Treasurer Wells of National Committee Files His Report.

### STATEMENT MADE UNDER OATH

Some Money Spent in Iowa, Nebraska and Other Western States in Organizing the Campaign for Wilson.

WASHINGTON, Oct. 25.—Contributions to the presidential campaign fund of the democratic party this year totalled \$678,334, according to the sworn statement of Treasurer Rolla C. Wells of St. Louis, filed with the chief clerk of the house of representatives today. Expenditures aggregated \$62,613.21, including \$130,000 sent to Chicago from the headquarters at New York. There are outstanding obligations of \$5,140.

All told \$3,200 contributions were received by Wells and of these \$3,246 were for amounts of \$100, or less. Governor Wilson, the nominee, gave \$500.

Herman Ridder of New York appears as the largest single contributor, with \$28,825. Judge J. W. Gerard of New York gave the next largest sum, \$13,000. Charles R. Crane of Chicago and Jacob H. Schiff of New York each contributed \$10,000. In two payments of \$5,000 each, Samuel Untermyer of New York gave \$10,000, as did Frederick C. Penfield of Germantown, Pa.; Henry Goldman and Henry Morgenthau of New York.

Among those who contributed \$5,000 were Cleveland H. Dodge, New York; Rolla C. Wells, St. Louis, treasurer of the committee; Thomas B. Lockwood, Buffalo; Hugh Wallace, Tacoma, Wash.; Charles R. Smith, Menasha, Wis.; C. A. Sprackels, New York; J. C. Mayo, Paintsville, Ky.; Senator Watson, West Virginia; Roger C. Sullivan, Chicago; Nathan Straus, New York, and former Senator Clark, Montana.

Other contributors were: David M. Hyman, New York, \$1,500; Mrs. M. McCormick Blaine, \$1,000; Senator O'Gorman, New York, \$1,000; William Church Osborne, New York, \$1,000; Herman A. Metz, New York, \$1,000; Mayor Carter Harrison, Chicago, \$500, and Dr. J. B. Murphy of Chicago, who recently attended Colonel Theodore Roosevelt in that city, \$500.

The statement shows that the chief items of expenditures were for printing, postage, newspaper advertising, salaries and traveling expenses of speakers and the presidential nominee. Some money was spent for organization work in Iowa, Nebraska and Maine.

The republican statement of contributions will be filed tomorrow, the last day under the law. The progressive party filed its statement yesterday, showing contributions of \$304,234, expenditures of \$282,341 and outstanding obligations amounting to \$41,241.

### Dynamite Cooker Given Six Months

ABERDEEN, S. D., Oct. 25.—(Special.)—James McAleer, the man who was arrested at Webster the other day after he had purchased a quantity of dynamite at a hardware store here, and who acknowledged he intended to "cook" the dynamite and get nitroglycerin from it with which to rob several postoffices in small towns in northern South Dakota, was given six months in the Day county jail yesterday by Judge C. C. Carpenter of Lemmon, who was sitting for Judge McNulty of Aberdeen. McAleer's two companions were turned loose for lack of evidence.

Postoffice Inspector Collier was present at the hearing, and McAleer stated there was a "fence" in Aberdeen that purchased postage stamps and other loot secured by yegmen in their raids on country postoffices, banks and stores, and suggested that for the proper consideration he would "peach" on the fence. A dramatic feature of the case was that McAleer and Judge Carpenter were schoolmates in their younger years. McAleer is said to belong to a respectable family, but fell into wild company in his youth.

### ARMY OF GREECE TAKES POSSESSION OF TOWN OF SERVIA

(Continued from Page One.)

advance of the Montenegrin troops against the town of Ipek, on the left flank.

General Vukotitch's troops have since advanced to the town of Sienitz, in the district of Novipazar, whence they have approached within five miles of the Servian troops coming from the other direction to join them.

**Turkish Garrison Captured.**  
LONDON, Oct. 24.—A three days' battle and a Bulgarian turning movement has resulted, according to Sofia accounts, in the fall of Kirk-Kiliseh and the capture of the Turkish garrison, numbering 50,000. That so many Turks have been taken is regarded as improbable and the more likely report is that the Turks retreated in the direction of Banarhisar, to the southeast.

The capture of this stronghold, to which the Turks attached almost the same importance as to Adrianople, was confirmed tonight from Constantinople in an official communication explaining that the Turkish army at Kirk-Kiliseh in attempting to split the enemy's forces, discovered that they were in greater strength than had been expected. The Turks therefore retired to the south to await reinforcements.

**Adrianople in Danger.**  
The news of the Bulgarian victory has caused great rejoicing in Sofia, where it is expected the fall of Adrianople will soon follow. It is as generally assumed, Abdullah Pasha is still engaged in bringing up his main army to Adrianople, the position of that town is critical.

An interesting situation will develop should the Turks be compelled to evacuate Adrianople. It is supposed that the next stand of the Turks will be made at Demotica, twenty-five miles south of Adrianople, an important strategic point on the road to Constantinople.

In other directions both the Servians and the Turks claim great victories at Kumanova, the Servians declaring they have captured the town and the Turks claiming they have repulsed the enemy. Late reports indicate that heavy fighting is still proceeding in this district.

The Greeks are operating from Arta towards Janina, Metcheck and the neighborhood of Grimbouvo.

**Defeat for Turks.**  
CONSTANTINOPLE, Oct. 24.—A Turkish defeat east of Tundja, in the Kirk-Kiliseh district, is now admitted here. An attempt is made, however, to minimize its importance by representing it as an unsuccessful Turkish offensive movement, which owed its failure to the detachment, having encountered the main body of the Bulgarian army.

The Bulgarians apparently left a covering force in front of Adrianople and attempted to work to the rear to menace the communications with Constantinople. An advance Turkish column, commanded by Mahmud Mukhtar Pasha, son of the grand vizier, attempted a surprise attack, but as the enemy was infinitely superior in strength the attack was not pushed home and the Turkish troops retired in good order to positions farther south.

It is not clear where the next Bulgarian attack will be delivered, but the next two days should witness a decisive battle.

There is much elation here at what is described as a splendid victory over the Servians at Kumanova. Officials of the war office went so far tonight as to express the opinion that the Servians need no longer be reckoned with.

**Turks Claim a Victory.**  
CONSTANTINOPLE, Oct. 24.—The Servian army operating near Kumanova has been defeated by the Turkish troops defending that town.
