

# YOUR MONEY BACK

## Is not only the letter but the spirit of the Orkin Brothers Piano Club

¶ We say, in speaking of and advertising this big Orkin Brothers Piano Club: "If the piano is not satisfactory after 30 days' use we will give you your money back."

¶ This is not a "catchpenny" scheme. This is not done as an inducement to get you to join the Club, then not live up to it. We "mean to give you your money back" if you ask for it. We have no other intention—never have had—nor never will have.

¶ If you are dissatisfied with the Orkin Brothers Club Piano after 30 days' use, all you have to do is to say so, and we will send and get the piano and return your money.

¶ We will not even ask you the "whys" and "wherefores"—we simply will give you your money back.

¶ We know this piano we are selling to this club. We know it like we know our A B C's, and in order that you and the public should know it, we hit upon this old, time honored proposition of "Your Money Back"—though as far as we know this is the first time it has ever been applied to selling pianos.

# BUT THIS IS NOT ALL

## Club Members get a full year's trial

¶ It is our belief that a person cannot get a satisfactory trial of *any* piano, either good or bad, in 30 days. If, however, a thirty days' trial dissatisfies a Club Member, we will give him his money back. On the other hand, we have arranged a trial for each and every Club piano that *will* tell the tale—that *will show* whether or not *this Club piano* is worthy of a permanent place in your home.

¶ Printed *right across the face of the contract* is an agreement that gives to each and every Club Member the privilege of exchanging his Club piano, at any time *within one (1) year*, without one penny's loss.

¶ Explain this, you say?

¶ It's just like this:

¶ You join the Club—you then, as a Club Member, become entitled to all its advantages and privileges.

¶ One of these privileges is, *A year's trial of the piano.* In other words—the Club Member has *one year's full time*

**Orkin Brothers Privilege of Exchange**  
Privilege is given to exchange Orkin Brothers' Club Piano No... and attached contract at any time within one (1) year from date of said contract for any piano we handle at time exchange is made (whether of equal or better grade by paying the difference in price) and a new contract. All payments made on above mentioned piano to be credited on new contract. (Signed) Orkin Brothers.

These pianos are worth \$350. The club price is \$257.50—thus saving you \$92.50. The Terms are \$5 cash and \$1.25 a week, less than 1/2 the regular terms

¶ The price includes everything. There are *no extras* of any kind. No interest to be added. Nothing to be added for drayage, stool, scarf—*absolutely no extras.* Two hundred and fifty-seven dollars and fifty cents is the price, and the price *includes everything.*  
¶ These 500 pianos will be sold, 5 dollars cash, then 1 dollar and 25 cents a week. The 5 dollars just about covers the cartage and delivering—yet the 5-dollar payment made when you *join the club is credited to your account.*  
¶ The piano is delivered immediately. You do not have to wait until *the club is filled.* You get your piano *when you join.* The remainder is payable every week. Club members do not have to pay more than 1 dollar and 25 cents a week. This gives them 202 weeks in which to pay for the piano, and still get it at the *club price* of \$257.50—or at a straight-out saving of \$92.50.

For the convenience of people who cannot come in during the day appointments will be made to see the pianos evenings.

### ALDRICH GIVES UP FIGHT

Sends Message of Congratulation to His Opponent.

### BRYAN REFUSES TO TALK

Will Make No Answer to Suggestion that He Become a Member of President Wilson's Cabinet.

(From a Staff Correspondent.)  
LINCOLN, Nov. 7.—(Special.)—Governor Chester H. Aldrich announced this afternoon that he would send a message of congratulations to John H. Morehead, successful democratic candidate for gubernatorial honors.  
While the governor has not publicly made any statement indicating that he was willing to concede the election of Morehead, the congratulatory message is taken to mean that the Aldrich managers have thrown up the sponge in the face of the late returns.

Governor Aldrich was at his office Thursday morning in a decidedly more cheerful mood than yesterday. He regaled himself by relating several humorous incidents of the campaign. Following the inauguration of Mr. Morehead Governor Aldrich will return to David City to resume the practice of law.  
That the governor has not taken his defeat as the end of his political ambitions was indicated by the statement: "I'll lick someone two years from now."

### Bryan Will Not Talk

William J. Bryan, just prior to his departure for Omaha, where he addressed the State Teachers association this evening, refused to comment on press reports concerning the Wilson cabinet.  
Mr. Bryan said that he had nothing to say. The Commoner goes east for a visit in several days, during which time he will deliver addresses in several eastern cities, before going south to spend the winter. Mr. Bryan has purchased a small tract of everglades near Miami, Fla., and will build a log cabin, which he will use for a winter home.

The Commoner has received hundreds of congratulatory messages from all parts of the country on the democratic victory. One of the first to wire Bryan was John H. Morehead, who expressed his appreciation for the services Mr. Bryan had rendered.

### Cheyenne Reports

Cheyenne county was the first Nebraska county to return its official vote to the secretary of state. It showed no material change from the unofficial vote published Wednesday. The state canvassing board will meet within eighteen days and will canvass the vote on the state officials and presidential electors. The vote on congressmen and senators will be canvassed by the legislature when it convenes early next year.

### Commissioner Makes Good

Assistant Attorney General Frank Edgerton will advise V. L. Mangum, superintendent of schools of Coladocik, Minn., that the Nebraska Railway commission, has made good. In reply to an inquiry by Mangum, who is apparently attempting to learn the success of such bodies in the several states, Edgerton will tell him that in the matter of litigation along the commission has saved considerable money for the people of Nebraska. He says that many disputes which otherwise would have found their way into courts have been decided by the commission to the satisfaction of all parties concerned.

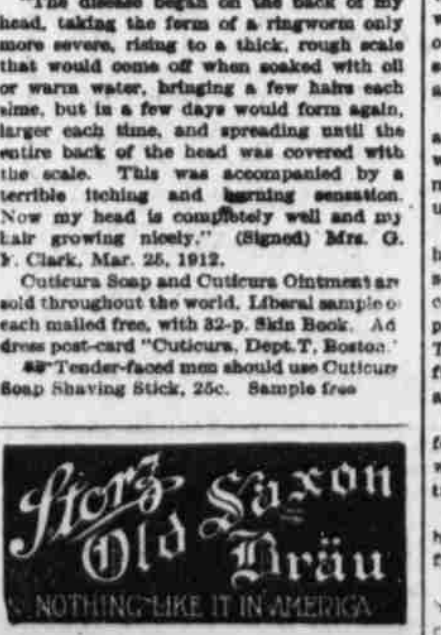

### Renovate Legislative Hall

In view of the early convening of the Nebraska legislature, the commissioner of lands and buildings Thursday ordered the renovating and repairing of the interior of the house of representatives and senate chamber at the state capitol. The walls are being repapered and the woodwork is receiving a fresh coat of paint. The commissioner has not yet decided

## TERRIBLE ITCHING AND BURNING

Scalp Eczema for About Five Years. Form of Ringworm. Thick, Rough Scale. Entirely Well After Using Cuticura Soap and Ointment.

Berlin, Mo.—"I was troubled with scalp eczema for about five years and tried everything I heard of but all of no avail. The doctors told me I would have to have my head shaved. Being a woman I hated the idea of that.  
"I was told by a friend that the Cuticura Remedies would do me good. This spring I purchased two boxes of Cuticura Ointment and one box of Cuticura Soap. After using the cure permanent, but continued to use it to make sure and used about one-half the other box. Now I am entirely well. I also used the Cuticura Soap."  
"The disease began on the back of my head, taking the form of a ringworm only more severe, rising to a thick, rough scale that would come off when soaked with oil or warm water, bringing a few hairs each time, but in a few days would form again, larger each time, and spreading until the entire back of the head was covered with the scale. This was accompanied by a terrible itching and burning sensation. Now my head is completely well and my hair growing nicely." (Signed) Mrs. G. V. Clark, Mar. 25, 1912.  
Cuticura Soap and Cuticura Ointment are sold throughout the world. Liberal sample of each mailed free, with 25-p. Skin Book. Ad dress post-card "Cuticura, Dept. T, Boston."

### Classes Neglected

University professors and students were scolded by Prof. Grumman in convocation this morning for failure to attend the classical numbers provided in the convocation program. Prof. Grumman said that if a fife and drum corps or foot ball rally was announced on the bulletin board, university faculty members and students would be more liable to attend than when classical programs were given.  
The comments of Prof. Grumman were called forth by the failure of faculty members and students to attend a lecture on Greek drama given Thursday.

### McKissick Will Make Race for Speaker

BEATRICE, Neb., Nov. 7.—(Special.)—J. W. McKissick of this city, who was elected state representative over Charles P. Scherer of Hebron by a majority of 600, yesterday announced himself as a candidate for speaker of the house at the next session of the legislature. ### Assessor is Elected, But Office in Doubt

KEARNEY, Neb., Nov. 7.—(Special Telegram.)—One peculiar turn of the election resulted in Buffalo county, where T. N. Hartool was elected county assessor by a special ballot in response to a petition asking that the office might be abandoned. The voters decided in favor of the petition. Opinions vary whether the assessor thus will get to serve the term to which he was elected or whether the office will be abandoned next January.

### REPUBLICANS LOSE LOCAL TICKET IN HALL COUNTY

GRAND ISLAND, Neb., Nov. 7.—(Special.)—The factionalism in the republican party carried the county ticket down to defeat almost without exception. Frank Slusser, republican, who was generally expected to head the legislative ticket, is tied with O'Malley, democrat, at 2,024 votes each and the official count may leave it unchanged. Dr. P. C. Kelley, democrat, was elected as the other representative by over 200 majority. Raymond West of Wood River, democrat, defeated Edward Williams for the senate even. In this the only republican county of the three—Hall, Howard and Greeley, Gus Sievers, present incumbent and democratic candidate for sheriff led the democratic ticket, having over 700 majority. B. J. Cunningham, democrat, defeated Arthur G. Abbott for attorney by over 200. The democrats will have five of the seven members of the county board. T. F. Costello, sergeant-at-arms of the last senate, was elected assessor over D. Ackermann, republican, by over 200.

### T. R. Not Surprised By Result of Vote

OYSTER BAY, N. Y., Nov. 7.—Colonel Roosevelt surveyed the field of battle today and gathered as much of the story of yesterday's defeat as he could place together. His lieutenants in each state wired to him their reports, in many cases incomplete and tonight Colonel Roosevelt was still in doubt as to just what the progressive party had been able to accomplish in its first campaign.  
There was nothing of the aspect of a beaten general and no hint of defeat in his manner. Colonel Roosevelt said he wants to tell his supporters everywhere what he thinks of the outcome and the outlook. The only reason he did not do so tonight was that he had not the facts, at hand.

The only thing which was accepted as a settled fact at Sagamore hill today was that the fight was to go on. What methods Colonel Roosevelt will adopt are unknown, even to himself.

Close friends of Colonel Roosevelt said he was not surprised at Governor Wilson's election because he was at no time confident, they asserted, that the new party would be able to win its first fight. The showing which the party made, his friends said, had pleased rather than disappointed his leader.  
Colonel Roosevelt expects to drop back for the winter into the quiet life at home which he led before the campaign, with trips to New York once or twice a week.  
"A good log fire is mighty attractive," he said, as he gazed into the crackling fire on the hearth in his library.  
With his log fire and his books, his horse and his axe, Colonel Roosevelt expects to have a winter of contentment.

### NEW SLAUGHTERING RECORD BEGINS WITH NOVEMBER

CINCINNATI, Nov. 7.—(Special Telegram.)—Price Current says in past years the practice has been to start a new record with the first of November for hog slaughtering operations, this having been recognized as the opening of the winter season in this line.  
For the week now ended the total western slaughtering appears to have been about 400,000 hogs, compared with 400,000 the preceding week and 440,000 a year ago. Details for the week as to numbers are not deemed to be essential and are omitted. At the close the general average

of prices of hogs at prominent markets is about \$7.45 per 100 pounds, compared with \$7.35 a week ago and \$7 a year ago.
