MAN FINED FOR THREATENING HIS WIFE WITH AN AXE
Although married but three months, H. F. Musselman, 115 South Twentieth street, was fined \$50 and costs by Police Magistrate Foster on the charge of abusing his youthful bride. He was arrested on complaint of his wife. Clyde and Nettie Shaw, two boarders at the Musselman home, testified that Musselman threatened to kill his wife with an axe after heaping abuse upon her and them. They say he used the vilest of language toward his wife ever since the day he married Mrs. Musselman. Musselman became frantic over no provocation whatever, and signified his intentions of killing his wife and all the boarders in the house. When the police arrived Musselman was standing near his wife with the axe in his hand. He denied the charge and told Police Judge Foster that he was a model husband, and that the trouble between him and his wife was very trifling. He said he became angry at her occasionally because she refused to come to him for advice in matters pertaining to the domestic affairs, and told her troubles to others.
