When the Old Court House Is Torn Down

the Court House Block will be the most attractive in the city. The county and city buildings will be the center of the commercial activity of the city. On this account, in choosing an office location, it will be well for you to select

THE BEE BUILDING

We make no extra charges for service. The price of office includes light and water.

Suite 238-239—Fronts on 15th street and opens out on the wide corridor surrounding the magnificent court to the building. This space is especially well suited for an office where a large work room and privacy are required. Room 238 is 2x19 and Room 239 is 18½x22 and in addition has a large fire-proof vault where stationery, etc., can be stored. This 707 square feet of floor space rents for, per mo., \$68.00

Room 234—is partitioned into three rooms affording two private offices and a reception room. This space would be well suited for a physician and dentist or any two tenants who could use the reception room in common. There is a total of 180 square feet of floor space, the private offices being about 9 by 14 feet each. Partitions would be changed to suit permanent tenant. Price, per month, \$45.00

Room 406—This large room in the southwest corner of 4th floor, facing Farnam street, will not be vacant long as we intend putting the partitions in to suit tenant. This office is 19½x23½ feet in size and has good sized vault in one corner. There are five big windows so there is an abundance of light and the location could not be excelled for comfort during the cold winter days coming. Price, per month, \$60.00

We have a selection of small offices, ranging from \$15.00 a month up, from which to choose. Ask us to show you the rooms and give you further particulars.
