BULLETIN.

LONDON, Oct. 25.—A Turkish army of
20,000 men, commanded by Riza Bey, is
faced with the alternative of uncondi-
tional surrender or useless slaughter near
the town of Serva, according to a special
dispatch from Athens. The Turkish troops
are said to be hedged in by high cliffs
and the torrents of the river Alakmen.
On the south and southwest, too, there
is an army flushed with victory.

LONDON, Oct. 25.—The Bulgarian and
Greek armies have carried out success-
fully their part of the first stage of the
war against Turkey by the capture of
Kirk-Kilissah and the Turkish base in
the town of Serva. Their allies, Mon-
tenegro and Serbia, are now working des-
perately to do their share by overcoming
the Turkish posts at Scutari and Kum-
anovo, which latter are the key to Uskup.
It is said the Bulgarians expected
Kirk-Kilissah to hold out longer. The
victors are now confident of their ability
to cut the communications between
Adrianopele and Constantinople.
The capture of Adrianopele, in the
opinion of military experts, will be a dif-
ficult task. Its forts are thoroughly up
to date and are connected by an under-
ground motor railway line.
A dispatch to Lloyds from Burgas, the
Bulgarian port on the Black sea, says
the Turkish fleet is blockading the bay.
Greeks Occupy Town of Serva.
ATHENS, Oct. 25.—Crown Prince Con-
stantine of Greece formally entered the
Turkish city of Serva yesterday. The
capture of the town is regarded here as
the stage of the first and most serious
operation of war.
The position of Serva, whose possession
gives free access to Macedonia, was
taken after a combined attack by three
columns of Greek troops, who compelled
the Turks to retire in disorder.
The victory, as well as the result of the
battle in the pass of Sarandaport, which
lasted eleven hours, is attributed largely
to the rapidity of the movements of the
Greek infantry and cavalry and the pre-
cision of the Greek long range guns.
The crown prince has been warmly con-
gratulated on the success of his tactics.
The funeral of seventy citizens and
priests massacred by the Turks in Ser-
via, took place yesterday amid a scene
of great solemnity.

Montenegrins Attack Scutari.
RIEKA, Montenegro, Oct. 25.—The
Montenegrin army has succeeded in sur-
rounding Scutari. Yesterday afternoon the
Montenegrin artillery opened fire on the
town from the northwestern quarter, aim-
ing at the citadel and the Mohammedan
district. Several shells fell in the Mo-
hammedan district without doing any
damage.
The Montenegrin envoys proceeded to-
ward the town to open negotiations for
its surrender, but without effect.
The Montenegrin infantry then made
a desperate attack on the town, but en-
countered an annihilating fire from the
Turkish artillery, hard-pressed and in
danger, the attackers were compelled to
retire to their former positions.
Crown Prince Dinalo and his staff at
one time were in great danger, a shell
bursting a few yards from them.
The Montenegrins immediately began
preparations for a renewal of the attack,
which under cover of artillery fire was
to be made on the city today from these
sides.
The population of Scutari is in a state
of panic and white flags are flying from
a number of houses.
Taraschos Surrenders.
At Taraschos the Montenegrins occu-
pied the highest point of the neighboring
mountain and General Martinovitch
called upon the Turks to surrender and
prevent further useless bloodshed. The
occupation of the town was effected
after a bombardment of the fortress by
all the Montenegrin guns. The Turks
replied with twenty-two guns, but those
on the highest points were silenced after
two hours' fighting.
The fall of night interrupted further
artillery action, but the infantry made
several night attacks and as a result of
their efforts the Turks evacuated the
upper fort and the Montenegrins occu-
pied it.
General Vukotich telegraphs that he
has overcome and subdued the Moham-
medan Armata of the Rugara tribe, who
inhabit the district of Piava and who
had offered a stubborn resistance to his
troops. The roads now are open for the
troops. (Continued on Page Four.)

Mrs. Cameron Shares Her Daughter's Cell

CHICAGO, Oct. 25.—Mrs. F. Cameron
Falconett, it was learned today, occu-
pied the same cell in the Rockford jail
as her daughter, Lucile Cameron, whose
alleged abduction by Jack Johnson led
to a federal investigation. The mother
desired to be with the girl to keep her
under her own influence, she said, but
it is believed she wants to be sure the
negro does not communicate with Lucile.
The girl is held, having been unable to
furnish \$2,000 bail.
A subpoena was issued today for Sig
Hart, a well known sporting man here,
who is to be one of the important wit-
nesses when the federal inquiry is re-
sumed Monday. Government authorities
say there will be subpoenas issued for
many prominent persons who are be-
lieved to have knowledge regarding con-
ditions in the negro champion's cafe.
Hearing of the insanity petition against
Lu leCameron was to have been held
today at the Detention hospital here, but
the case was postponed indefinitely until
the government released her.
A subpoena has been issued for Perry
S. Bauer, West Side manufacturer, who
is said by the federal officers to have in-
troduced the Cameron girl to the negro
champion in the latter's cafe.

Roosevelt Dictates Letters and Speeches

OYSTER BAY, Oct. 25.—Colonel Roose-
velt took up the active work of the cam-
paign today for the first time since he
was shot, eleven days ago. John Mc-
Grath, his secretary, came from New
York today, and as soon as Colonel
Roosevelt had breakfasted, he began his
work. He dictated several letters to
progressive leaders then took up the pre-
paration of the speech which he expects
to deliver in New York next week.
Colonel Roosevelt was in promising
trim physically, although he was not able
to do as much work as he wished. He
has not overcome the effects of the
nervous exhaustion from which he suf-
fered after spending a week in bed in
Chicago.
Dr. Lambert, Dr. Joseph A. Blake and
Dr. George Brewer are expected from
New York this afternoon to dress the
wound.

Strike Threatened On Canadian Pacific

WINNIPEG, Man., Oct. 25.—Another
serious strike of Canadian Pacific rail-
way employes is threatened, according to
A. E. Mosher, president of the Canadian
Brotherhood of Railway Employees. The
organization, which comprises 6,000 men,
including freight handlers, freight clerks
and clerical employes in the yards and
baggage offices, President Mosher says
has been negotiating for the last six
months with the railway company and
Department of Labor, demanding in-
creases in wages. Mosher declares that
unless a board of conciliation is appointed
by the Department of Labor a strike will
be called next Monday.

One Thousand Coal Miners Resume Work

CHARLESTON, W. Va., Oct. 25.—One
thousand miners who have been on strike
since last spring returned to work in the
mines at Dorothy, W. Va., today after a
long conference with the operators. The
men are to receive 22 per cent above the
price paid under the scale of the United
Mine Workers of America, but the oper-
ators do not recognize the union.

Pettit Corroborates About Checks Sent Back by Beveridge

WASHINGTON, Oct. 25.—When the
senate campaign contributions committee
met today H. C. Pettit, former speaker
of the Indiana house of representatives,
requisitioned by Senator Pomerene, cor-
roborated the testimony of former wit-
nesses of the contributions of George W.
Perkins, Edward L. MacLean and Clifford
Pinchot to Senator Beveridge's campaign
in 1904. He said he believed the total of
these contributions was \$7,500.
Mr. Perkins told the committee he con-
tributed \$10,000, which Mr. Beveridge re-
turned.

Chairman Clapp announced that Mr.
Beveridge and H. C. Starr were to testify
tomorrow. Pettit said Senator Beveridge
showed him each of three checks or
drafts for \$10,000, which he was informed
came from Mr. Perkins. Senator Bever-
idge told him he did not intend to use
any of the money; that it was a matter
of personal friendship.
"The state committee knew nothing of
this money," said Mr. Pettit. He said
he knew the money was returned unused
after the election.
When Mr. Pettit concluded Chairman
Clapp announced the committee prob-
ably would recess tomorrow until after
election.

The committee then adjourned until to-
morrow.

Asks California Republicans to Rebuke Moosers

SAN FRANCISCO, Oct. 25.—Senator Ed-
ward I. Wolfe, chairman of the Taft re-
publican minority convention, published
today a statement to Taft republicans
throughout the state in which he
warns them that they cannot use stickers
to place the names of Taft electors on the
ballot and that to write in the names of
such electors would do Mr. Taft's candi-
dacy no good.
In part, the statement reads:
"There are no Taft electors nominated
in the state of California. The thirteen
republicans that walked out of the pro-
gressive convention when, by a vote of
88 to 13, the convention repudiated Wil-
liam Howard Taft, endeavored to get a
supreme court decision compelling the
secretary of state to place upon the bal-
lot as republicans the nominees of their
convention. This the supreme court re-
fused to do.
"Consequently there are no Taft electors
to vote for."
In conclusion, the statement says:
"As a result of this, for the first time
in the history of this state, the members
of the great republican party of Cali-
fornia are disfranchised. And it is within
the power of republicans to rebuke this
action in no uncertain way on Novem-
ber 5."

DOUBLE DEALING HOCKIN DESCRIBED

Secretary of Iron Workers' Union
Identified as Man Who Gave
Out Information.

VERY ANXIOUS TO GET IMMUNITY
Before the Grand Jury with Records
of His Organization.

ONE OF FORTY-FOUR INDICTED
Started Ortie McManigal on the Road
as a Dynamiter.

ENGINEERED MANY OF BIG JOBS
Witness Washburn Testifies of Hav-
ing Placed Telephone Apparatus
in Rooms of the Union Last
December.

INDIANAPOLIS, Oct. 25.—Herbert S.
Hockin, a defendant in the dynamite con-
spiracy trial, who succeeded John J. Mc-
Namara, the dynamiter, as secretary of
the iron workers' union, was identified
by four witnesses today as having given
information to the government against
his forty-four fellow defendants.
Walter Drew, a New York counsel for
the National Erectors' association, testi-
fied that Hockin had said:
"I know they've got me, but I didn't
want to be the only one."
The witness said that during the ses-
sions of last winter of the federal grand
jury, which returned the indictments,
Hockin offered to give information, but
was turned away with the remark:
"Go to the district attorney and make a
clean breast of it. He is the only person
with authority to make promises."
"Hockin came to me several times and
told me my life was in danger," said
Drew.
"He told me fellows on the Pacific coast,
naming Twitmore and Ed Nockels, were
after me and that I had better look out
for a fellow named John Stevens of Chi-
cago. He said he would warn me later
when I might expect danger.
"Another time he came to my room at
a club and in the presence of J. F. Foster,
a detective, arranged to let us have the
key of the iron workers' office, so we
might put in a telephone device by which
we would be able at all times to record
what President Frank M. Ryan and
others said about the dynamiting.
"Did not want to mix up.
"At first Hockin said: 'You know I've
got too much brains to be mixed up with
McNamara.'
"But when I replied, 'You haven't any
brains, but only a low cunning and we've
got the goods on you,' he weakened."
Mr. Drew related that a strike had
been declared by the Iron Workers' union
in 1906 and explosions on work of mem-
bers of the Erectors' association began
soon after that time.
Senator John W. Kern, for the defense,
asked:
"Isn't one of the members of the
Erectors' association a subsidiary of the
United States Steel corporation?"
"I believe it," said Drew.
Hockin is the man whom Ortie Mc-
Manigal said put him in the dynamiting
business and who engineered many of
the jobs blown up by McManigal and
James E. McNamara. He is also ac-
cused by the government of having
"double-crossed" the union officials.

Visited Grand Jury Room.
Thomas F. Markey, a photographer,
testified that he saw Hockin visit the
grand jury room with bundles of pa-
pers and later saw him in the iron work-
ers' office when detectives visited it to
secure photographs of letters. The witness
said Hockin on one occasion had
said:
"I've got to get away from here before
anyone sees me."
Charles Schmidt, a deputy United
States marshal, also said Hockin had
visited the federal building with papers.
Guy Caldwell, an elevator boy, iden-
tified Hockin as having visited Drew's
room.
When attorneys objected to a request
that Hockin stand up, Judge A. B. An-
derson said:
"Stand up Hockin. It's absurd to ask
a jury to try a case without knowing
whether the defendant is present."
Hockin then stood up.

G. T. Washburn, Chicago, testified
about installing the telephone device in
the iron workers' headquarters. He said
it was done before daylight last Decem-
ber, himself and the detective walking
through the office building barefooted,
so as not to make noise. He said the
door was unlocked by Detective Oster.

Seeking to Fasten Crime Upon Caruso

SALLEM, Mass., Oct. 25.—Joseph Caruso,
defendant with Joseph J. Eitor and
Arturo Giovannitti, on trial for the mur-
der of Anna Lopizzo, victim of the Law-
rence textile strike riots, was declared by
witnesses today to have been present
when Policeman Oscar Benoit was stabbed
and the Lopizzo girl shot on the evening
of January 23, last.
Edward Marshall, a policeman who was
with Benoit on that night, testified that
Caruso, accompanied by Salvatore Scuto,
now a fugitive, stood directly behind
Benoit immediately before the shooting
and stabbing. Benoit himself testified
that he had seen Caruso, armed with a
club, a few minutes before he received
the knife wound.

MEXICANS SHOOT OFFICERS

Two Members of Staff of Felix Diaz
Are Executed.

LEADER IS GIVEN A RESPITE
Federal Judge of Capital Tempora-
rily Removes Him from Juris-
diction of the Military
Tribunal.

VERA CRUZ, Mex., Oct. 25.—Two of
the captured officers of the staff of Felix
Diaz were shot by the federal troops at
10:30 last evening after being sentenced
to death by summary court-martial. The
execution was carried out with absolute
secrecy. The names were Major Zera-
te and Major Cuesta.
The court-martial began its sessions at
6 o'clock in the evening and its judg-
ments must be delivered and the ver-
dicts put into effect within seventy-two
hours from the time of meeting.
Major Fernando Zerate and Major
Julian Villas are pleading on behalf of
Diaz, who, according to military law, is
liable to imprisonment for from three to
eight years.
Public Opinion against Diaz is so strong
that it is thought a sentence of death
may be pronounced on him as well as on
all officers and government officials who
joined his cause and were captured.
The troops, however, who rebelled will in
all likelihood not be punished.
Felix Diaz is to be brought before the
court-martial this afternoon.
Some of the volunteers who joined Diaz
belonged to the leading families of the
city. Those of them who may be cap-
tured will be sentenced to short terms of
imprisonment, but many of them have
escaped to the country.
Commodore Anzota of the federal navy,
called last evening on General Beltran,
the federal commander in chief, who re-
ceived him coldly, telling him that he did
not adopt a definite attitude during the
Diaz revolution. It is reported that Com-
modore Anzota is to be court-martialed.
The garrison of Vera Cruz consists of
2,500 men of all branches of the service.
The city is perfectly quiet and business
generally has been resumed.

tension of its activities. Announcement
of the gift was made by Dr. Hugh Young
this morning after the terms upon which
it was made had been favorably acted
