An Old Time Remedy That Darkens the Hair

For generations Sage and Sulphur have been used for hair and scalp troubles. Almost everyone knows the value of such a combination for keeping the hair a good even color, for curing dandruff, itching scalp and falling hair, and for promoting the growth of the hair. Years ago, the only way to get a Hair Tonic of this kind was to make it in the home, which was troublesome and not always satisfactory. Nowadays, almost any up-to-date druggist can supply his patrons with a ready-to-use product, skillfully prepared in perfectly equipped laboratories.

An ideal preparation of this sort is Wyeth's Sage and Sulphur Hair Remedy, in which Sage and Sulphur are combined with other vegetable remedies for scalp troubles and thin, weak hair that is losing its color or coming out. After using this remedy for a few days, you will notice the color gradually coming back, your scalp will feel better, the dandruff will soon be gone, and in less than a month's time there will be a wonderful difference in your hair. Don't neglect your hair if it is full of dandruff, losing its color or coming out. Get a fifty cent bottle of Wyeth's Sage and Sulphur from your druggist, and see what a few days' treatment will do for you. All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented. Sherman & McConnell Drug Co., 102 So. 16th, 24 So. 16th, 307 No. 16th and 24th and Farnam Sts.—Advertisement.
