commission will receive \$395.50 and each club will get-\$4,033.12 as its share, Score:

JACK JOHNSON KEEPS GIRL NAT GOODWIN SUED FOR

Mother Fails to Rescue Daughter From Influences of Negro.

REFUSES TO RETURN TO HOME

Handsome Girl of Well-to-Do Family in Minneapolis Asserted to Be Under Hypnotic Influence-Pugilist Denies Charge,

CHICAGO, Oct. 17 .- Jack Johnson, the

negro heavyweight champion pugilist, ap-

peared before Chief of Police McWeeny today to explain his relations with Miss Lucille Cameron, the 19-year-old daughter of Mrs. F. Cameron-Falconnet of Minneapolis, for whom the police had been asked to search by the mother. Miss Cameron is described as a striking blond, the daughter of a well-to-do family. In a dramatic appeal Mrs. Falconnet told of her failure to get her daughter away from the influences of the negro. She described her anguish when she learned last Friday that her daughter was a frequenter of Johnson's cafe, her hurried trip here to rescue the girl, her interviews with the pugilist, who, she declared, insulted her and flouted her plea to give up the girl. Johnson, she said, told her he could "get" any woman

he wanted. "When I found Lucille I pointed out the wrong she had done. I pleaded with her. I told hed I would give up everything I had in life to get her to go back; that I would go any place with her and shield her from criticism back home. She refused to come, being apparently under Johnson's influence.

Talks with Fohnson.

"Then I stifled my pride and telephoned Johnson. He said he would send an automobile for me. Friends advised me to see if I could not personally get him to give up my daughter

"When his automobile arrived he was in it himself, although he said it would be empty. When I entered his limousine I drew down the shades so as not to be seen. This nettled him. 'Oh, some of the best women in Chicago ride in this car,' is what he said to me.

"I begged Johnson to give my daughter up. He said he would not and leered in my face.

"We rode to a home on Sheridan road. where Lucile was staying. She wept and told me she had gone too far to go back. Every once in a while she would wglk out of the room with the negro and talk with him. I told her I would do everything within my power to save her.

"I left her undecided. Finally she came to my hotel. We talked of how she could secome disentangled. I was convinced at that time that the negro had a hyprotic influence over her." She went downstairs to use the tele-

phone and never returned. Johnson told me he would give every dollar he has to hold her," she continued. "I have appealed to the police, but they say they can do nothing, as Lucille is 19 years old. It does not seem that white men would see their civilization so out-

prospects of one more. The leagues consist of eighty organized teams with a eron. He emphatically denied the report that his infatuation for the Cameron girl was one of the causes of the suicide recently of Mrs. Duryea Johnson, the negro champion's white wife. He declared the girl left his employment as cashier in his cafe for another position and that his wife has never seen Miss Cameron. "Johnson denies the whole thing," said Chief McWheeny. "One thing is certain. If I find anything wrong at Johnson's place, he'll be arrested in a hurry."
