

GREKS DISAPPOINT TURKS

Made Effort to Induce King to Break with Balkan States.

ARMY ENTERS ENEMY'S COUNTRY

Heavy Fighting is Reported North-east of Adrianople—King Gives Bulgarian Army Blessing as it Marches Away.

CONSTANTINOPLE, Oct. 19.—Heavy fighting is reported to have been in progress throughout the day in the region about Kirk-Killesh, northward of Adrianople. Large forces were engaged on both sides.

The departure from Constantinople today of the Balkan ministers was not attended by any hostile demonstration. M. Sarafoff, the Bulgarian minister, and M. Gyparis, the Greek minister, embarked on steamers bound respectively for Varna and Piraeus, while Dr. J. Nenadovitch the Serbian representative sailed for Kostonje.

With the exception of a few windows being broken during the departure of the ministers no other disagreeable incident is reported. Thousands of Greeks and other prospective combatants of the Turks were permitted to depart to join their forces, but their leaving brought forth no unfriendly manifestation.

Double prevailed up to the last moment whether Greece finally would throw in its lot with its Balkan allies. It is an unquestionable fact that the Turkish government made serious efforts to have Greece withdraw its allegiance to the confederation. It seems that Turkey was prompted chiefly by a desire to gain time in view of the superiority of the Greek fleet in the Aegean sea. Turkey also at the last moment offered to send a new minister to Athens—one more acceptable than Mukhtar Bey—but this effort likewise proved futile.

Turkey's Blandishments Fail.

ATHENS, Oct. 19.—The foreign minister at the sitting of the chamber of deputies this afternoon, announced that Greece had declared war against Turkey. He added that up to the last moment Turkey had made all kinds of efforts and held out all sorts of promises to have Greece break away from the Balkan confederation.

Premier Venizelos read to the deputies a message from King George, in which his majesty stated that the sufferings of their oppressed brethren had forced the Balkan states to recourse to arms.

The premier also read a telegram from Crown Prince Constantine reporting that the Greek army had entered Turkish territory.

When the premier had concluded the minister of war arose and announced the departure of the Greek fleet. He said it was the one great wish of the Greek sailors to see the Turkish fleet leave its moorings.

Amid cheering the president of the chamber asked permission of the deputies to send greetings to the legislative chambers of the allies, "now that cannon are roaring in the name of civilization and Christianity is at war against barbarism."

Reports of Victories.

BELGRADE, Serbia, Oct. 19.—There was great rejoicing here today over an unconfirmed report that Servians had captured Pristina, a town of 15,000 inhabitants in the vilayet of Kosovo, Turkey, but the only authentic information concerning the movements of the army received was that the Servians had entered old Serbia and were advancing in the direction of Uskup. It is doubtful, therefore, that they have reached Pristina.

REPUBLICAN CANDIDATES HOLD MEETING ON CARNIVAL GROUNDS.

Polish People Praised for Progressiveness in Speeches—Carnival Plans Added to by Arranging Boxing Bouts.

More than 2,000 people, including a band of Eagles, honored republican night at the Polish carnival last night where a number of republican candidates made short speeches and circulated among the crowd.

Accompanied by President H. C. Murphy of the South Omaha Republican club, State Committeeman George Brewer, Deputy County Clerk James Chisok, George Houseman, Charles Alstadt and a number of other local republicans, the candidates entered the grounds immediately after the display of the fire department.

Howard Baldrige, republican candidate for congress, was introduced by Henry C. Murphy, who acted as chairman. Mr. Baldrige, who has many friends among the Polish people of the city, was accorded a welcome all over the grounds.

When he had mounted the improvised platform he expressed his pleasure at being among the people of the city. Congratulating the Polish people upon the progressiveness that urged them forward in such a splendid work as the upbuilding of a Polish home, the speaker declared that he was proud to know so many of the supporters of the great work. He referred to his long friendship with President Thomas Kozial of the Polish Home association and promised to stand by his constituency and work for the benefit of the Second congressional district if elected to congress.

He was succeeded by Sidney W. Smith, candidate for county attorney, who in a few words related the congratulations of Mr. Baldrige on the progressive spirit and splendid citizenship of the Polish people.

President Murphy then introduced John M. Macfarland, candidate for state senator, and candidates for the house of representatives, Neils J. Anderson, John B. Brain, J. A. Davis, Robert Druedson, Ira Flanagan, Harry Foster, Edward Simon, Martin Sugarman and Frank Yates.

Owing to a business call to the interior of the state, A. C. Panoast of South Omaha, candidate for state senator on the republican ticket and a favorite with the Polish and Bohemian peoples of the town, was not able to be present. Sam Hoff, candidate for the legislature, was also prevented from attending the rally.

When the speaking and concluded the Eagle Zato band under the competent leadership of Jay Williams serenaded the candidates at the platform. Democratic members of the "grape vine telegraph system" circulated through the crowd, but there was a lack of the usual glad handing and a reminiscent gloom reated cloud-like upon the features of those who had attended the "democratic frost" Thursday night in the high school auditorium.

One embittered democrat seeing the interest manifested by the Polish people in the republican candidates and the republican campaign literature could scarcely restrain his contempt. "What do these jinks know about politics?" he said of the people about him. "The democrats will vote every one of them when election day comes around."

Governor Chester A. Aldrich, who had arranged to be present, was detained at the labor meeting in Omaha and did not arrive in time to participate in the meeting.

Sparring at Carnival.

Friday and Saturday nights, Billy Uvick the South Omaha premier glove artist, will give sparring exhibitions for the carnival visitors. Uvick is a lightweight with a coming record and arrangements are being made to match the best local talent to be found with him in boxing contests. Plans are under way to have Clarence English and Jack Welsh don the gloves for a short series of rounds each night with Uvick, while there are several others who have decided to enter the ring in brief sparring matches.

This Dear Old Lady was a nurse to the sick and wounded during the Civil War. Twenty-three years ago, at a time when her doctor thought she could not recover from her illness and when he thought other medicines would be useless he advised her to take Duffy's Pure Malt Whiskey.

Look at her photograph. What a pleasing picture of health and content she makes now, in her advancing years!—her brain alert, eyes bright and memory clear. It is within your power to maintain your faculties, your activity and willing, pleased friendships if you will but make an effort to do so.

If you are not aging gracefully, if you suffer from ills which you should not, if your faculties are becoming impaired, if the attention and interest of your friends are lessening, perhaps you can benefit from the experience of Mrs. Kane. Advice is as good as it turns out to be. The advice of Mrs. Kane's doctor to her was pretty good, she thinks. See if you agree with her. Read her letter which follows:

"I am 72 years old and have used Duffy's Pure Malt Whiskey for the past 23 years. When I first took it my doctor said it was only a question of a few months before I would die from that dreaded disease, consumption. The doctor said it was no use to take any other medicine, but advised to take lots of eggs and milk, and use about a half wineglass of Duffy's Pure Malt Whiskey in each glass of egg and milk, and to eat as much food as possible.

"At the expiration of ten months my cold disappeared and I gained in weight steadily, and today I weigh 150 pounds. My memory is so very good that I can remember things that happened as far back as the battle off Hampton Roads, between the Monitor and Merrimack, on March 3, 1862. I was then nursing the sick and wounded of the Union, which I did till the war was over.

"I went to Canton, China, as a missionary nurse, in 1875 to 1880, and can recall many of the disastrous events, such as the famine and plague, during this period in China. Hoping that Duffy's Pure Malt Whiskey will do for others what it has done for me, I remain, Yours very truly, Mrs. E. Kane, 2943 Palmetto Street, Brooklyn, N. Y."

Duffy's Pure Malt Whiskey

THE GREAT TONIC-STIMULANT does more toward restoring and maintaining good health, unimpaired memory and faculties in men and women than all other medicines combined. It is nature's true tonic-stimulant. Note that Mrs. Kane gained in weight steadily, and her cold disappeared. Her doctor believed she would die of consumption. He prescribed Duffy's Pure Malt Whiskey, she recovered, and today, 23 years after her serious illness, for which she took Duffy's, at the age of 72 she is alive and well and weighs 150 pounds.

Determine today to regain your own health and strength. Make up your mind to use Duffy's Pure Malt Whiskey. See that you get Duffy's. Write our doctors for advice. They will give it absolutely free and in confidence. You will also receive a valuable illustrated medical booklet.

Sold in SEALED BOTTLES ONLY by druggists, grocers and dealers, \$1.00 a large bottle. Address The Duffy Malt Whiskey Co., Rochester, N. Y.
