

TAFT ELECTORS WILL GO ON STATE BALLOT AS "REPUBLICANS"

Court at Lincoln Recognizes Right of Party to Its Official Name and Candidates.

BULL MOOSERS OFF THE TICKET

Cannot Masquerade as Republicans and Vote for Roosevelt.

TALK IS HEARD OF APPEAL

Case May Be Taken to Supreme Court Without Delay.

PROGRESSIVES ON DEFENSIVE

Morrissey Perfects His Appeal and Will Try to Keep Bull Moose Names Off Nebraska Ballots Entirely.

Judges Cornish, Stewart and Cosgrave of the Lancaster county district court, sitting en banc, Saturday morning handed down a decision granting the peremptory writ of mandamus prayed for by the republican state committee, directing that the secretary of state place on the official ballot as republican candidates for presidential electors the six names selected by the republican state committee to take the place of the six nominated at the April primaries and who have since declared themselves for Roosevelt.

This order of the court means that the eight Taft electors will go on the ballot as republicans and not as "by petition," while the Roosevelt candidates, if they go on at all, will go under the party designation of "progressive."

The suit to prevent the bull moose candidates from going on the ballot at all will be argued in the supreme court early in the week, perhaps on Monday.

Webster on the Decision.

John Lee Webster came home from Lincoln last evening. He said he believed the case would not be appealed to the supreme court. When told and evening paper had quoted W. J. Broatch as saying he would appeal if no one else did, and would not get off the ticket, Mr. Webster said Mr. Broatch could not take an appeal in the case; that the only one who could appeal would be the secretary of state, or some one authorized to act for him. He had talked during the afternoon with Mr. Warr and had explained this situation to him.

Down at Lincoln the decision was received with much satisfaction by the republicans, most of whom had been sincere in their efforts to induce Broatch and his bull moose associates to get off the republican ticket. Some debate was heard as to what action might be taken by Chairman Epperson of the Roosevelt committee. He had said that if the court decided that the Taft electors had a right on the ticket, he would use his influence to get the case before the supreme court.

Motion for New Trial.

A motion for a new trial was made in the case during the afternoon and work commenced on the preparation of a transcript, as if there were intention to take the matter before the supreme court at once.

In the meantime, Andrew M. Morrissey, democratic candidate for attorney general, who recently filed a suit in the district court of Lancaster county to prevent placing the names of bull moose candidates on the ballot, which was decided against him, has perfected his appeal and filed his case in the supreme court this afternoon. He will move on Monday morning that the case be advanced for immediate hearing, the attorney general having consented to the advancement proposed.

MANY TO TESTIFY FOR BECKER

Chauffeur Shapiro of the Murder Car to Be Called by Defense.

ROSE CONFESSION IN EVIDENCE

State Offers Stipulation Freeing the Gunmen if They Would Tell the Truth in the Rosenthal Murder Case.

NEW YORK, Oct. 19.—The defense, so it was understood, still had more than twenty witnesses to call when the trial of Police Lieutenant Becker was resumed today. The list was not made public, although it was known that one of the men would be William Shapiro, chauffeur and part owner of the automobile in which the murderers of Herman Rosenthal fled after shooting him.

At the request of John F. McIntyre, Becker's attorney, District Attorney Whitman produced when court convened today stipulations signed by the state with Jack Rose, "Bridgie" Webber, Harry Vallon and Sam Schepps. They were placed in evidence.

The stipulations provide that if the four men would testify before the grand jury in the Rosenthal case they should not be prosecuted for gambling, extortion or for any crime disclosed in the testimony they should give, provided they had not fired a shot into the body of Rosenthal. The stipulation provided further that they should tell the truth.

Confession of Rose is Read.

Whitman also handed McIntyre the original draft of Rose's confession, written in jail. It was read and placed in evidence.

Louis Pitt, brother of Charles Pitt, Jr., Becker's so-called press agent, testified he had visited Jack Rose in the Tombs at Rose's request.

"Did Rose get down on his knees in the Tombs and say to you, 'On the grave and on the memory of my dead mother, I say that Becker had nothing to do with this affair?'" McIntyre asked.

"Yes, he did," Pitt replied.

"Did you have another conversation with Rose about a month before the murder?"

"Yes, Rose told me that he was going to have Rosenthal killed."

"Did you tell Becker about this conversation?" Pitt was asked on cross-examination by the state.

"No, sir."

"Why didn't you?"

"I was afraid I'd be arrested."

"What else did Rose say?"

"Rose said that Becker did not have anything to do with that \$5,000 mortgage with Rosenthal. He said: 'Rosenthal owes me a lot of money. He's trimmed me.' Then he said he was going to have Rosenthal killed."

Jack Johnson Mad When the Court Increases Bond

CHICAGO, Oct. 19.—Charged with the abduction of a white girl, Jack Johnson, the negro pugilist, was arraigned in municipal court today. His bond was increased from \$500 to \$1,000 and the case continued until October 23.

Johnson became furious when Attorney Erbstein, for Mrs. F. Cameron-Falconet, mother of the girl, demanded that his bond be increased.

"I don't think it is necessary to increase the bond," Johnson told the court.

"I am a responsible citizen. I have a business worth \$50,000."

"It may be worth that to you," flashed back Mrs. Cameron-Falconet's attorney, "but it is illegal and you ought to be put out of business."

"All right, Mr. Mayor," commented Johnson, with a laugh.

"If I was mayor of Chicago you wouldn't be in business three days," replied the attorney.

After considerable wrangling Judge Hopkins placed the bond at \$1,000, the usual amount in abduction cases.

When the pugilist stopped his automobile in front of a downtown bank today such a large crowd gathered that police were called to clear a path. Mutterings against the fighter were uttered by several white men in the crowd. A few negroes cried: "Hurrah for Johnson."

A mittimus ordering the detention of Lucile Cameron as a witness in the federal grand jury investigation against Johnson was issued today by United States Commissioner Foot on application of the district attorney. She was held under \$5,000 bonds. She was questioned by government agents for two hours today, but refused to tell of her relations with Johnson.

Rumors that Johnson had been shot spread all over Chicago today, but were without foundation.

A report that Johnson had visited the bank in an attempt to obtain \$5,000 to effect the girl's release on bonds, caused federal officers to plan to remove Miss Cameron to the county jail at Rockford, Ill.

Would Have Farmers Do Own Marketing

DALLAS, Tex., Oct. 19.—A national marketing association for farmers was advocated by B. F. Yoakum here today in an address before the convention of Southwestern growers.

It costs the farmers of the United States, Yoakum said, something like \$10,000,000 annually in interest of their loans, which is \$200,000,000 more than it should be.

DEVELOPMENT BEGINS IN MOORCROFT FIELDS

MOORCROFT, Wyo., Oct. 19.—(Special.)—An oil syndicate operated by wealthy Frenchmen, commenced operations in the Moorcroft fields yesterday. The company is the same one that controls leases on the Casper fields, and it is believed that over \$5,000,000 will be expended in the development of the Moorcroft leases. The French company recently took over the property of the Exels Oil company of this place. The oil wells are located twelve miles from Moorcroft. Seventy teams and wagons, comprising drill outfit, supply wagons, etc., arrived in Moorcroft yesterday from Casper, 250 miles, overland.

NO ROW WITH OFFICE HOLDERS

Mexican Marine Cadets Ordered to Surrender to the Rebels, but Remain Loyal to the Government.

MEXICO CITY, Oct. 19.—Fifteen persons were killed and many wounded today at Vera Cruz by the troops of Felix Diaz, when administration sympathizers formed a parade and refused to disperse when ordered by Diaz, according to reports which reached the capital tonight.

It is also stated that Diaz called upon the cadets at the Marine college to surrender, but they refused, declaring their loyalty to the government.

Diaz is quoted as saying his reason for raising the standard of the revolt was that he saw his country about to become embroiled with foreign nations and his efforts would be directed toward preventing this. He is also quoted as saying he will treat administration office holders with every consideration in the event of victory, which he considers assured.

REBELS TAKE THREE GUNBOATS

Commodore Azueta Remains Loyal to the Government.

MEXICO CITY, Oct. 19.—Three of the four gunboats at Vera Cruz have fallen into the hands of Felix Diaz, according to information received by the government.

The fourth, with Commodore Azueta on board, has remained loyal to the federal government, but is covered by the guns of the other vessels and is not allowed to obtain provisions. It is generally thought the commodore soon must surrender.

General Geronimo Trevine, the commander of the federal forces at Monterey, who resigned yesterday, is said to be favored by many military men for provisional president. He is believed not to be implicated in the rebel movement started by Diaz.

The train service to Puebla has been interrupted by the rebel forces under General Aguilar, who controls the territory and who is threatening the city. Everything is quiet in the capital.

FEDERALS MOVE ON VERA CRUZ

Gen. Zozaya, Who Has Been Loyal, Expected to Join the Rebels.

VERA CRUZ, Mexico, Oct. 19.—The rebel forces in possession of this city have made every preparation for an attack by federal troops and this is expected to occur at any moment. Two columns of federals arrived yesterday within fifteen miles of the city.

The strength of the advancing force is hardly greater than that of the rebel garrison, but the government troops are at a disadvantage as to artillery, owing to the impossibility of transporting cannon over the sandbanks surrounding the city.

It is expected that General Zozaya, in command of one of the loyal columns, will join the rebels when he gets into touch with their troops.

Money Orders that McManigal Cashed Are Put in Evidence

INDIANAPOLIS, Ind., Oct. 19.—Postoffice money orders showing how J. J. McManigal sent funds which Orville E. McManigal used on his dynamite trials, were produced at the dynamite conspiracy trial today.

Robert H. Bryson, postmaster of Indianapolis, identified many money orders issued to McManigal and payable at cities where explosions occurred. McManigal received several payments at Kansas City, Mo., when he was on his way to blow up the court house at Omaha.

Emmet Miller of the Kansas City postoffice identified records, showing that McManigal sent \$100 to his wife in Chicago March 19, 1911, four days before the Omaha explosion.

The records also showed transmission of money by McManigal to Frank O. Eckhoff, Cincinnati.

The government charges that McManigal, then secretary of the International Association of Bridge and Structural Iron Workers, was sending the money about the country to promote a dynamiting campaign, after he had been authorized to spend \$1,000 a month by the union's executive board.

Government Loss Over a Million

BENICIA, Cal., Oct. 19.—Approximately \$1,000,000, certainly less than \$2,000,000, is the tentative estimate of loss made today by Colonel C. H. L. Ruggles, commanding officer of Benicia arsenal, the main storehouse which was burned last night. A request for supplies to rebuild the warehouse already has been telegraphed to the War department.

MARSHALL WIRE TO STOP GAMBLING IN INDIANA

INDIANAPOLIS, Ind., Oct. 19.—The South Bend company of the Indiana National Guard was ordered today to be ready to go to Mineral Springs to stop gambling, said to be going on at a race meet there.

The order was issued by Mark Thistledown, Governor Marshall's secretary, under authority wired from Nebraska by the governor last night.

ROOSEVELT PACKS TO LEAVE HOSPITAL

Colonel Gets Ticket of Leave and Monday Will Depart for Oyster Bay.

PHYSICIANS AGREE TO THE MOVE

To Occupy a Private Car and Be Guarded by Chicago Police While on the Way to the Depot.

CHICAGO, Oct. 19.—Colonel Theodore Roosevelt will leave Mercy hospital for Oyster Bay Monday forenoon at 10:30 over the Pennsylvania railroad.

The foregoing was the announcement made today by Dr. Alexander Lambert, the colonel's family physician, after the examining physicians had issued the following bulletin describing his condition:

"Saturday, 9:05 a. m.—Pulse, 86; temperature, 98; respiration, 20; breathing easier, reading well, condition good; convalescing satisfactorily. (Signed)

"JOHN B. MURPHY, M. D.
"ARTHUR D. BEVAN, M. D.
"ALEXANDER LAMBERT, M. D.
"SCURRY L. TERRELL, M. D."

Good News for the Colonel.

Colonel Roosevelt declared the news to be the best he had received since he first was assured that the wound would not be fatal.

"It has been very tedious waiting here," he told the physicians. "In spite of the fact that you gentlemen and the Sisters of Mercy have provided for me in a royal way."

Talks of Last Time.

"It is no fault of the care and attention I have had, that's certain, but as you know, this is just the height of the campaign, and every day lost means a golden opportunity of calling my attention to our cause gone beyond recall."

"Now, mother," the colonel said, addressing Mrs. Roosevelt, "I'll be pretty good while I'm here so there won't be any reason for delaying our start home. Of course, I can't help being impatient, but I'll do as you say now with as little protest as possible."

Letters Are Packed Up.

Secretaries McGrath and Martin gathered in boxes the letters that have been received from all over the United States and arranged them for shipment by express.

Typhoon Sweeps Philippine Islands, Doing Big Damage

MANILA, Oct. 19.—Twenty-five million dollars is the estimated damage done by the typhoon which swept the Philippines on October 18. The storm extended over a wide area, touching Surigao in the south, Taaloban in the north, and crossing Leyte, Bohol, Cebu, Negros and Panay.

Reports from the various districts are incomplete and contain nothing definite concerning the rich sugar districts in Negros, nor the interior points in Cebu and Panay.

Apparently there were no casualties among American residents. The total number of dead among the natives has not been ascertained.

Five small coasting steamers were driven ashore and 100 small sailing vessels were sunk or beached.

The army and navy have both joined the government in undertaking measures of relief.

Rear Admiral Nicholson, commander of the United States Asiatic fleet has placed the cruiser Cincinnati at the service of the government and has gone south with Brigadier General Harry N. Bandholtz, chief of the Philippine constabulary.

The army authorities are lending doctors and men of the hospital corps together with tents. The government is dispatching one steamer to convey the doctors and another with supplies of food while it is holding the transport Warren in reserve.

George Bishop Confesses Murder

NEW YORK, Oct. 19.—George Bishop, a young negro, confessed today, the police say, that with a hammer he beat to death Mrs. Margaret Bell and nearly killed her maid, Mary Hogan.

The two women were attacked in their home in Brooklyn last night, and Mrs. Bell died at the hospital today.

Million Moose Tickets Wasted

NEW YORK, Oct. 19.—One million tickets printed in preparation for a proposed "bull moose tag day" here probably will be wasted, because the city authorities today ruled that tagging is technically begging on the streets.

HALF MILLION MEN GATHER FOR THE BLOODY CONFLICT

STRICT CENSORSHIP IS IMPOSED

Novic Pazar Invaded by Serbian Column in Order that a Juncture with the Montenegrins May Be Accomplished.

BULLETIN.

CONSTANTINOPLE, Oct. 19.—The Turkish fleet arrived off Varna at 6 o'clock this morning and began a bombardment at 2 o'clock this afternoon.

LONDON, Oct. 19.—Half a million men, armed with the deadliest of modern war implements, are gathering around Adrianople today for what military men anticipate will be a long and bloody siege.

The Bulgarian army, estimated to number 200,000 men, reinforced by 50,000 Servians, as soon as war was declared began to fight its way in three columns through the mountain passes which divide the Balkan states from Turkish territory. The Bulgarians succeeded in driving back the Turkish outposts.

The Turks already have 200,000 men in position and thousands more are arriving daily at the front, so that while their adversaries for the moment have some advantage in numbers, the two forces when they meet probably will be nearly equal.

The drama on which the curtain is rising is practically cut off from the view of the rest of the world, as the chiefs of staffs of the various armies have imposed a strict censorship.

A simultaneous advance is being made by several Serbian columns and they are making some progress, according to report.

It is said in Belgrade that the old Servians and Macedonians have cut the communications between Uskup and Saloniki, thus preventing the transport of reinforcements for the Turkish troops at the front.

The invasion of the Novic Pazar district by another Serbian column whose aim was to join the Montenegrins doubtless accounts for the visit made by the Russian and Austrian ministers to King Nicholas of Montenegro at Podgoritz, as it was this strip of territory which Austria would not allow any other power to occupy.

TURKISH SUCCESSES REPORTED

Orders Are Issued to Insure Safety of the Christians.

CONSTANTINOPLE, Oct. 19.—Turkish successes in engagements with the Servians and Montenegrin troops were reported today in special dispatches from Saloniki and Uskup, but the details are very meager.

Strict orders have been issued by the civil and military authorities in Rumelia to insure the safety of the Christian population. Those proven guilty by court martial of attacking peaceful inhabitants are to be sentenced to death.

The minister of war today in a special proclamation to the army, exhorts the Turkish troops to do their duty and declares that their enemies are of inferior military address and valor. Besides courage, he said, the Turkish officers should give an example to their men of respect for the laws of humanity. He declares that the government possesses absolute confidence in final victory.

The Office Manager —realizes the full value of Bee Want Ads. He knows how nearly impossible it would be for him to obtain adequate and competent help if it were not for these little ads. He also finds the Want Ads invaluable for disposing of surplus chairs, tables, desks, typewriters and other surplus office equipment, and also equally valuable in purchasing various second hand articles, of this nature, which he may need.

Without the Want Ads the sudden resignation of a stenographer, bookkeeper or salesman might seriously cripple an entire organization—but with the Want Ads it is a simple matter—within a few hours he can replace his whole force if need be—a single Want Ad will do it.
